Winter is
the season
for eagle-
hunting.

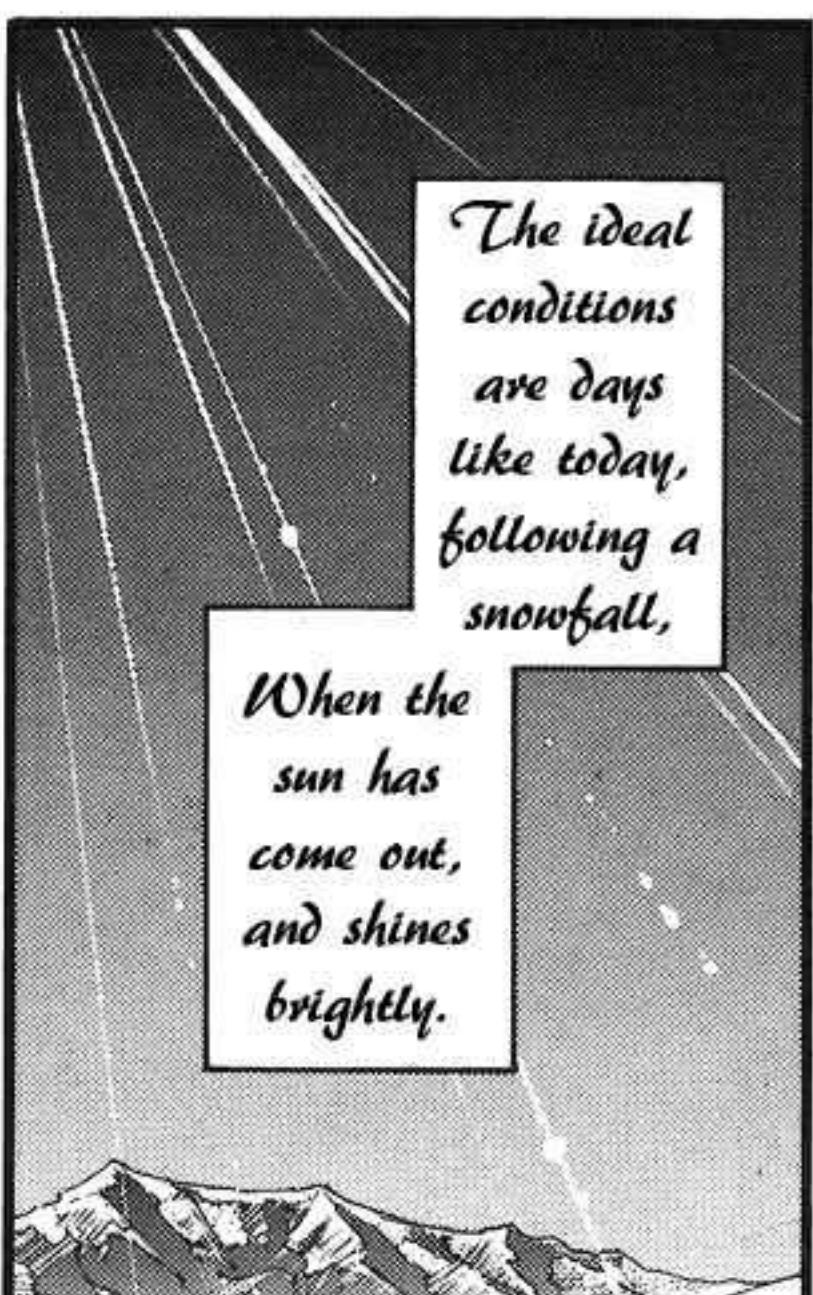

Which buoy
the eagle's
flight,
helping
them to
soar higher
and further.

