By the light of
the moon, I fell
in love with
your simple,
poetic
elegance.

Never yielding
to the wind,
and never
surrendering
it's grasp on
the earth.

From our
First
Meeting, I
saw in you
a willow on
the bank,

It's not as if you can't go when it's not raining, is it?

But Maafe,

You know I promised..

C'mon, Miss..

Let's make a trip to the baths! Just a quick one..

You can go if you'd like, Maafe.

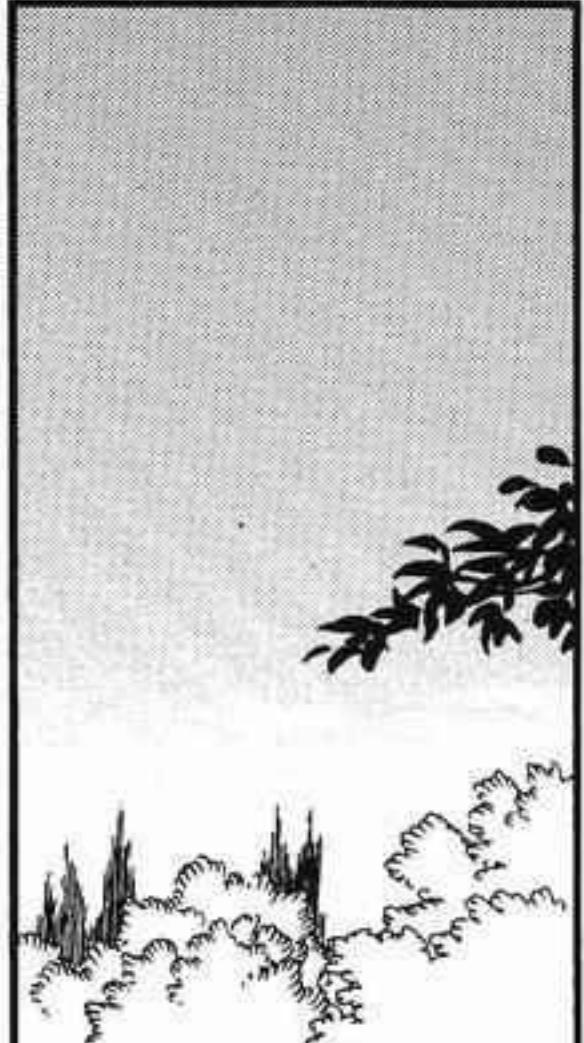

Now Miss, you wouldn't be trying to guilt me, would you?

