The Bride's Stories by Kaoru Mori

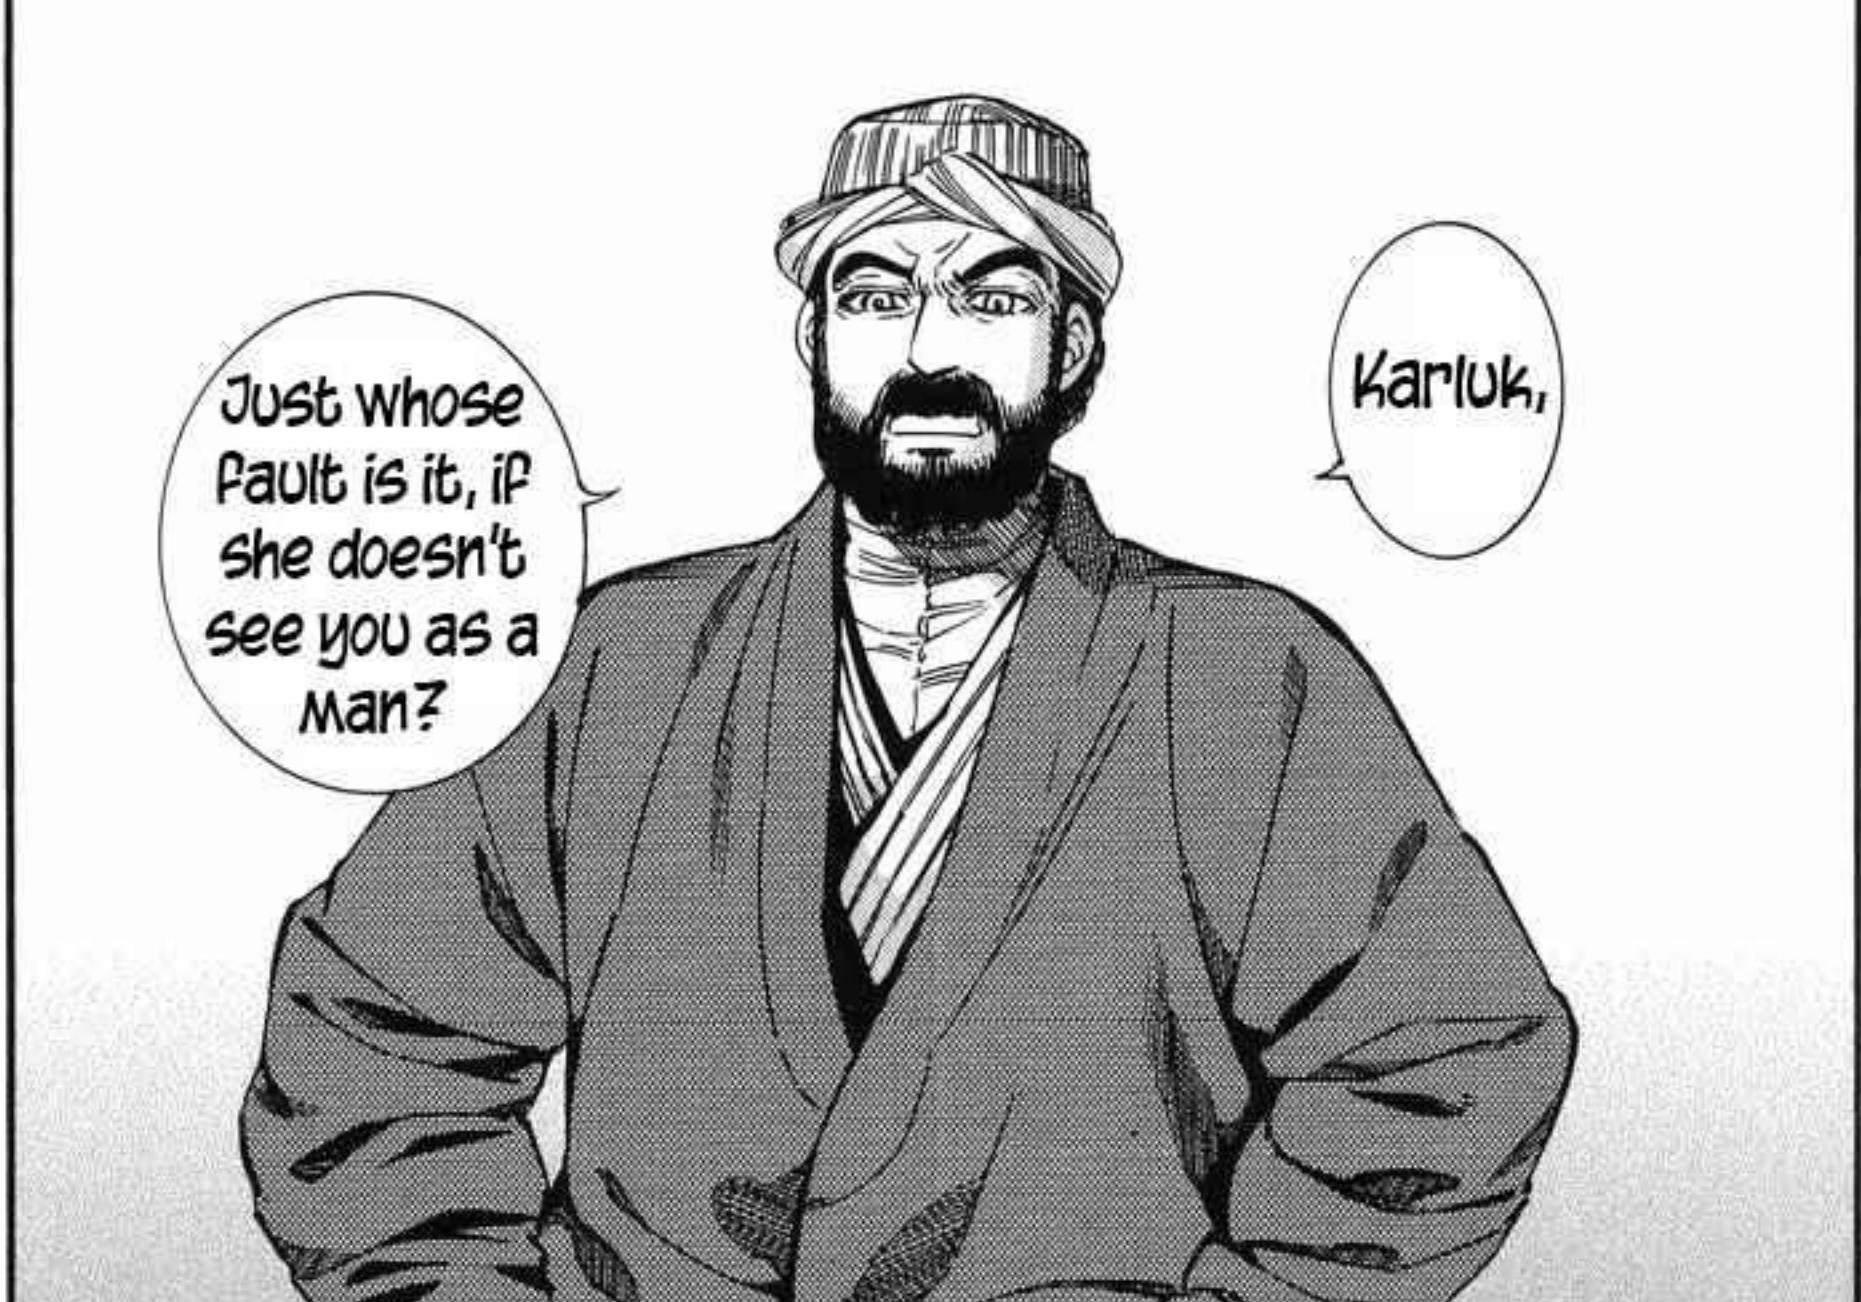

You just might outgrow your old man!

It's far too soon to tell, you silly old-

This line is actually him asking for less embroidery, probably because he's embarrassed to need lucky/protective imagery (remember the old guy explaining Rostem's goat charm?). You may notice his clothes at the end have much simpler patterns, like the other grown men.

It took way too long to remember what the designs would have to do with getting sick though, so I changed this line to make it less confusing to read.