And the
warm air,
heated by
the sun,
forms
thermal
currents,

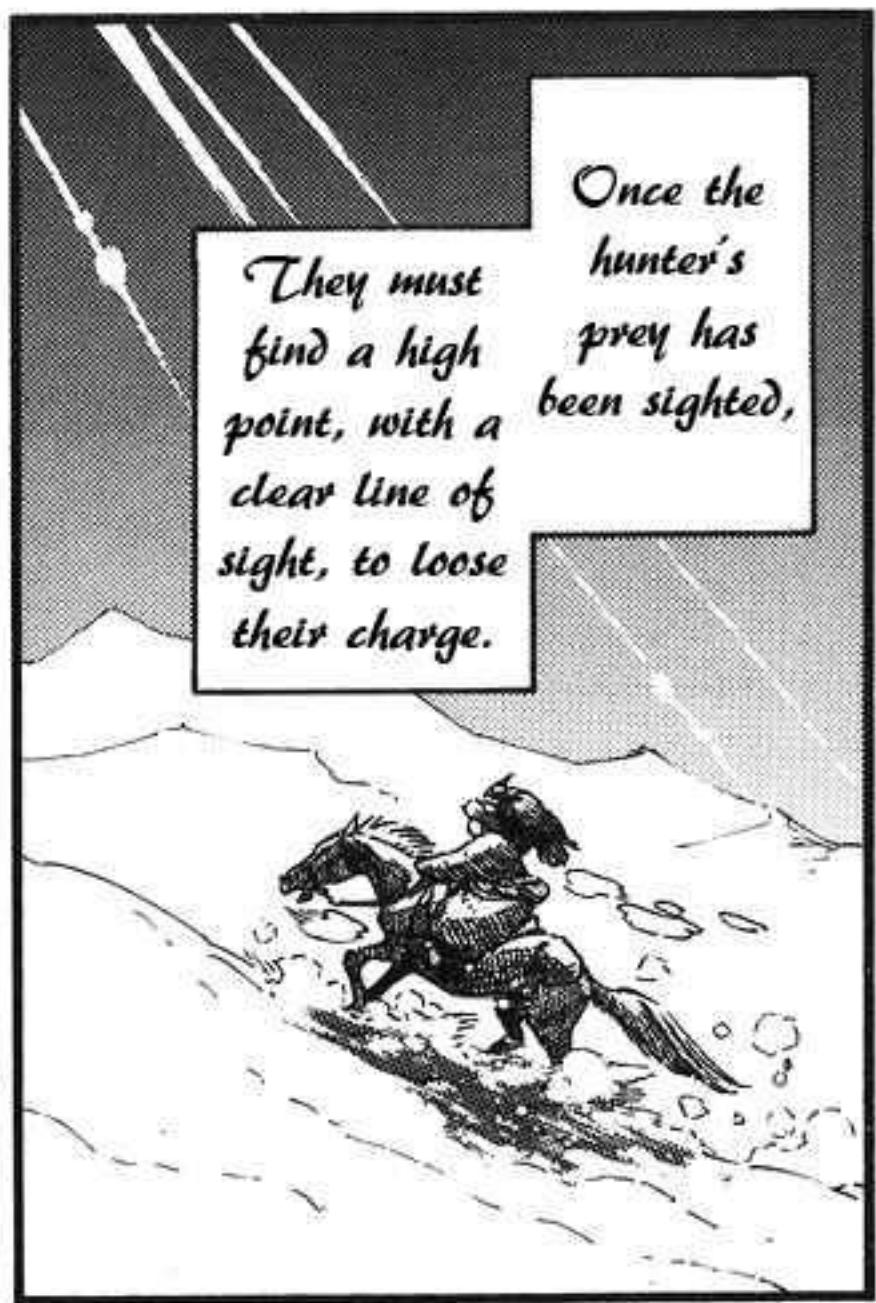