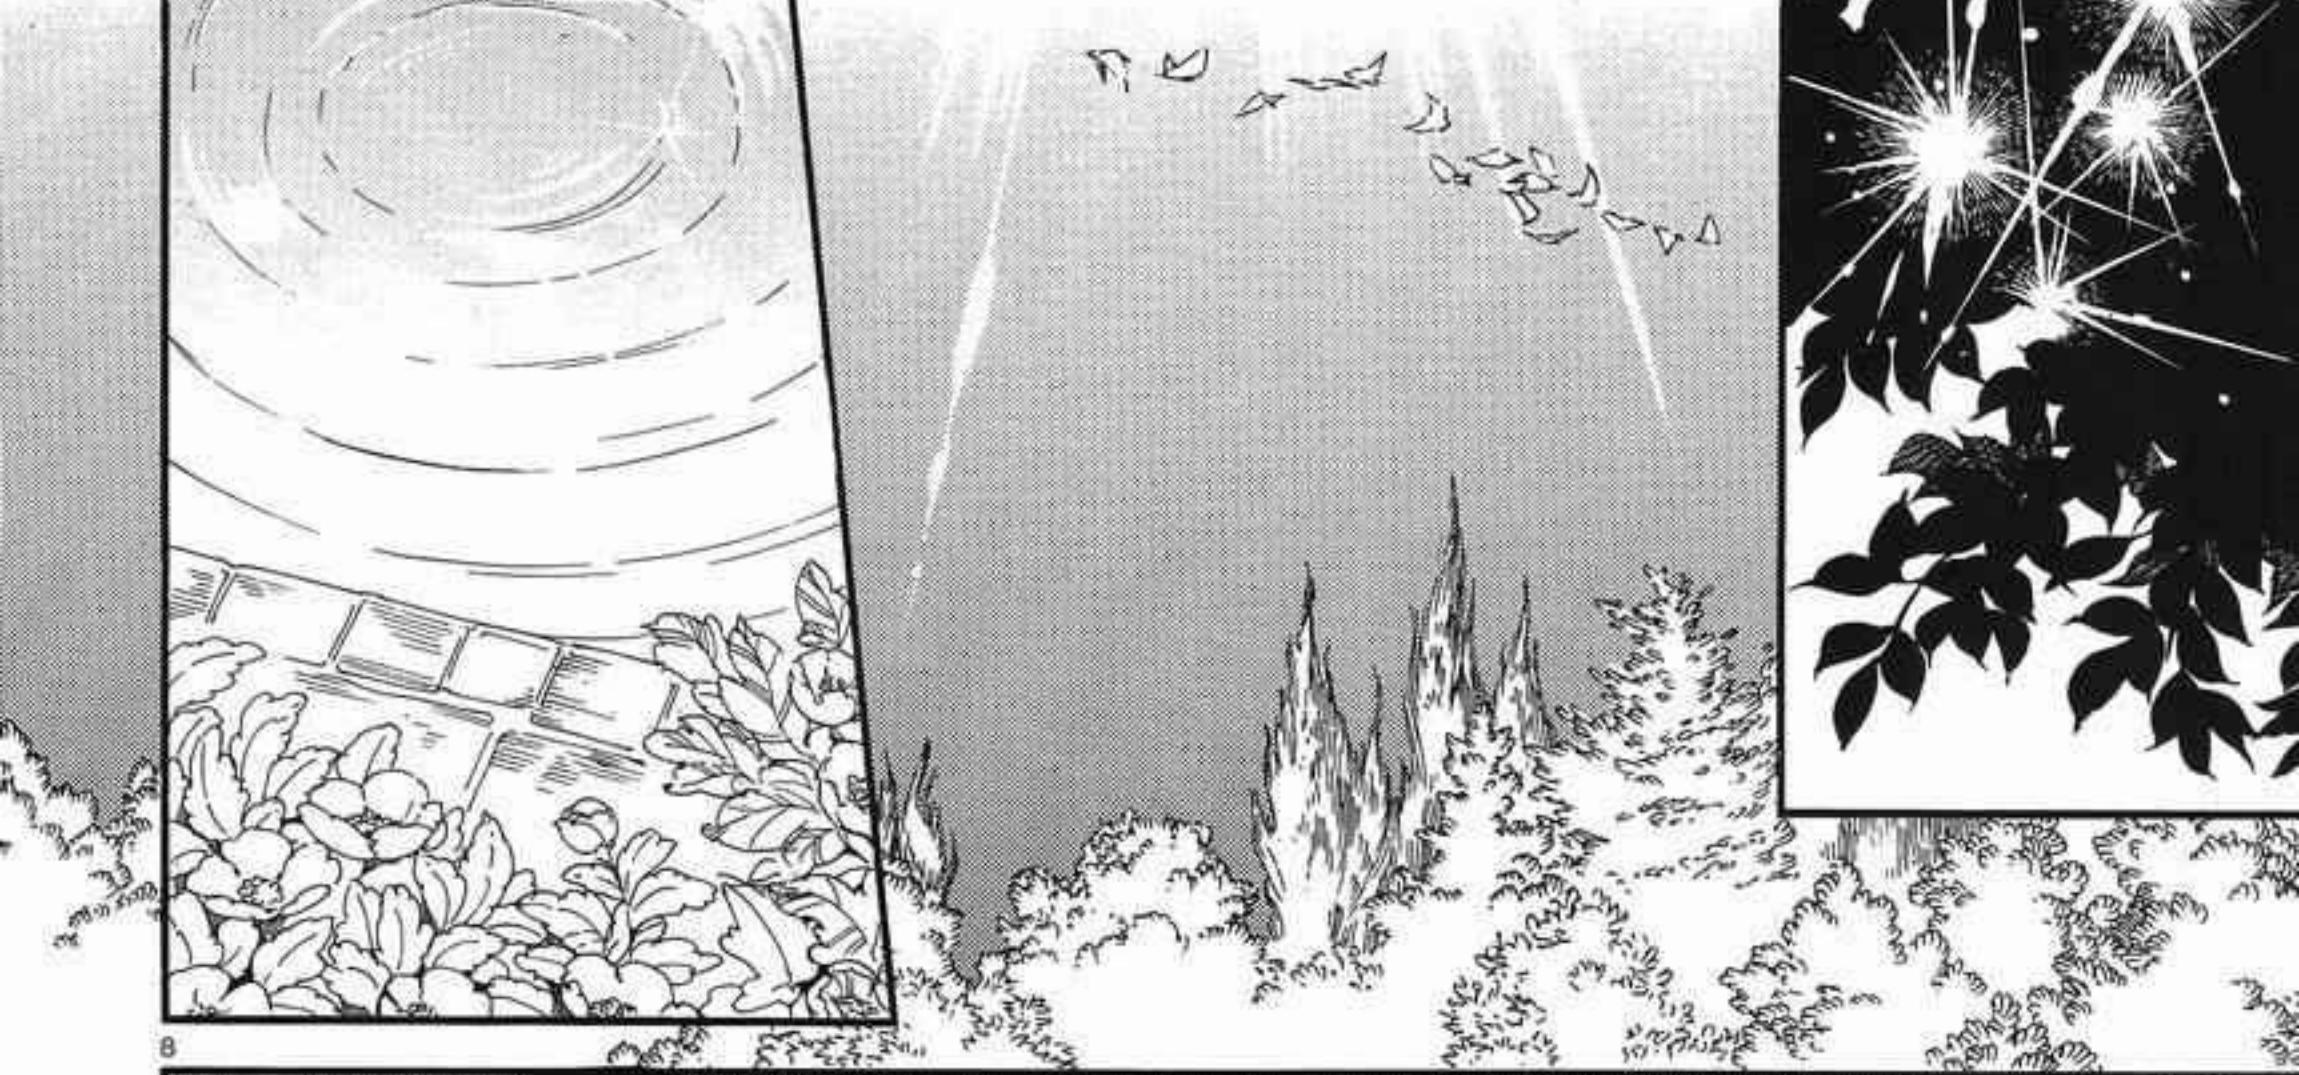

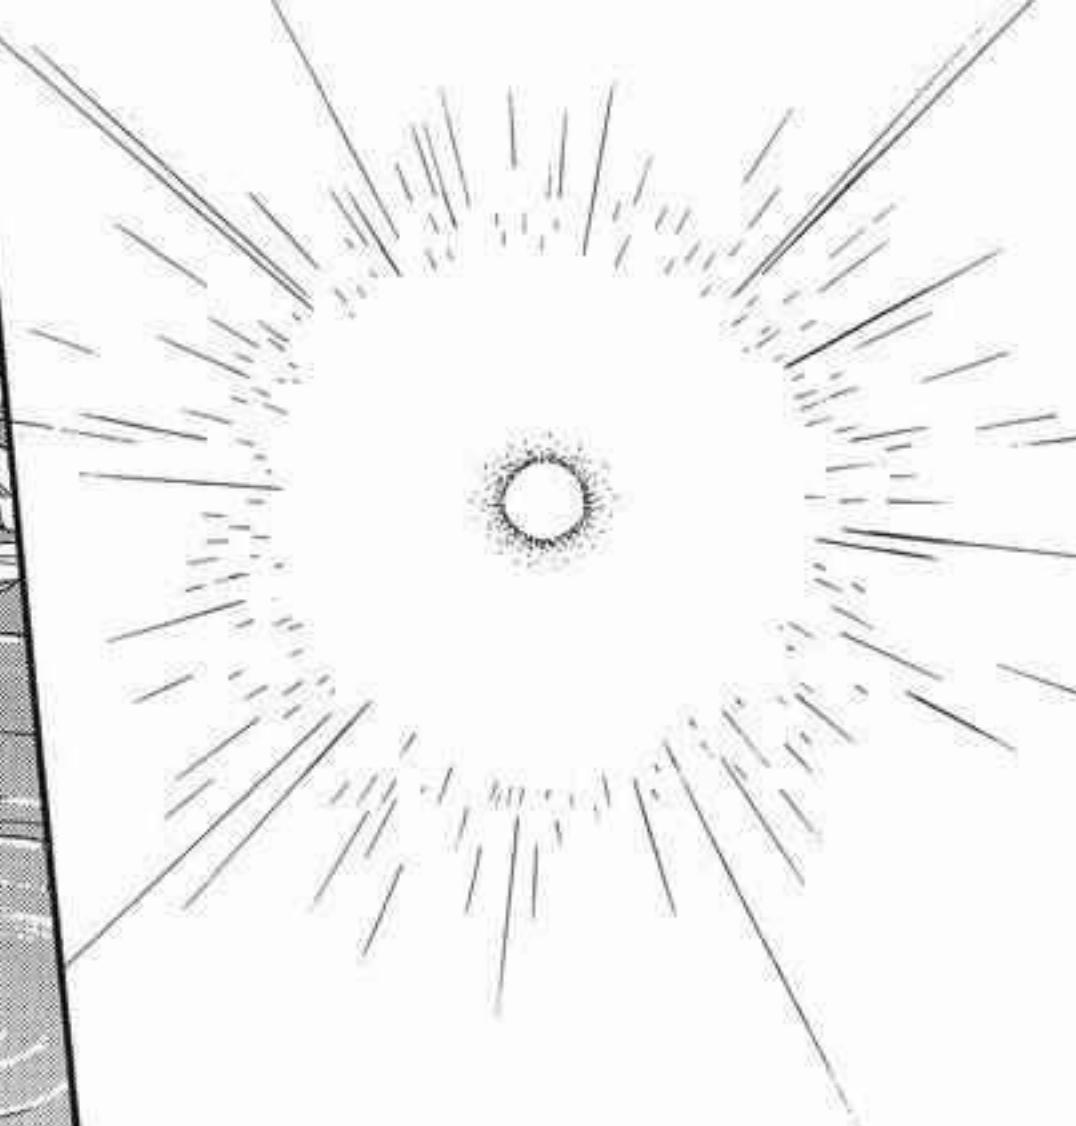

I'll find a nurse for the day to help me with Hassan.

