

A black and white illustration featuring a woman in profile on the right, smoking a cigarette. She has long, dark hair and is wearing a textured, patterned garment. In the foreground, a man is sleeping peacefully, wearing headphones and a cap with the letters 'E.A.' on it. The background is a soft-focus landscape.

I just took all the
money I'd saved
up from working
part-time jobs,
and traveled
unknown lands
with no purpose
in mind...

It wasn't
anything
fancy, like a
"sentimental
journey."

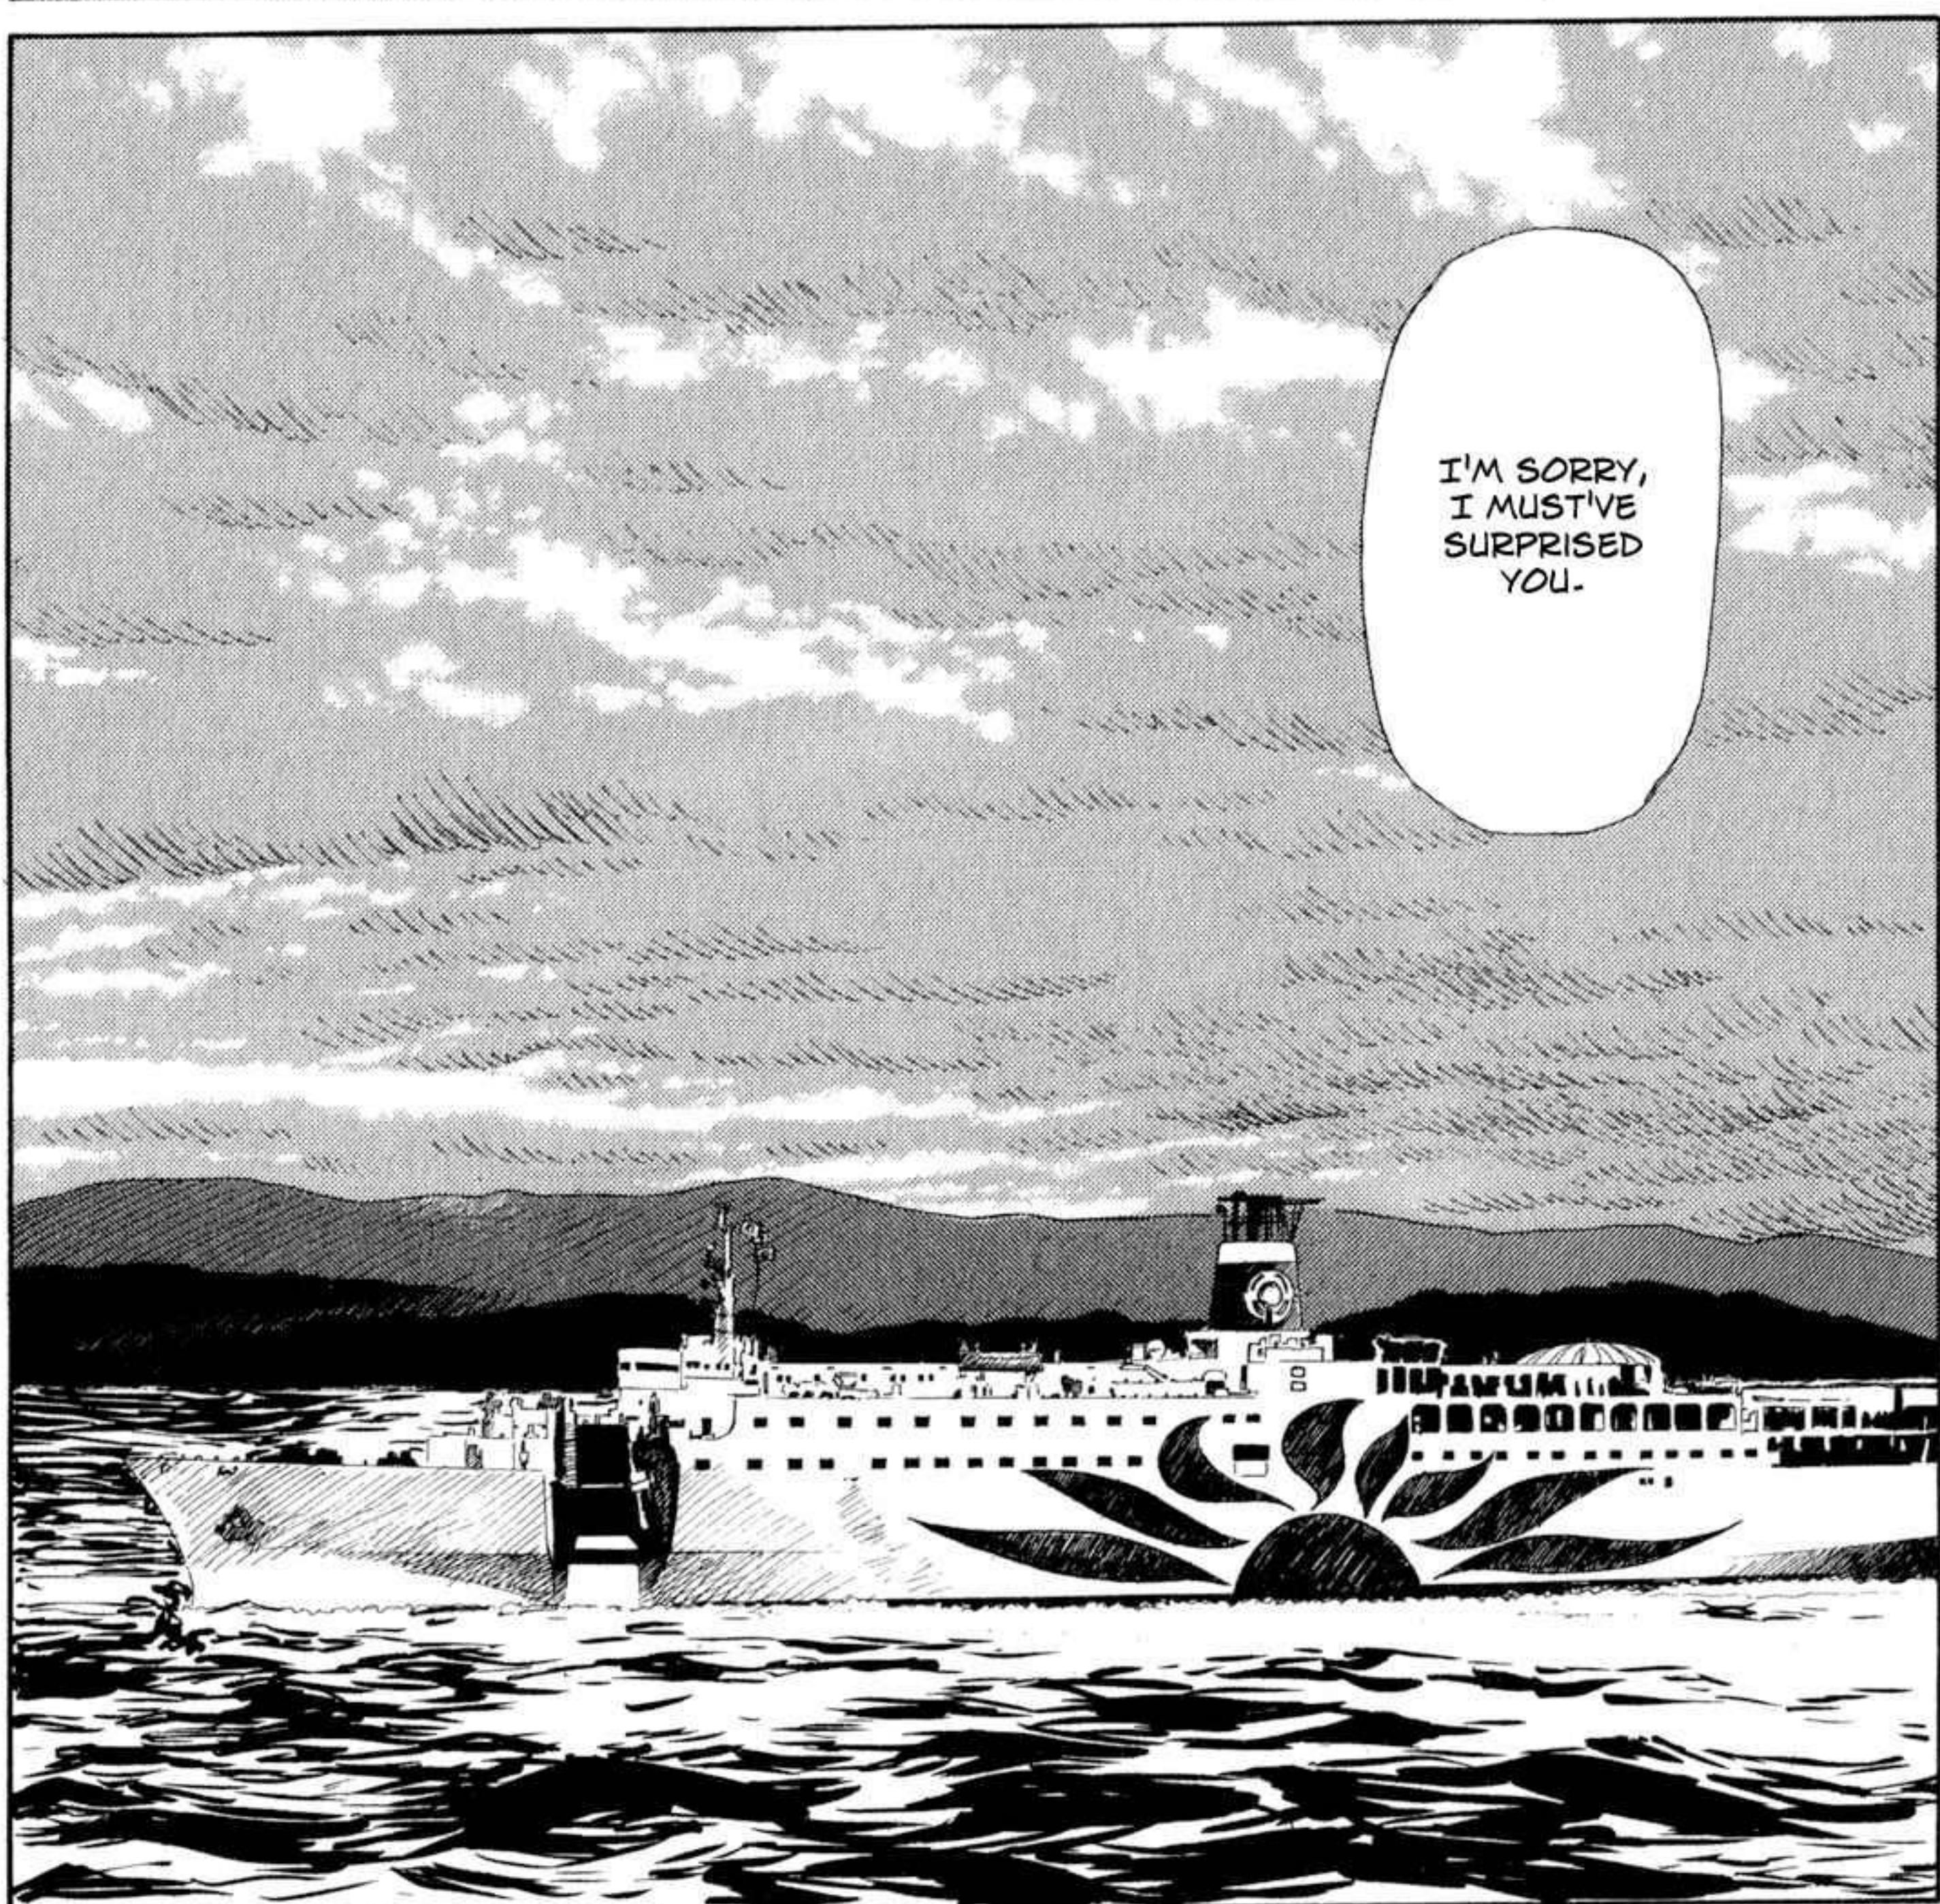

And once my
wallet began
to thin out,
I boarded
the ferry to
return home.
