

[CH.96 Homeward-bound]

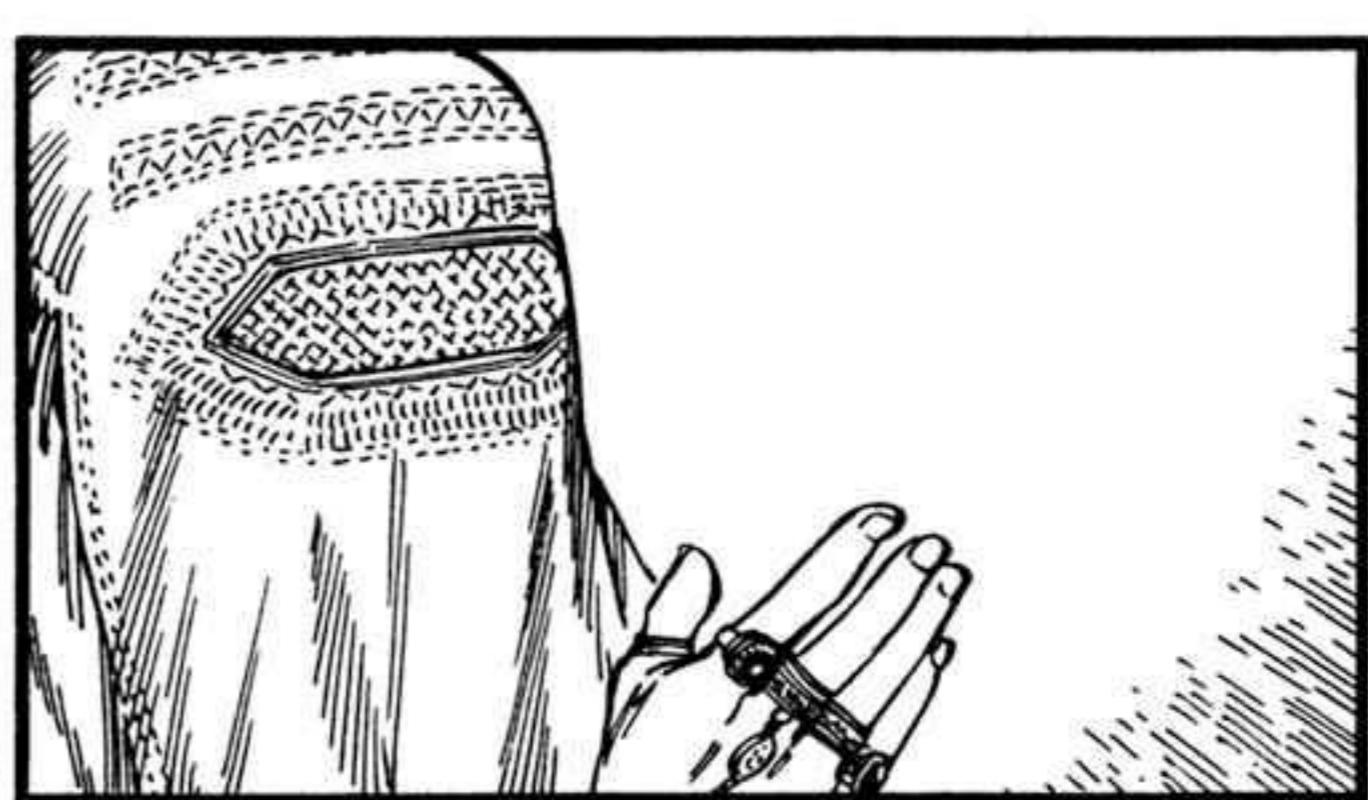

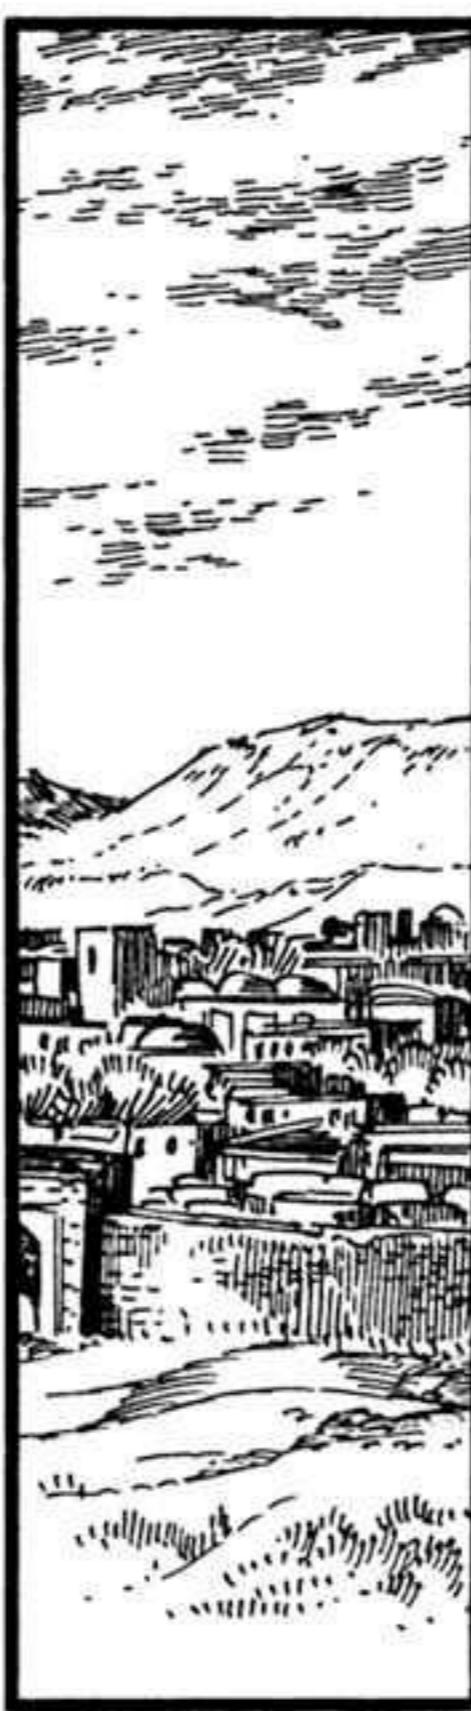

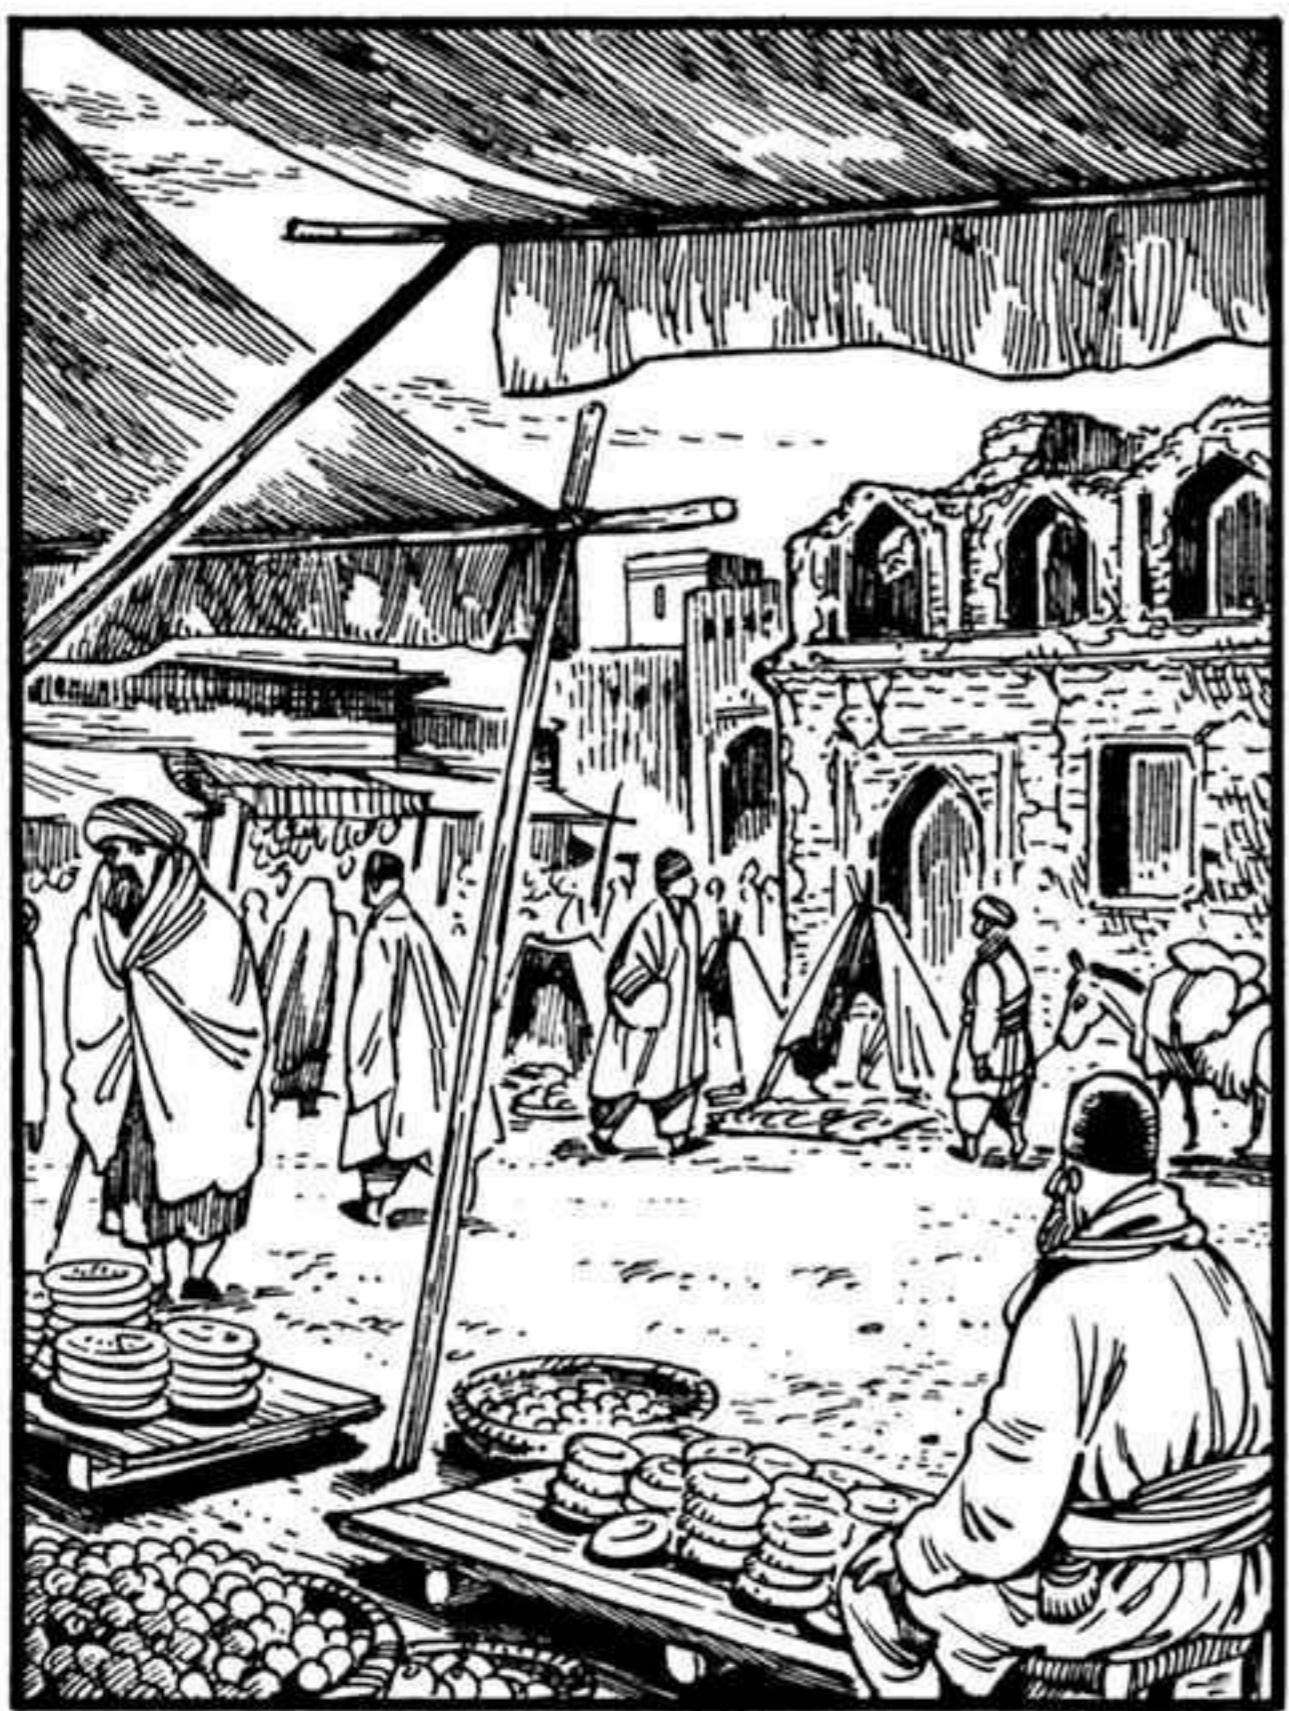