I can't very well go by myself.

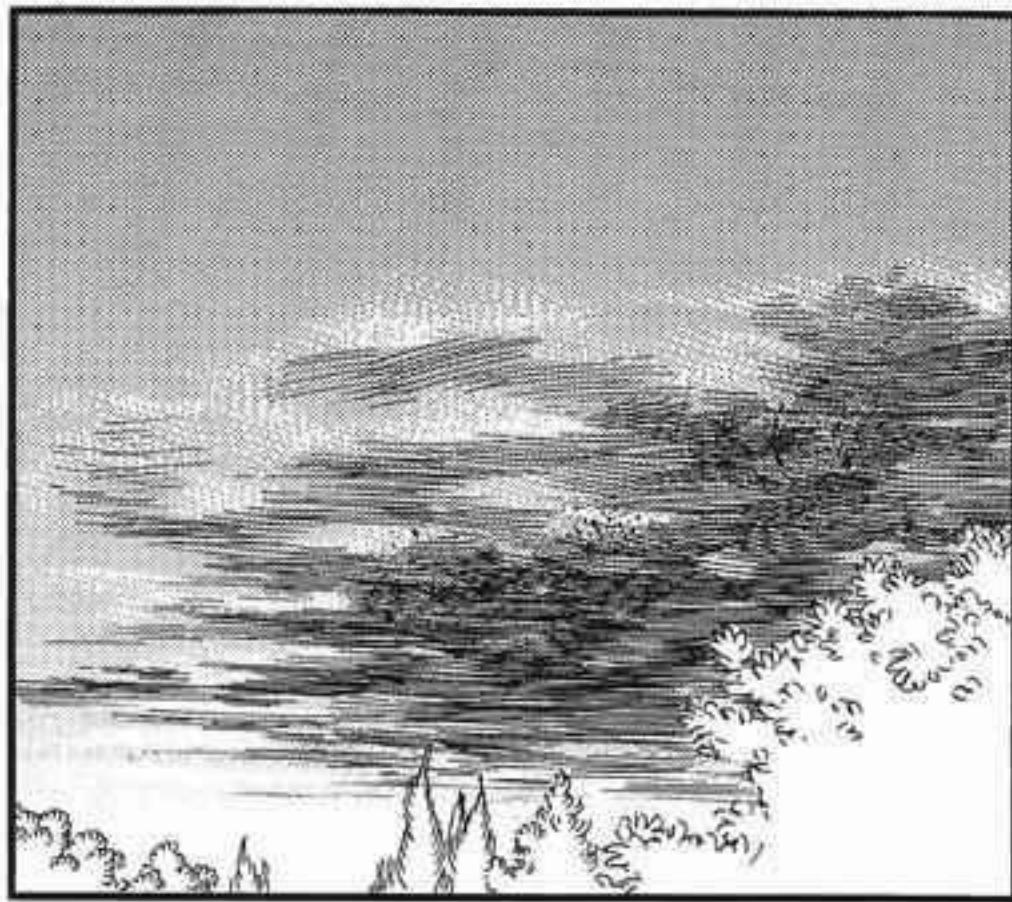

Come on, Miss, just a little visit..

