Date	Sept. Check-in Observation
9/5 <small>(1 week of coming in early for acclimation)</small>	Mother-child separation △ Waited at entrance until pick-up time. Child did not cry, but doesn't respond much when called. I guess Day 8: She's gotten used to being here, but plays alone all day. <small>that's how first days go! :)</small> It worries me that she's unresponsive when I greet her...
9/12	<p>She seems to like picture books! Can she read? Amazing! ☺</p> <p>She doesn't make eye contact with others. She often stares blankly into space... (haha)</p> <p><u>Likes</u></p> <ul style="list-style-type: none"> <li>Play</li> <li>Picturebooks</li> <li>Origami</li> <li>Drawing</li> <li>Swings</li> <li>Sandbox (alone)</li> </ul> <p><u>Dislikes</u></p> <ul style="list-style-type: none"> <li>Socializing</li> <li>Playing with others</li> <li>Sing and dance</li> </ul> <p>I'll let her grow accustomed at her own pace.</p>
9/16	It's the first time I heard her speak! "You must not!"... (lol) Whining phase?
9/28	She threw a toy off of 2F ☹ I tried scolding her, but she just stared at the ceiling...
10/5	X Hit a friend in the back → Refused to elaborate. No eye contact.
10/7	X Began hitting teachers → Apparently there is a "ghost."
10/11	XX She keeps using the "It's the ghost's fault" excuse. I asked her to tell the truth, but she grew quiet. I feel like giving up... What nonsense (lol)
10/19	Whenever there's a mishap, she immediately looks at the ceiling and avoids the truth.
11/14	Why do you always look away? Are you listening????