おとよめがたり

The Bride's Stories by Kaoru Mori

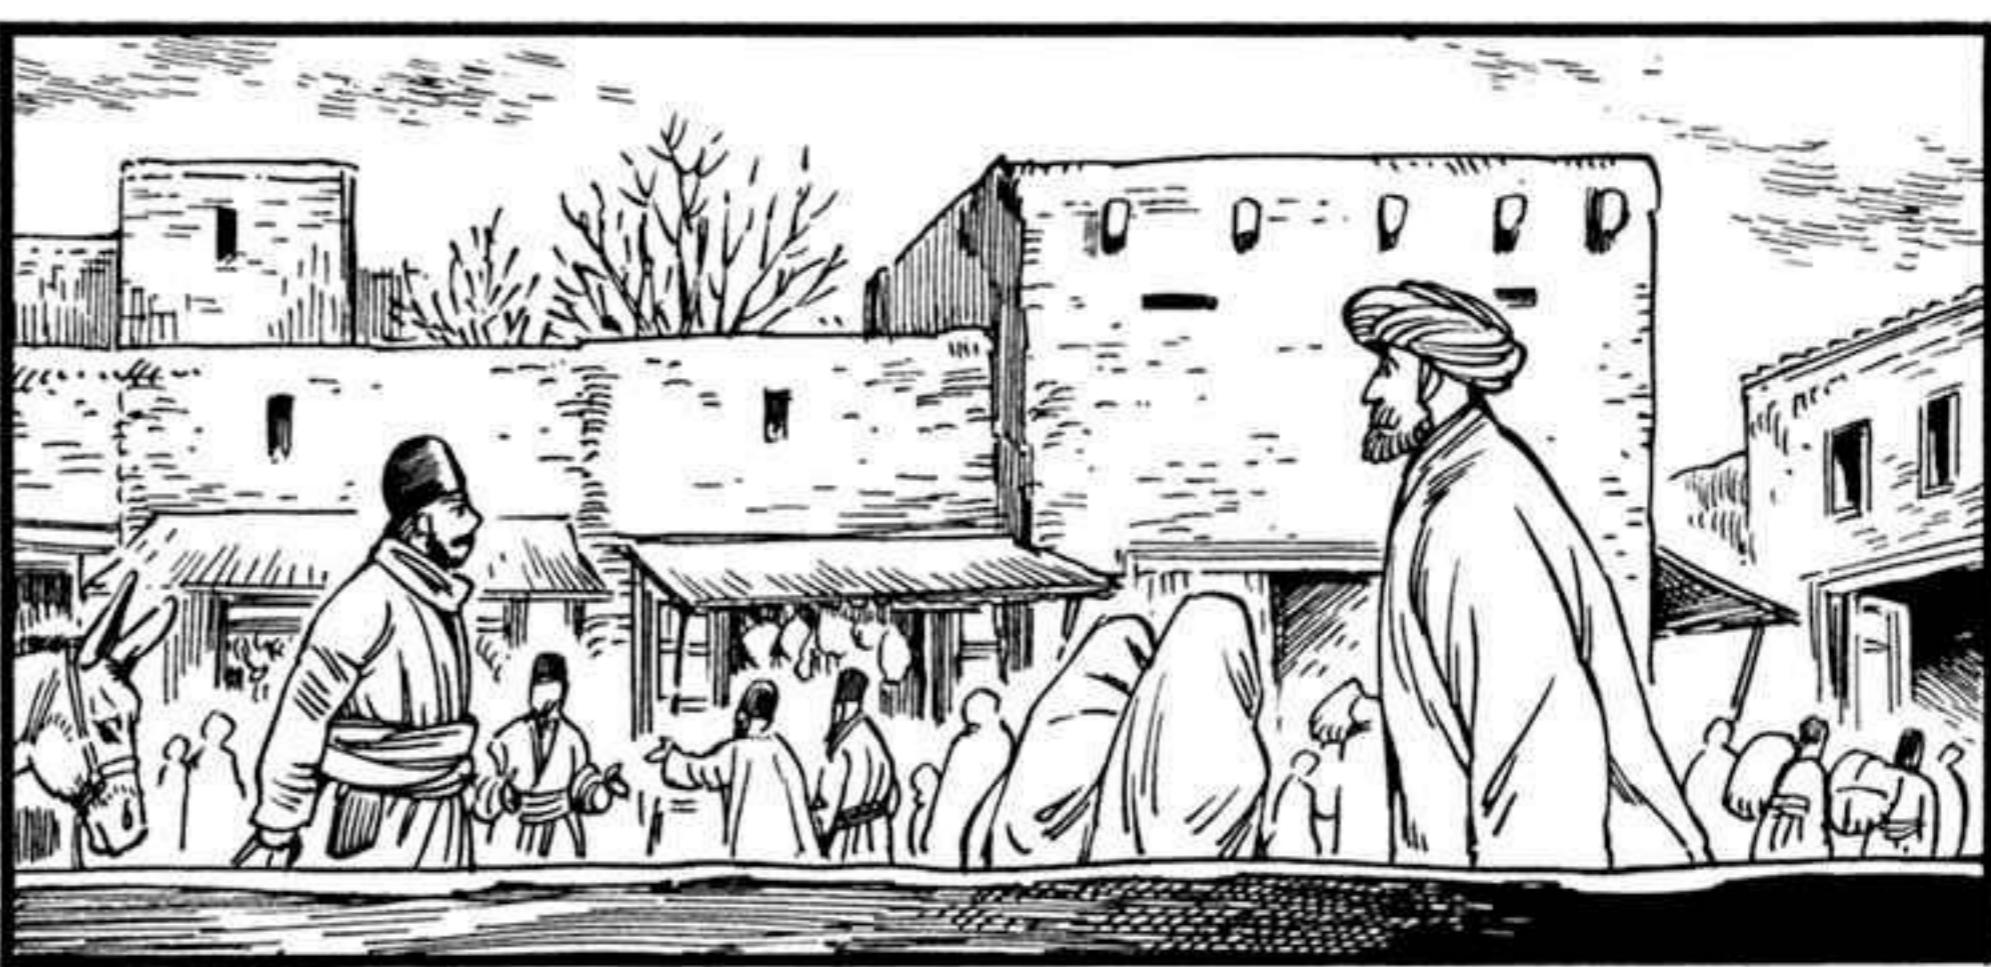

森 薫

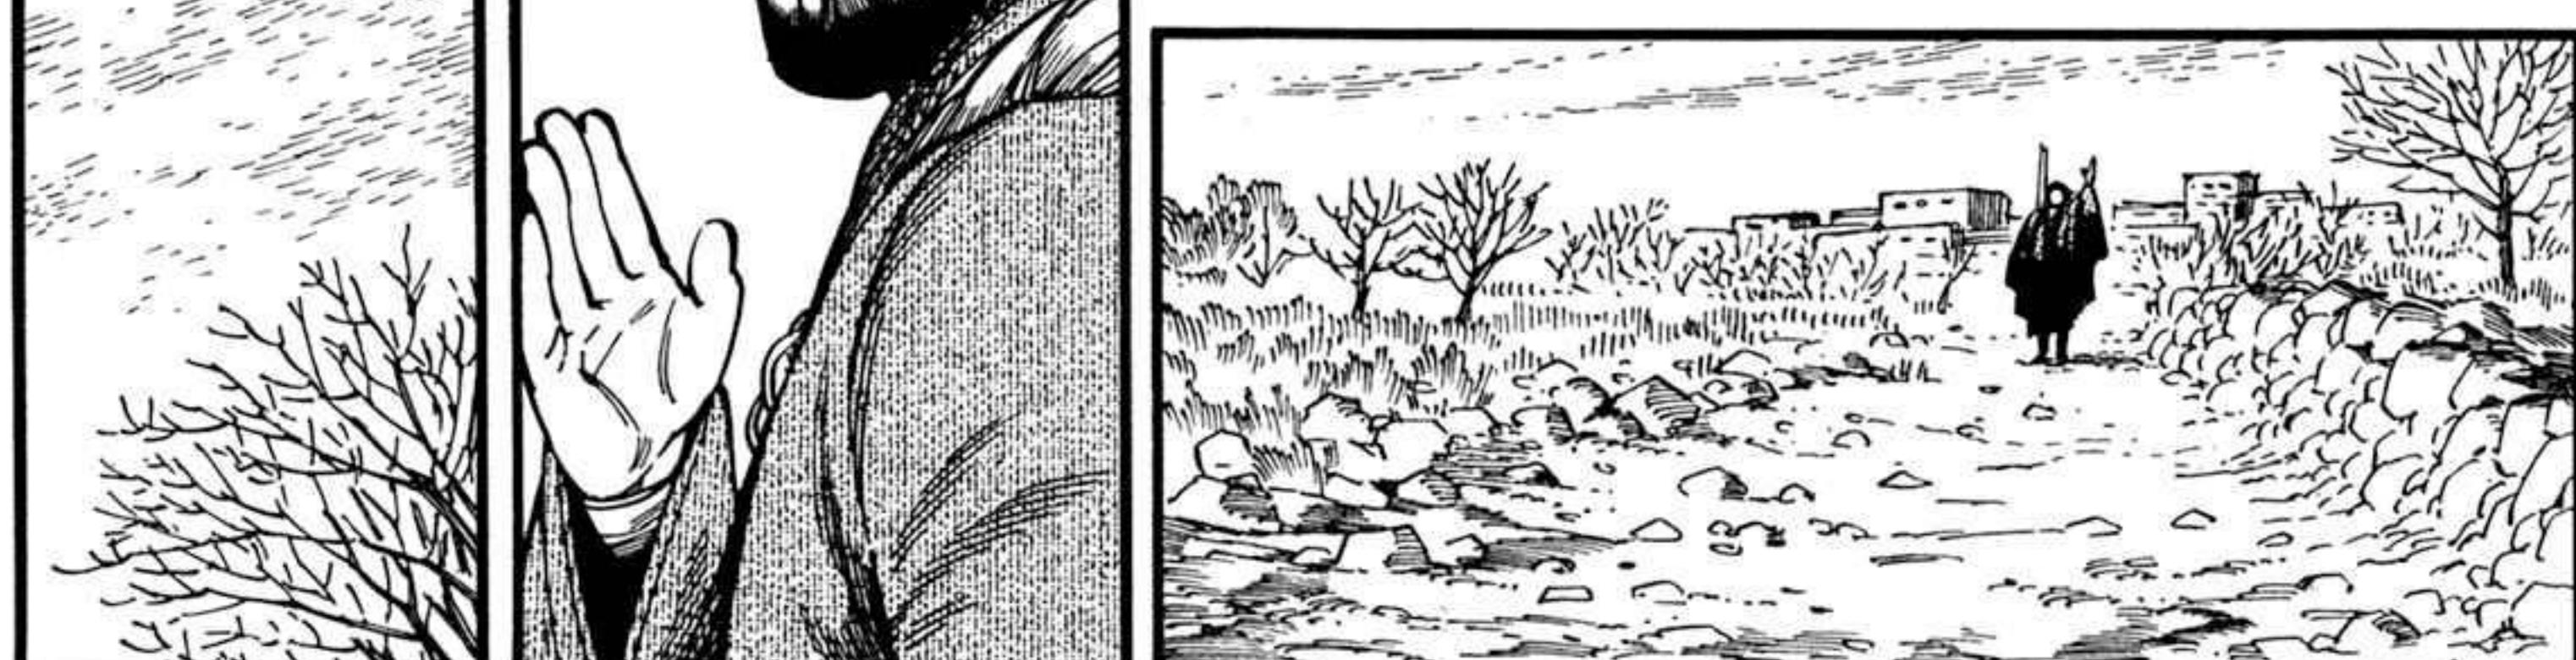