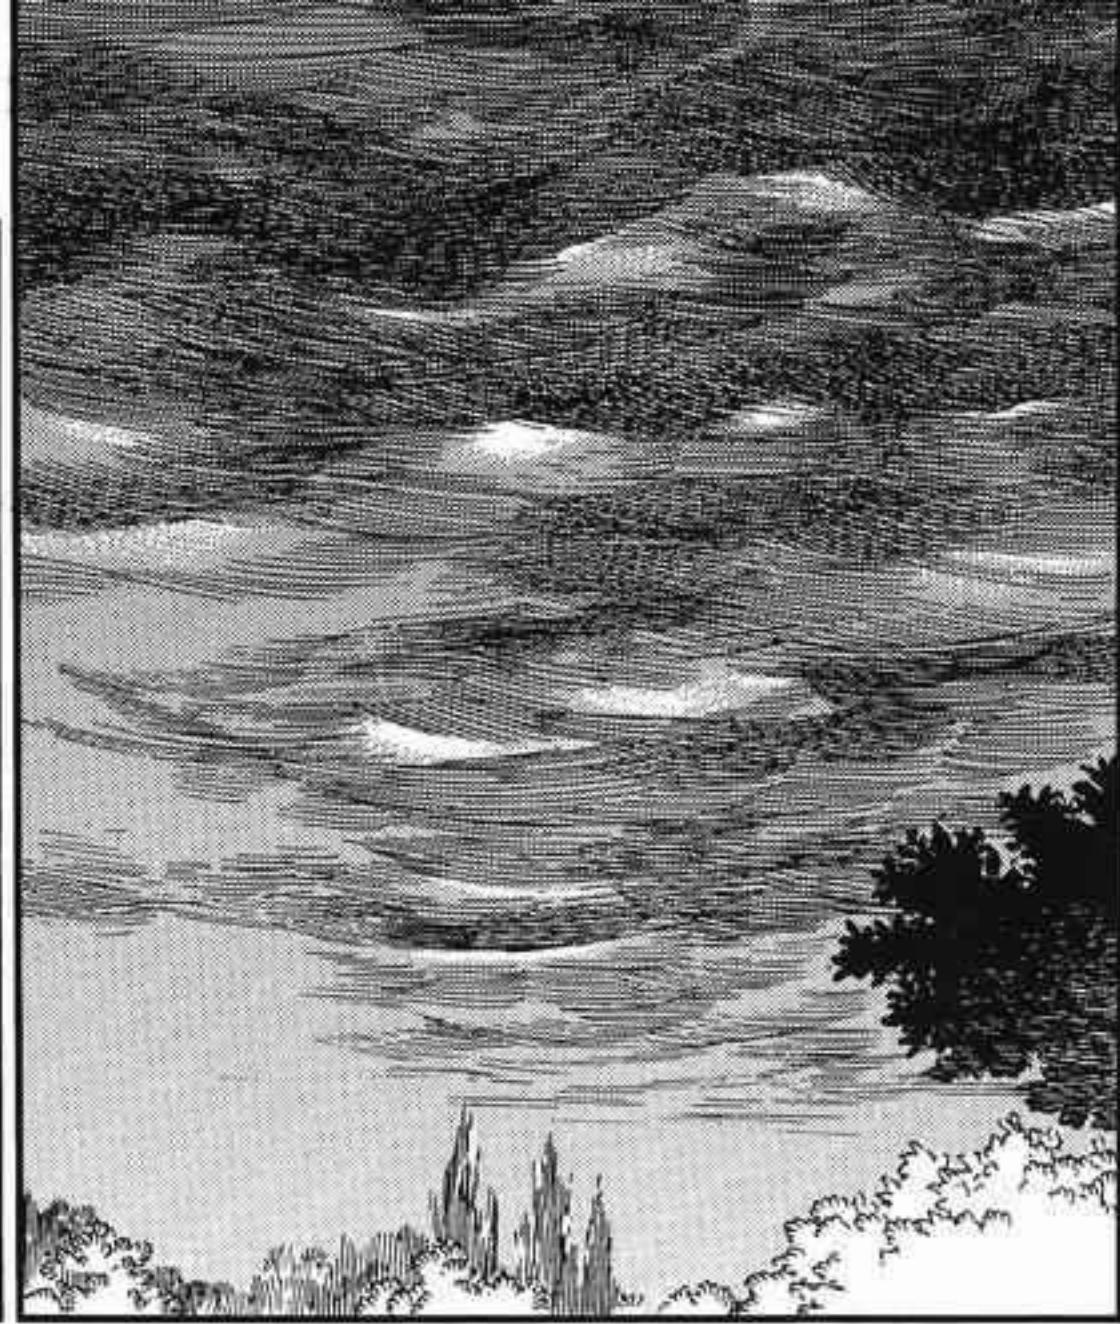

And leave you behind, now.