Fresh
tracks in the
virgin snow
are readily
visible from
above,

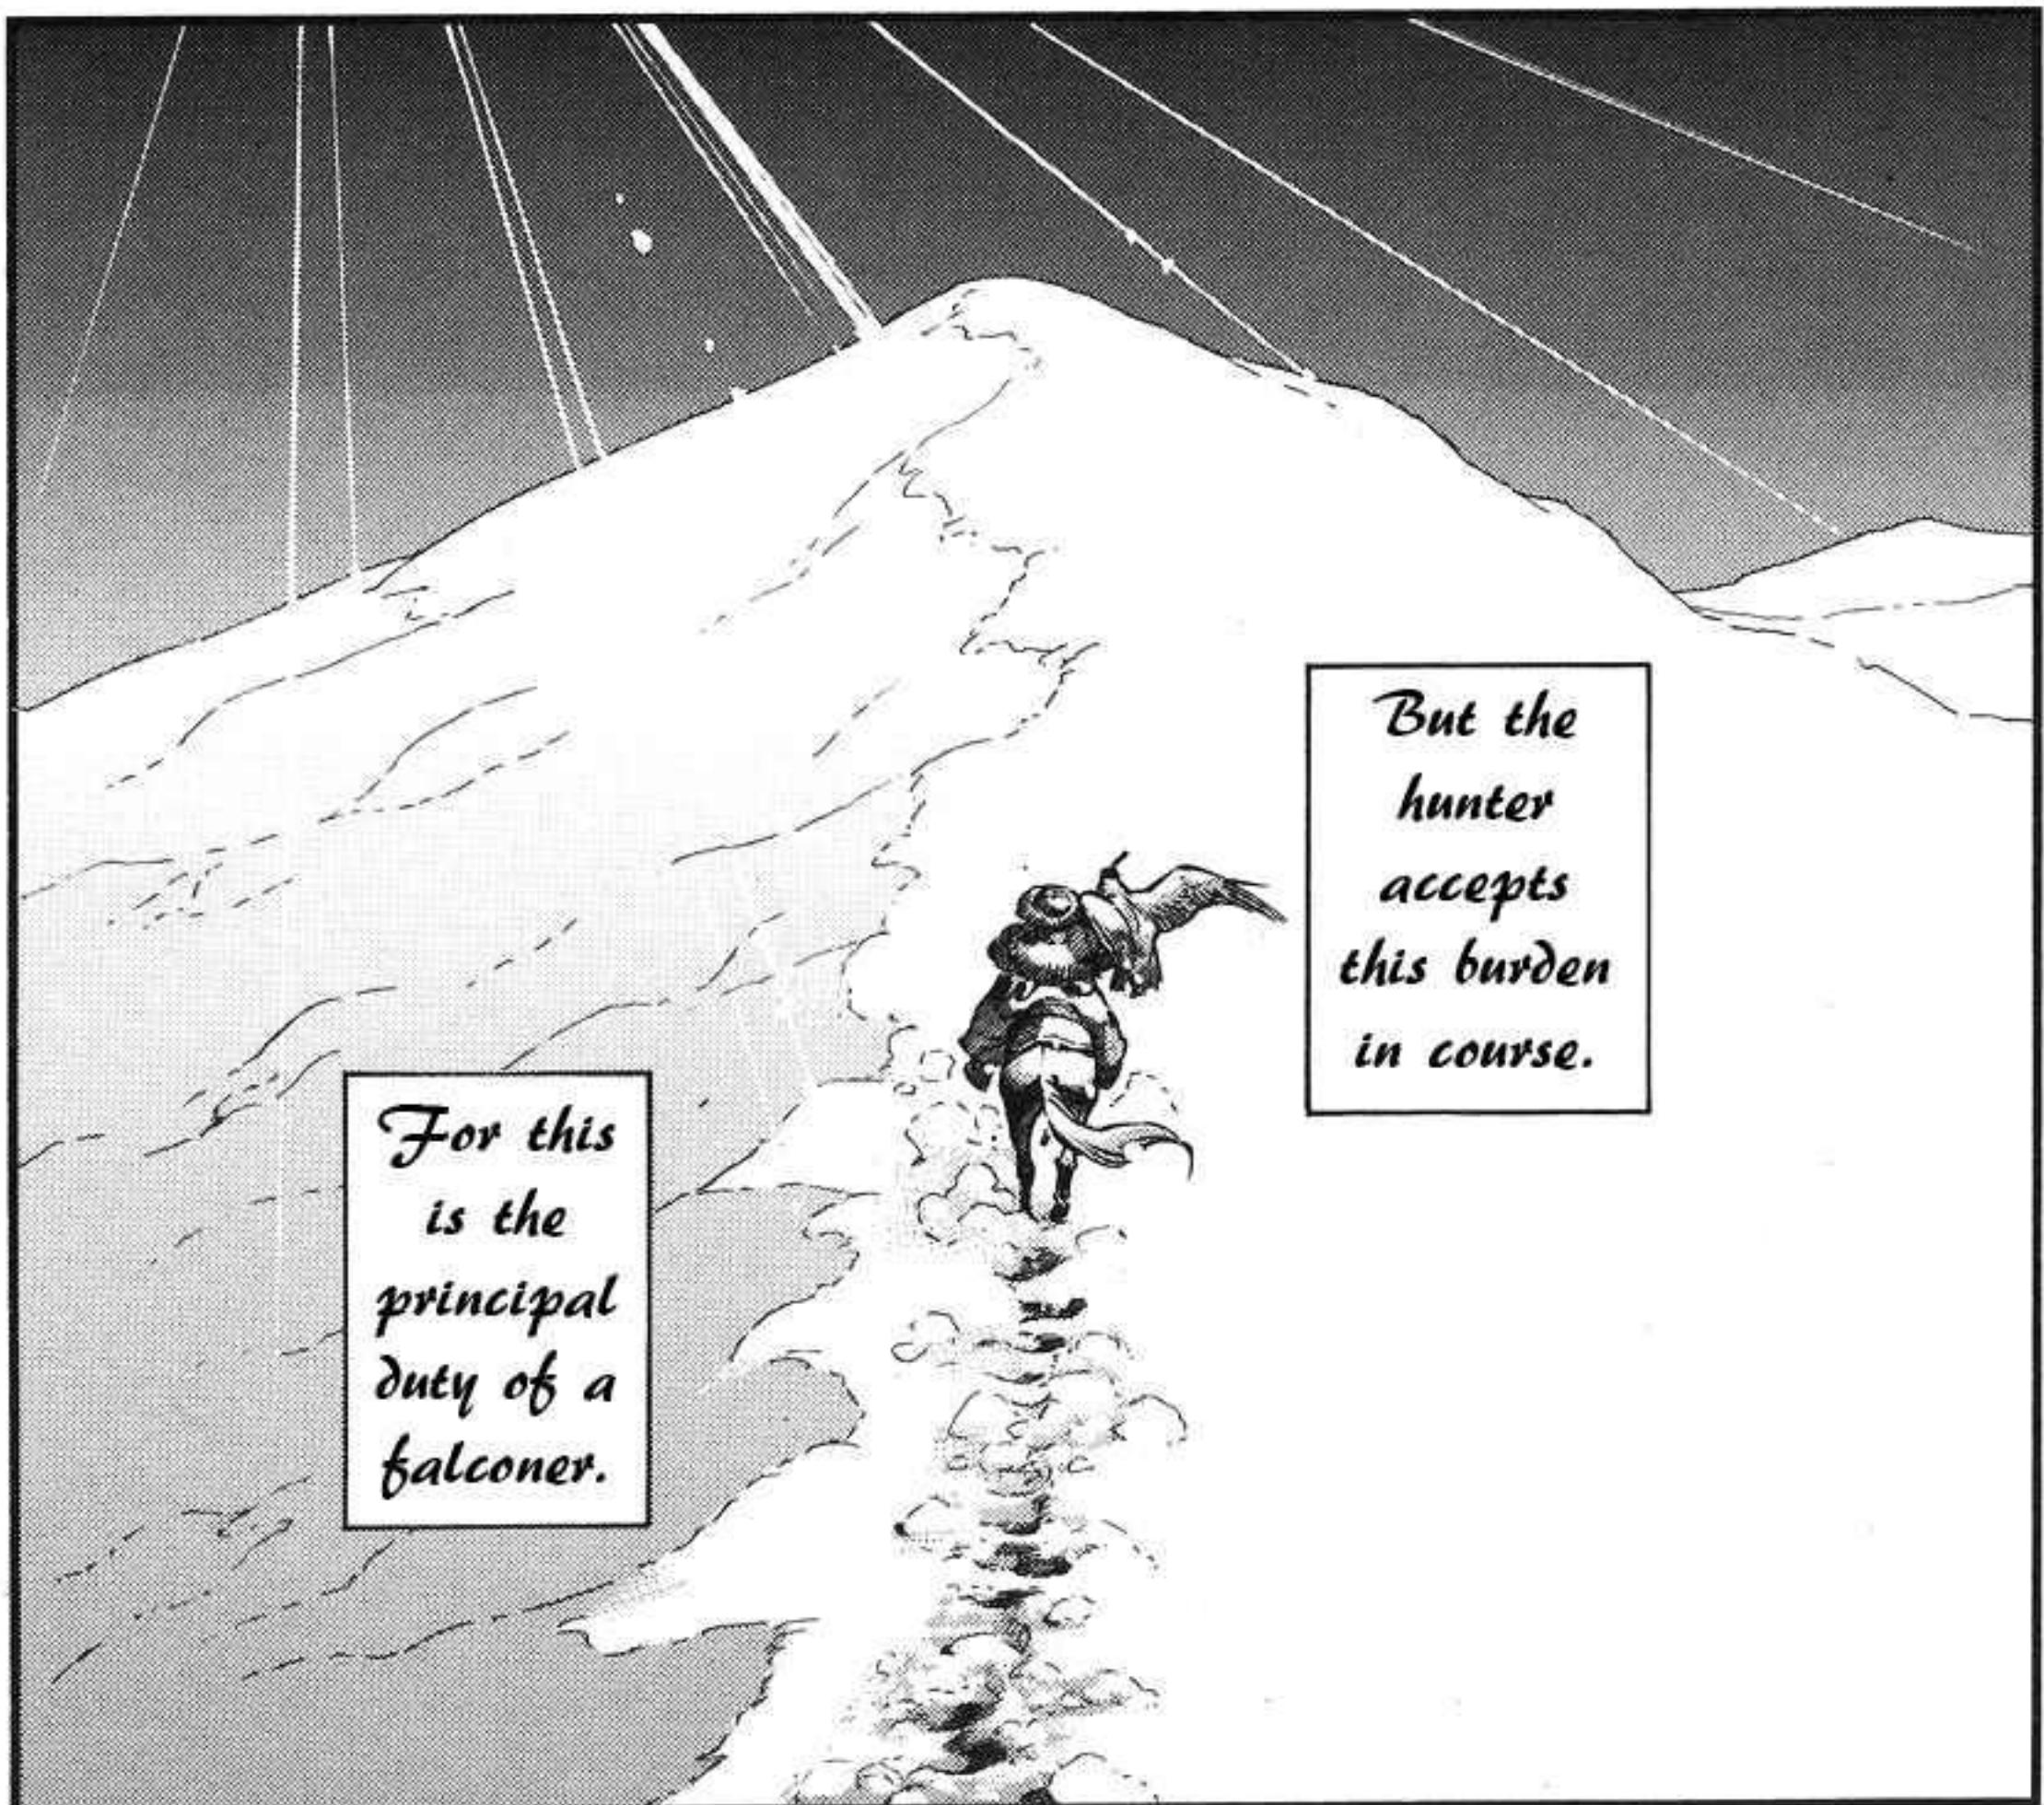

The ideal
conditions
are days
like today,
following a
snowfall,

When the
sun has
come out,
and shines
brightly.

I think I'll ask
her to visit
more often.

I might feel
silly, but the
next time she
comes..