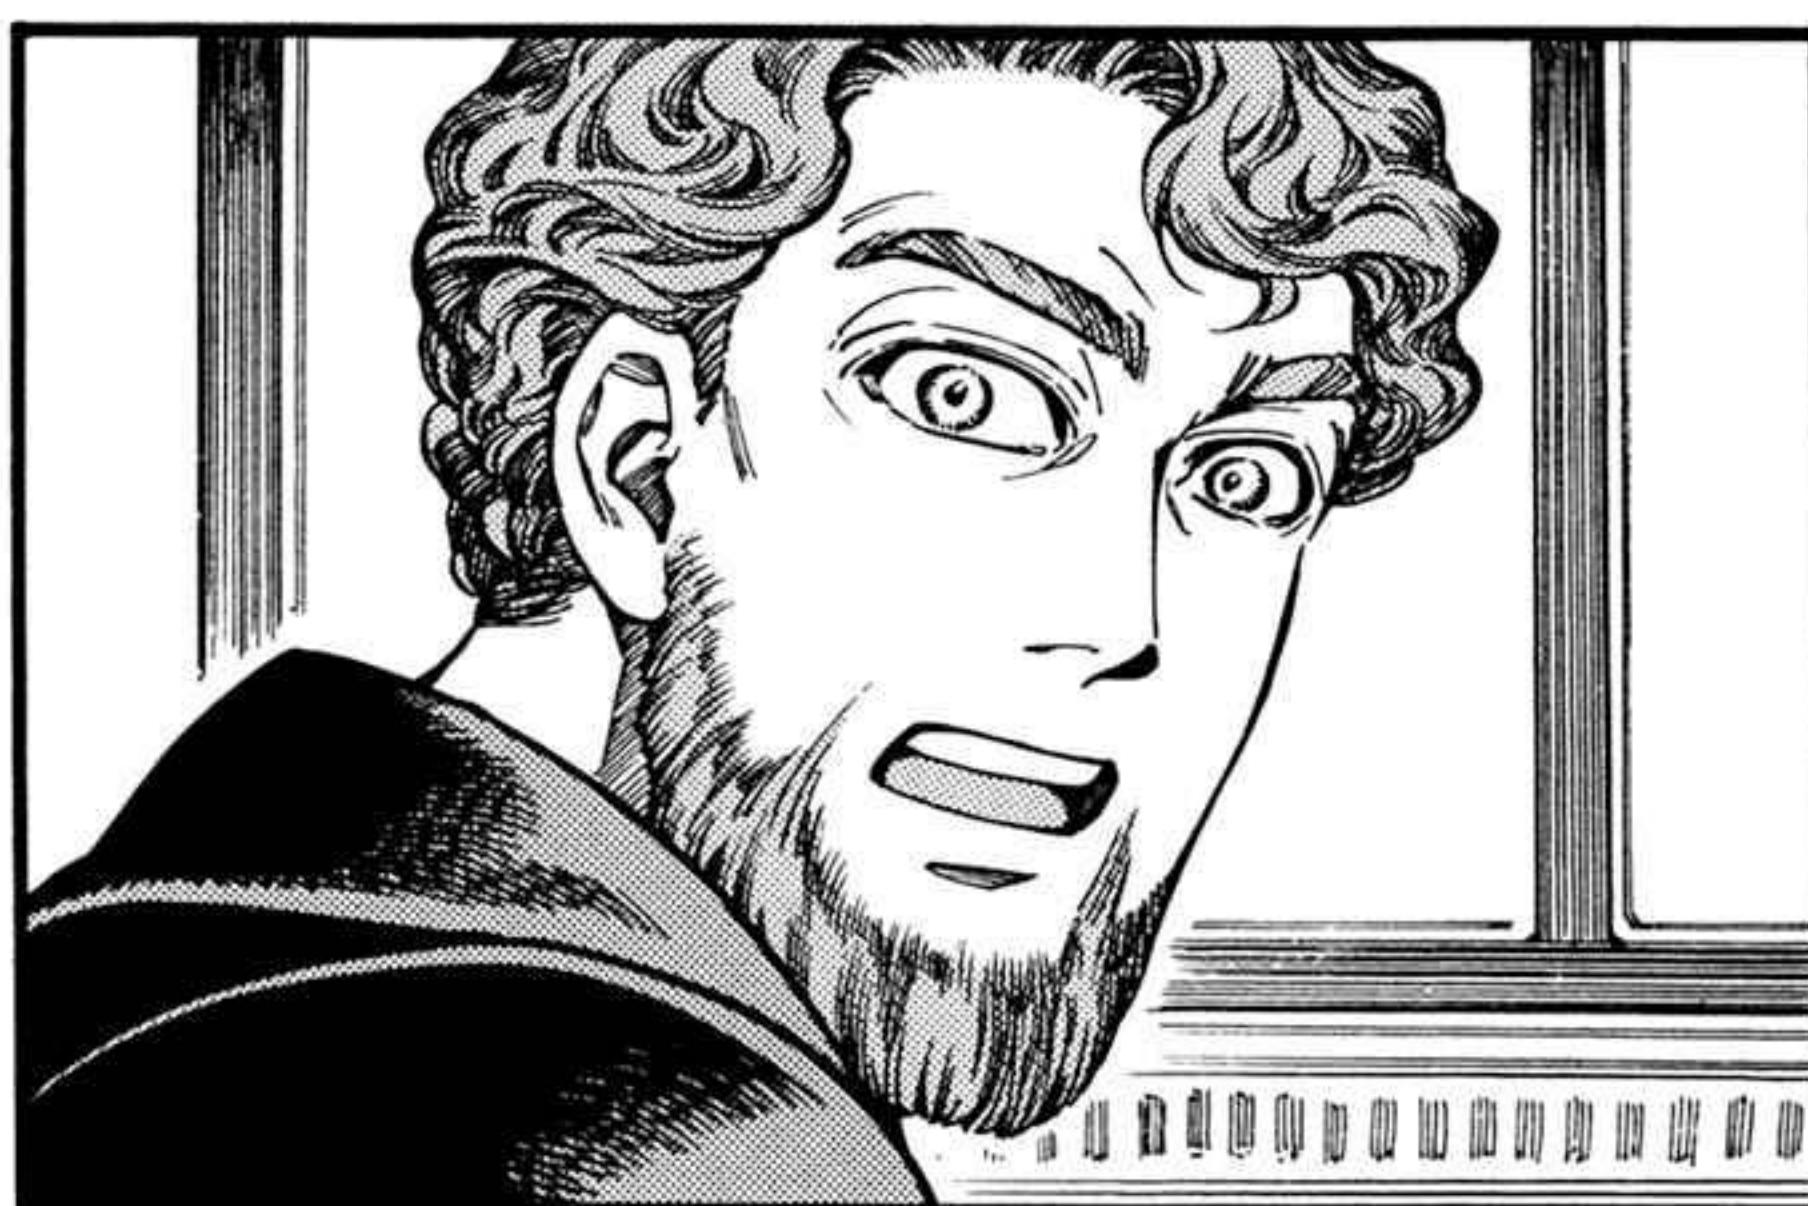

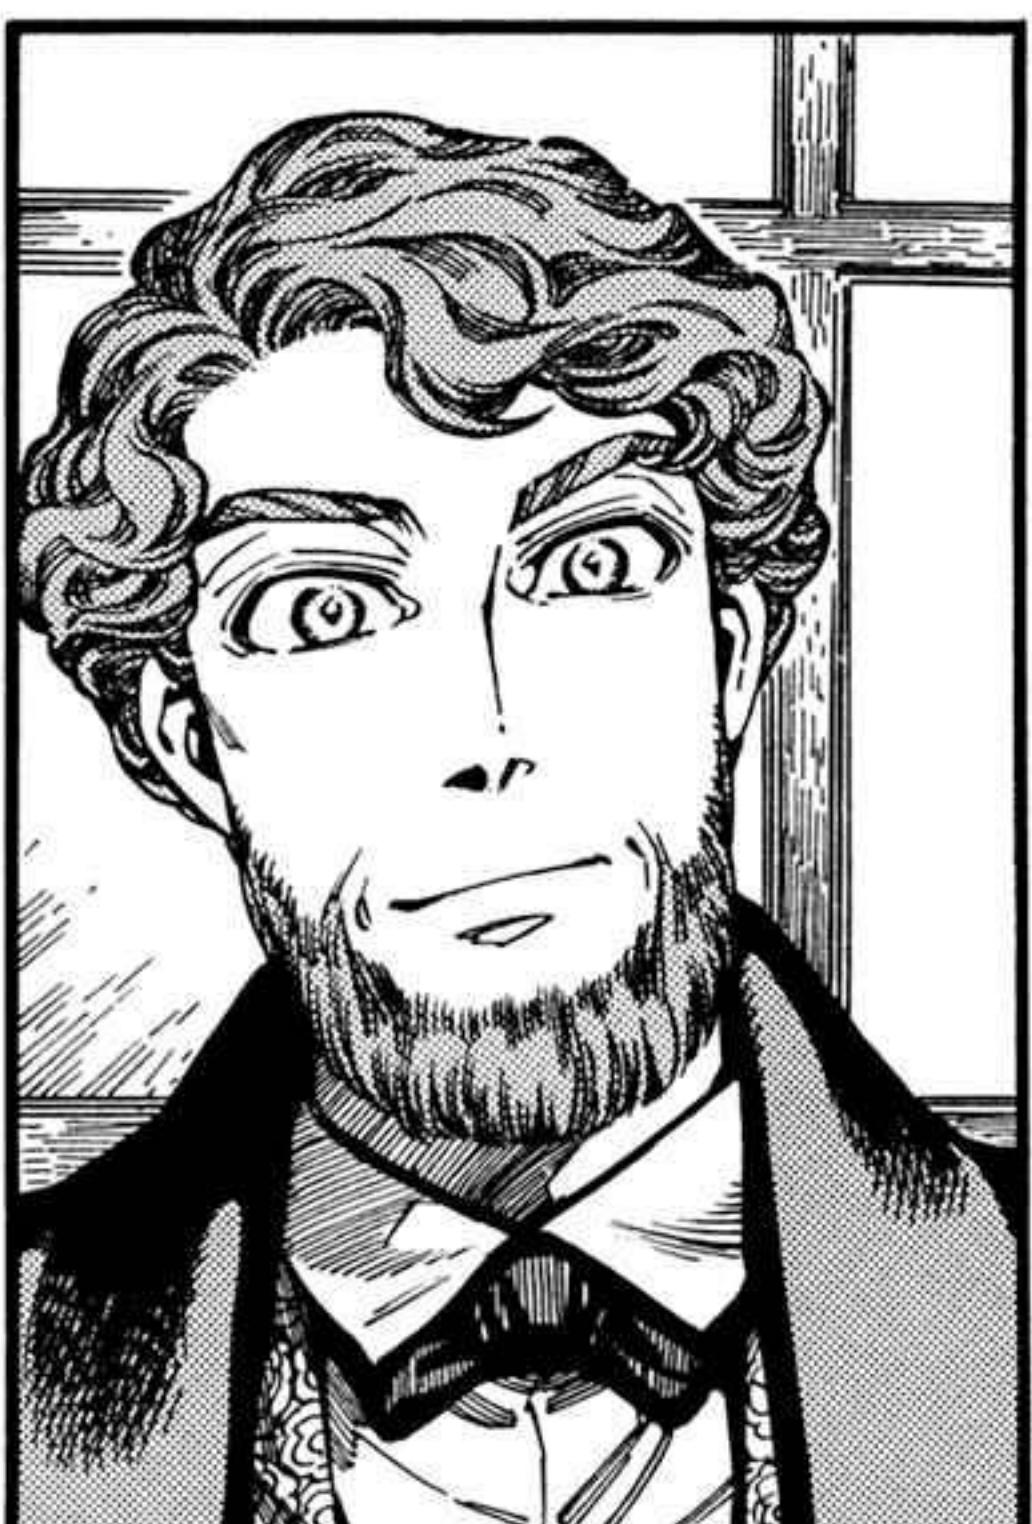

END

End????

OK... the Japanese says "End",
but it's obviously not actually ending.
For the second time in the series' history,
Otoyomegatari will be transferred to a new magazine.

So, the series won't resume publication until April 20th.
Even then, we can't release the chapter immediately after it comes out,
so we are looking at a good 4 months of no chapters.

About TSP

TSP is a group of hobbyists that translates Japanese manga to English simply because it's fun. Most of us are amateurs, none of us get paid, and we share our work for free.

If you want to know more about what we do, visit tsundere.services. If you wanna hang out, visit our Discord server: discord.gg/KNsjpUE