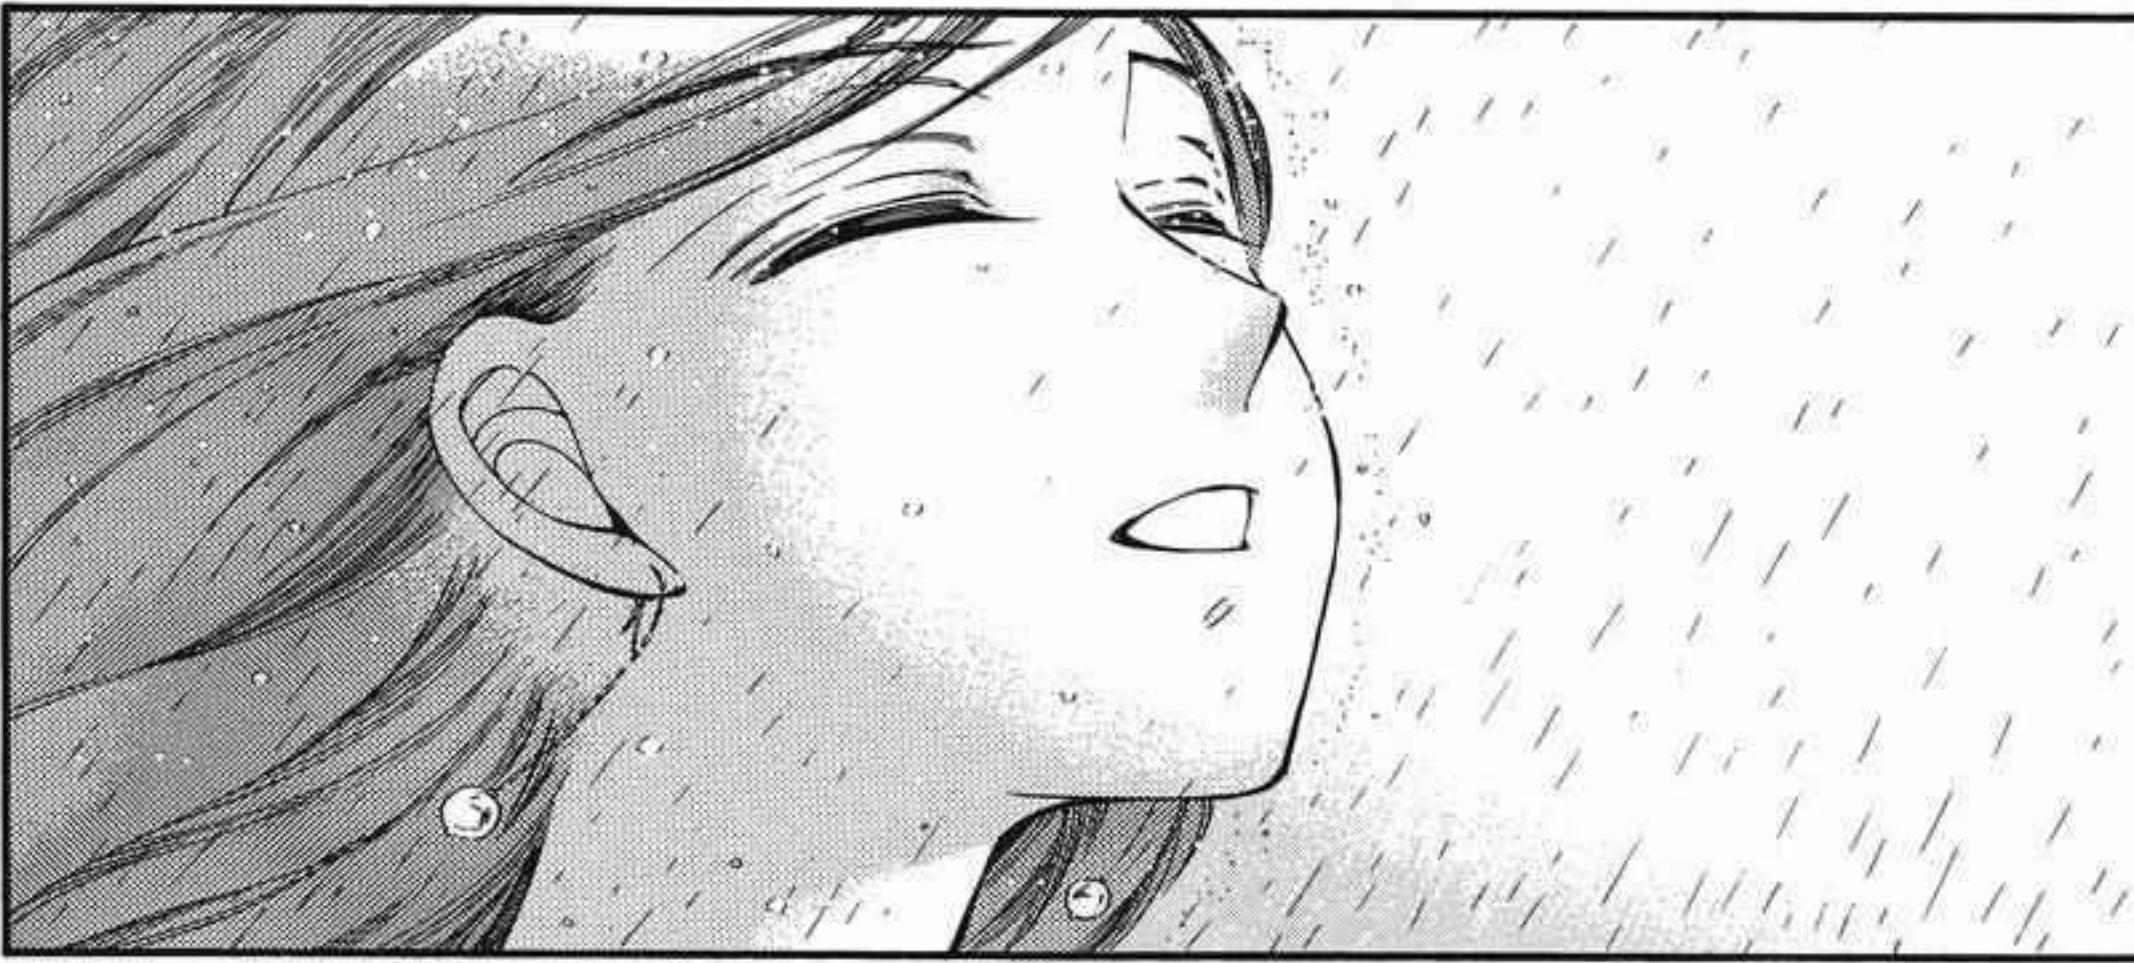

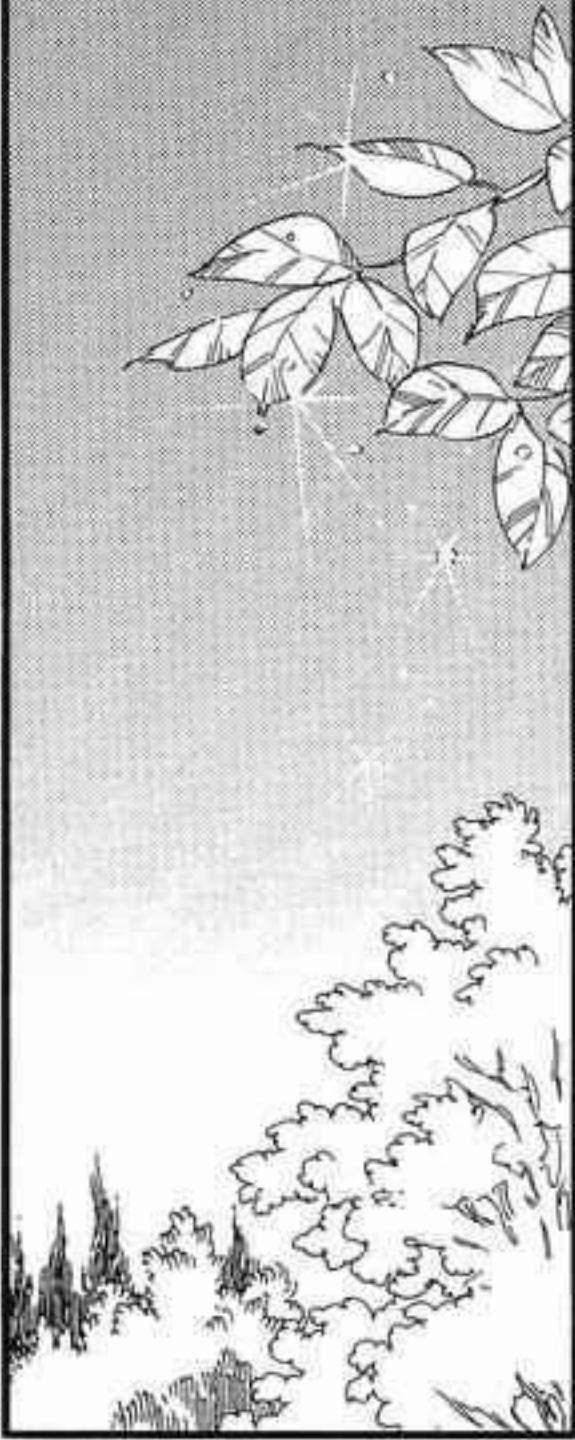

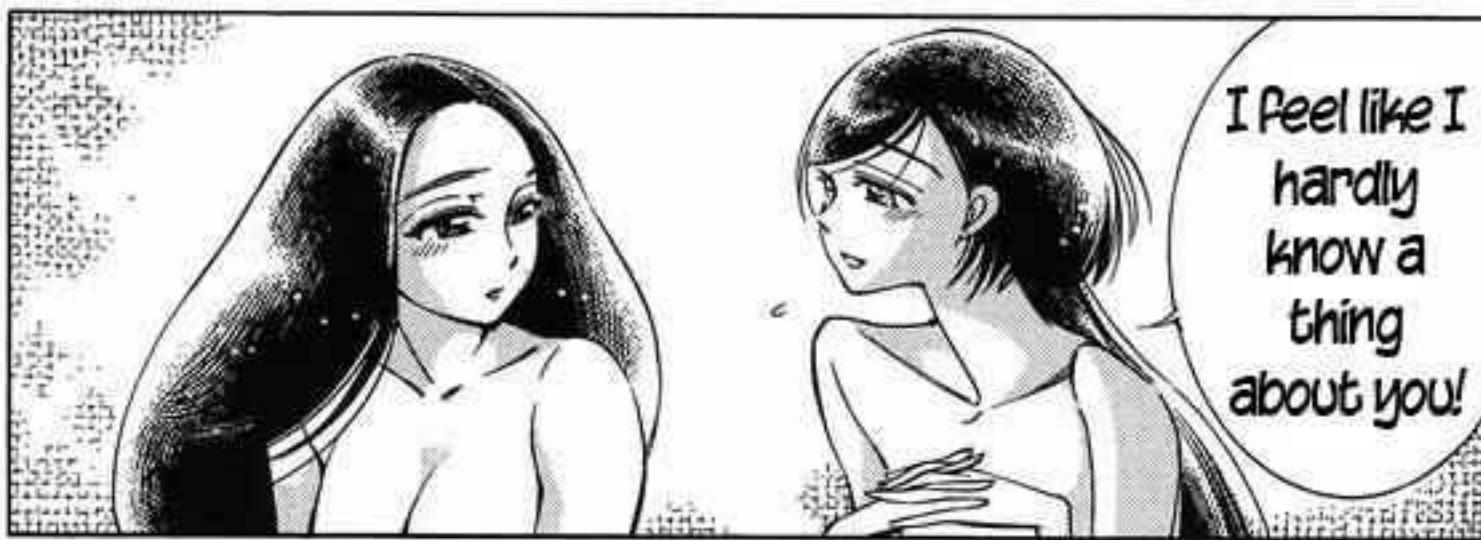

Water-melon.

The whole melon?!

All of it?!

I usually split them up with my family, so I can't always eat as much as I like,

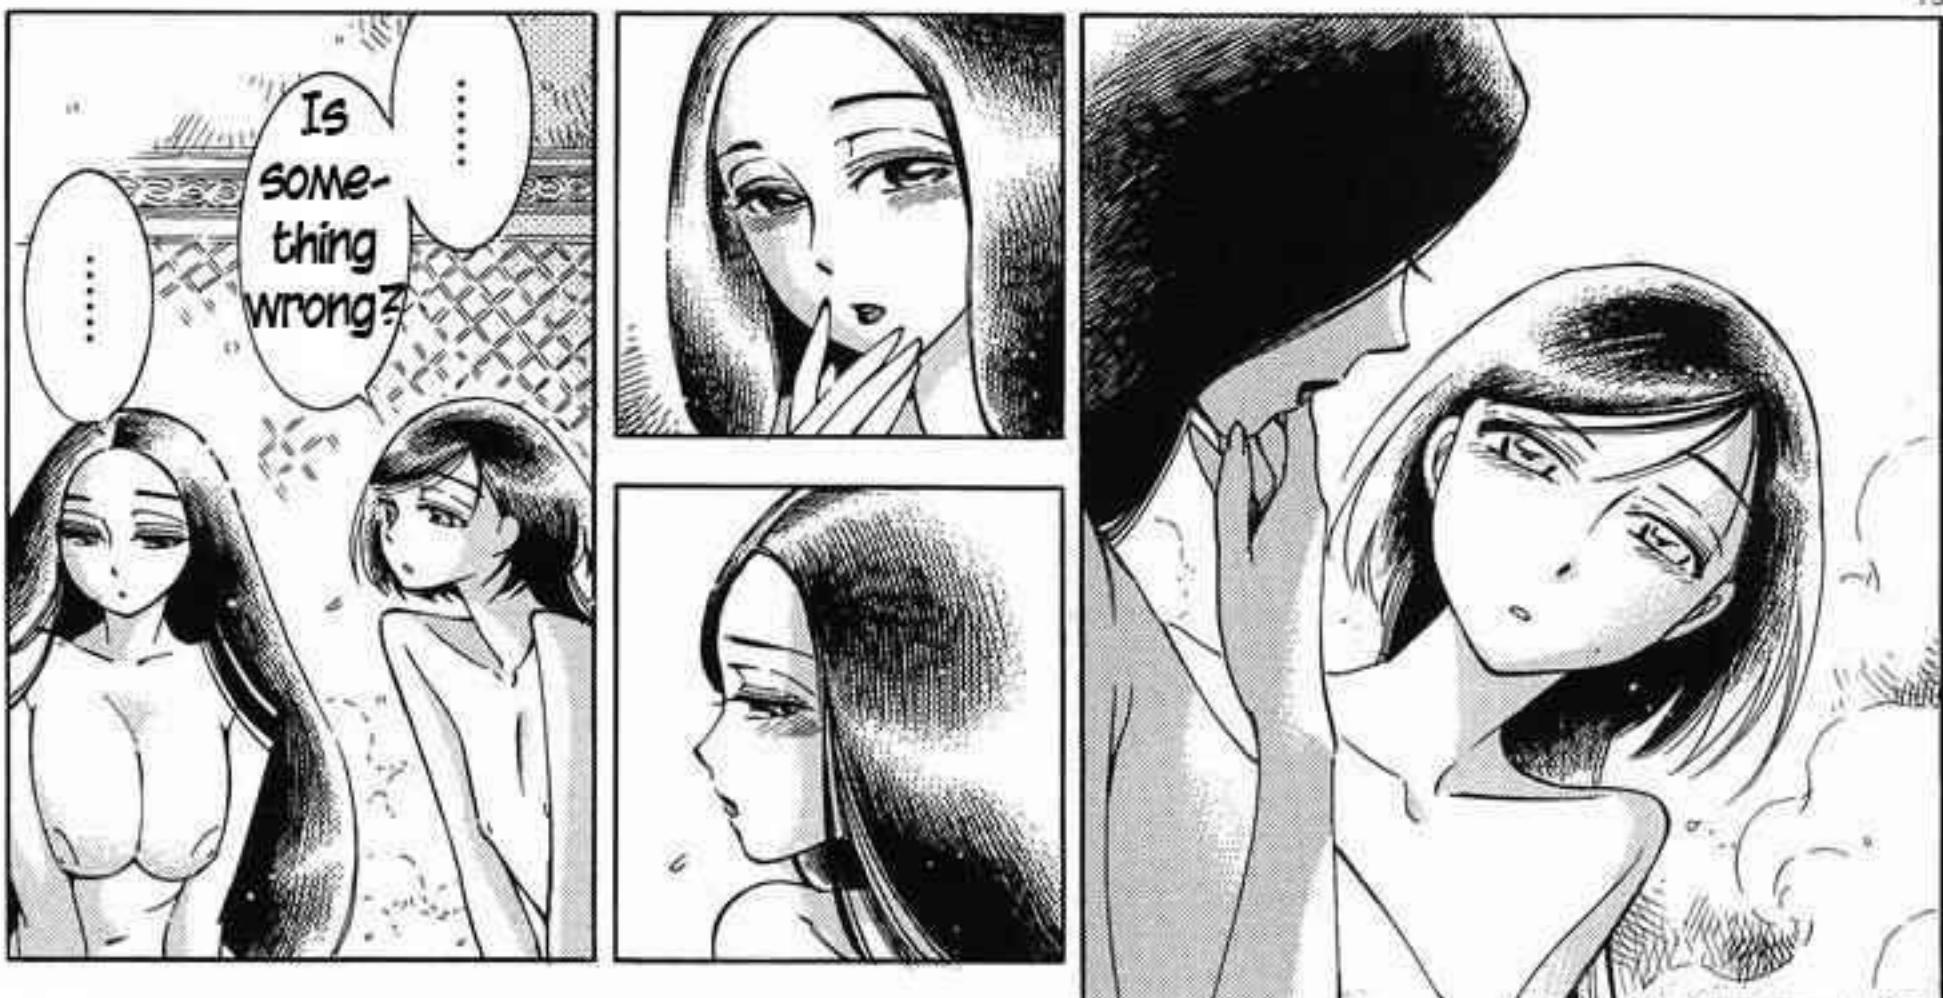

But sometimes..

That's amazing!

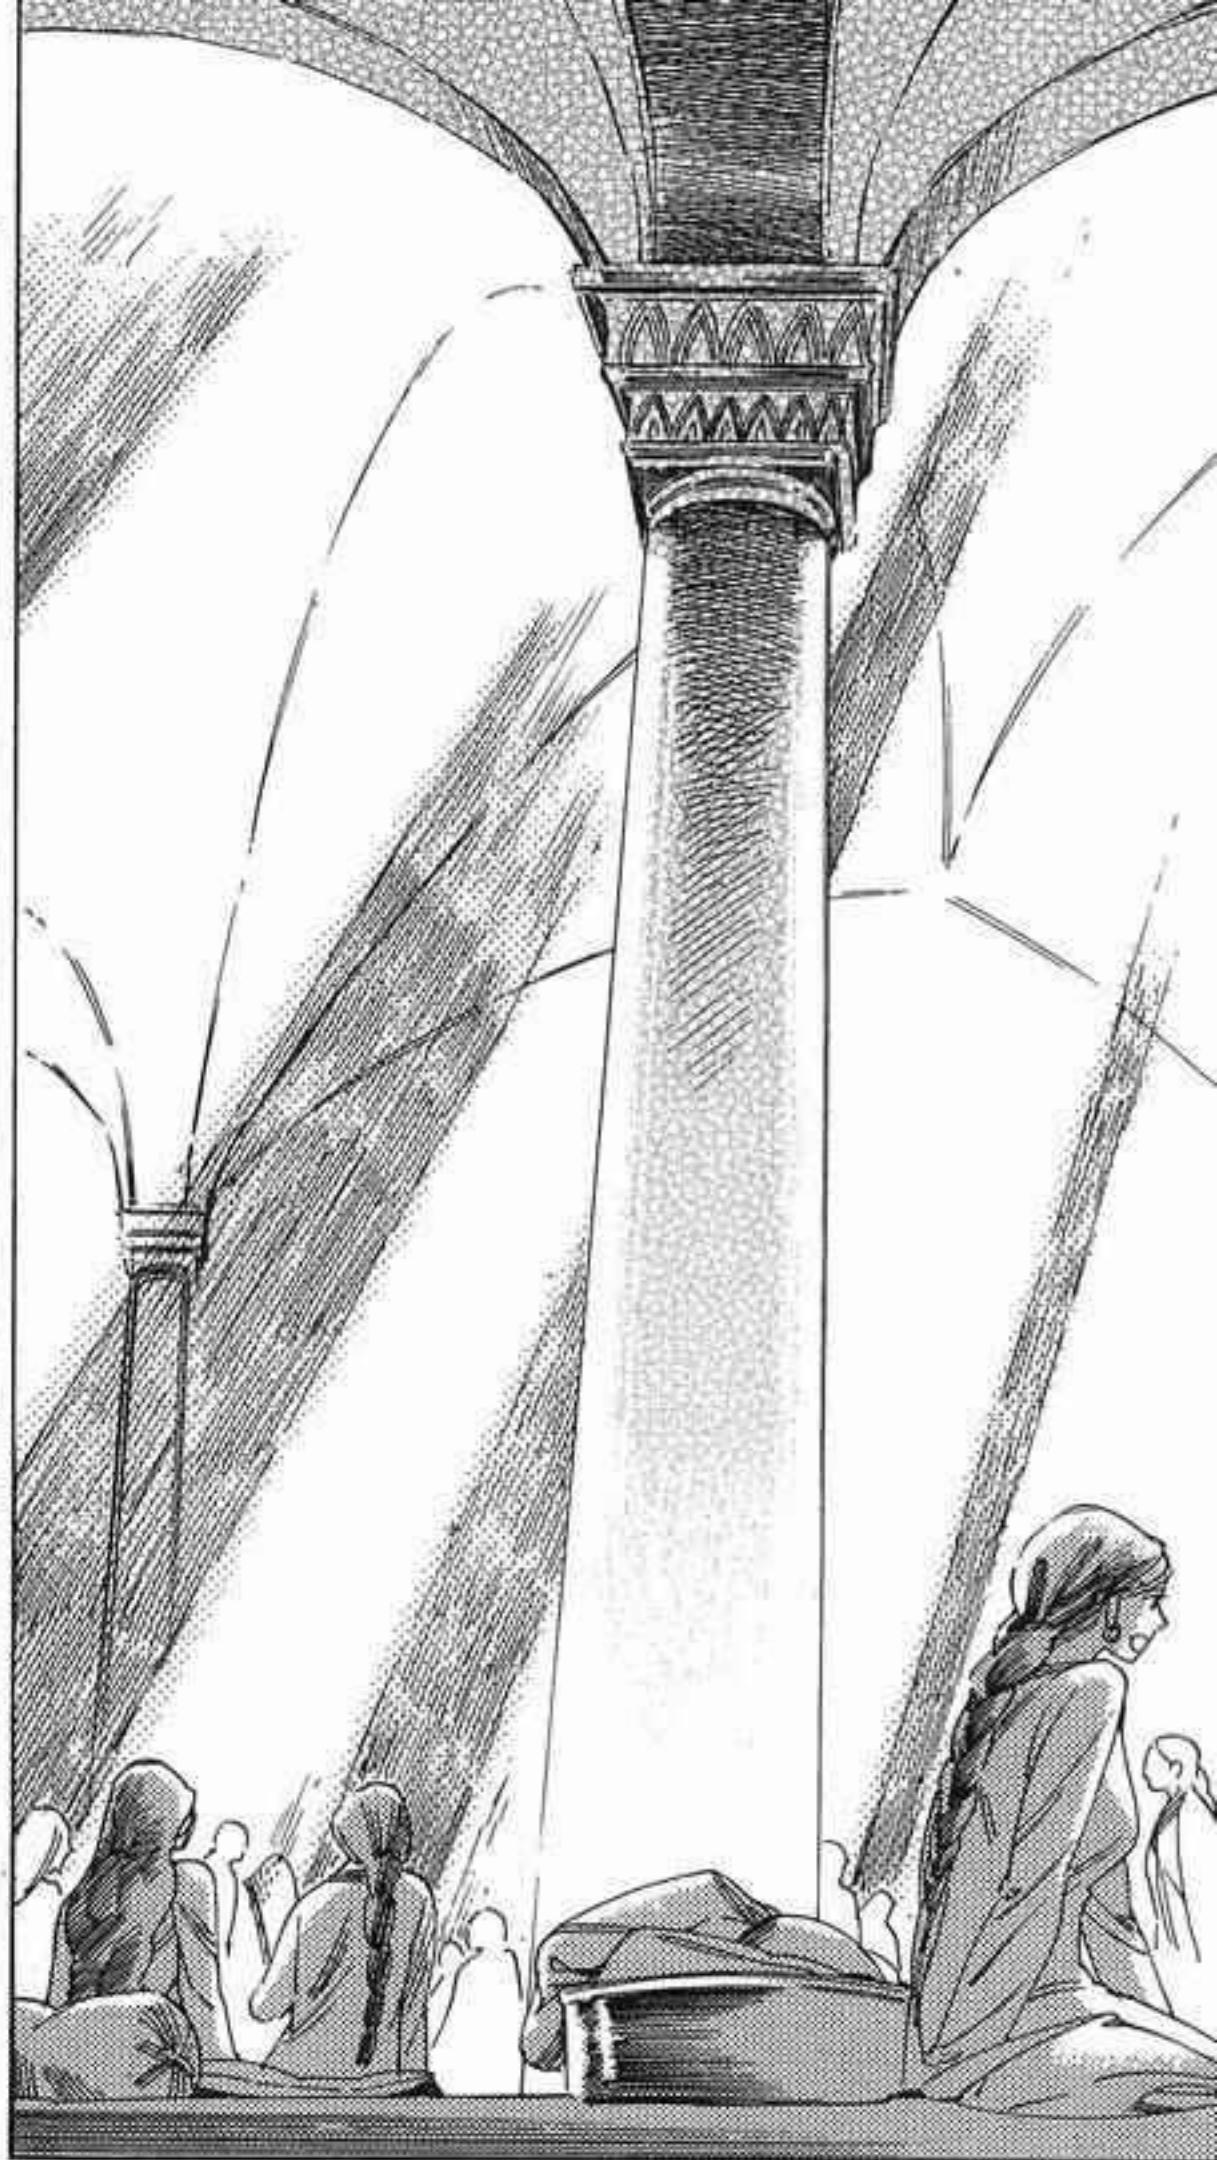

IF it's just me, I can even eat the whole thing myself

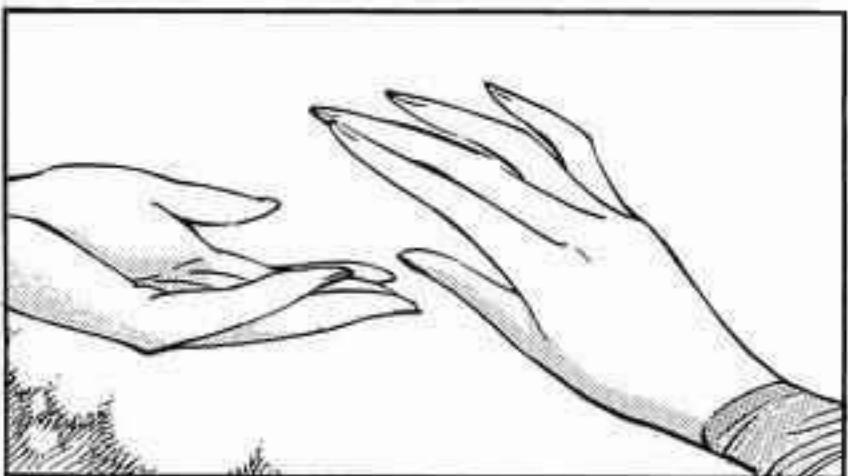

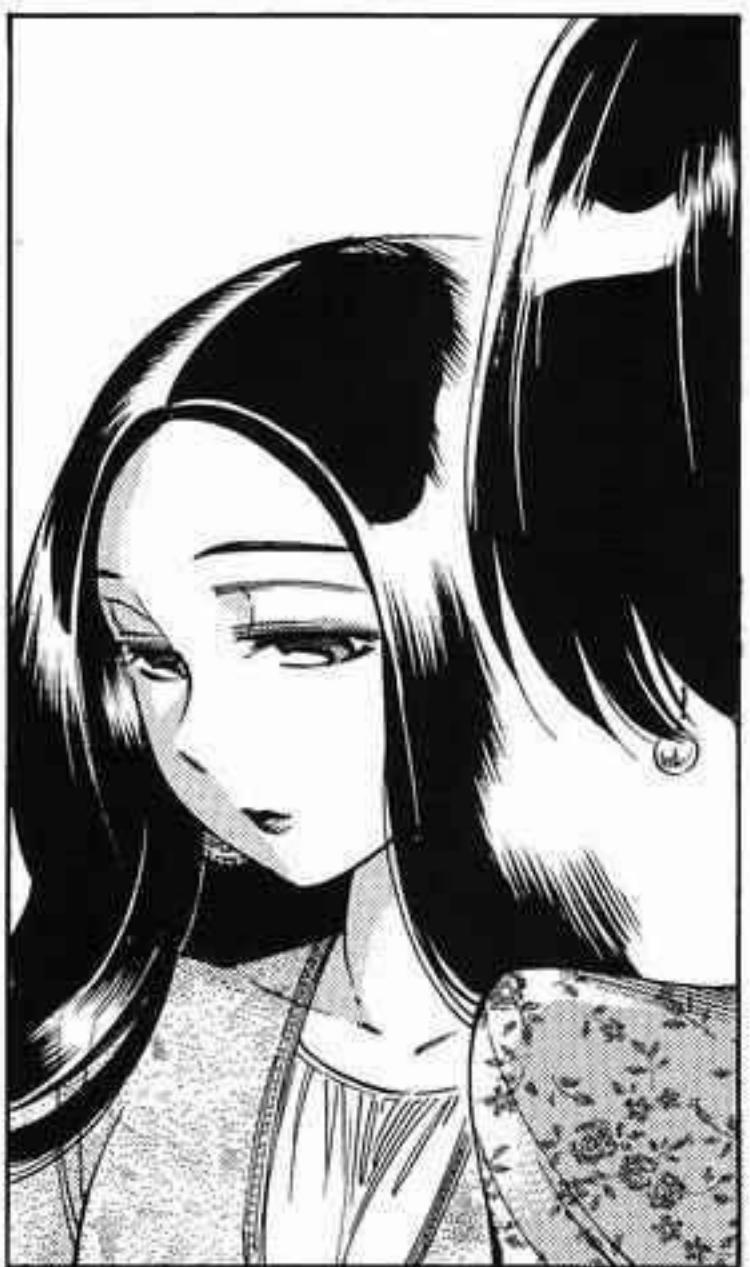

Shall we
come
again?
