

Memories of Emanon

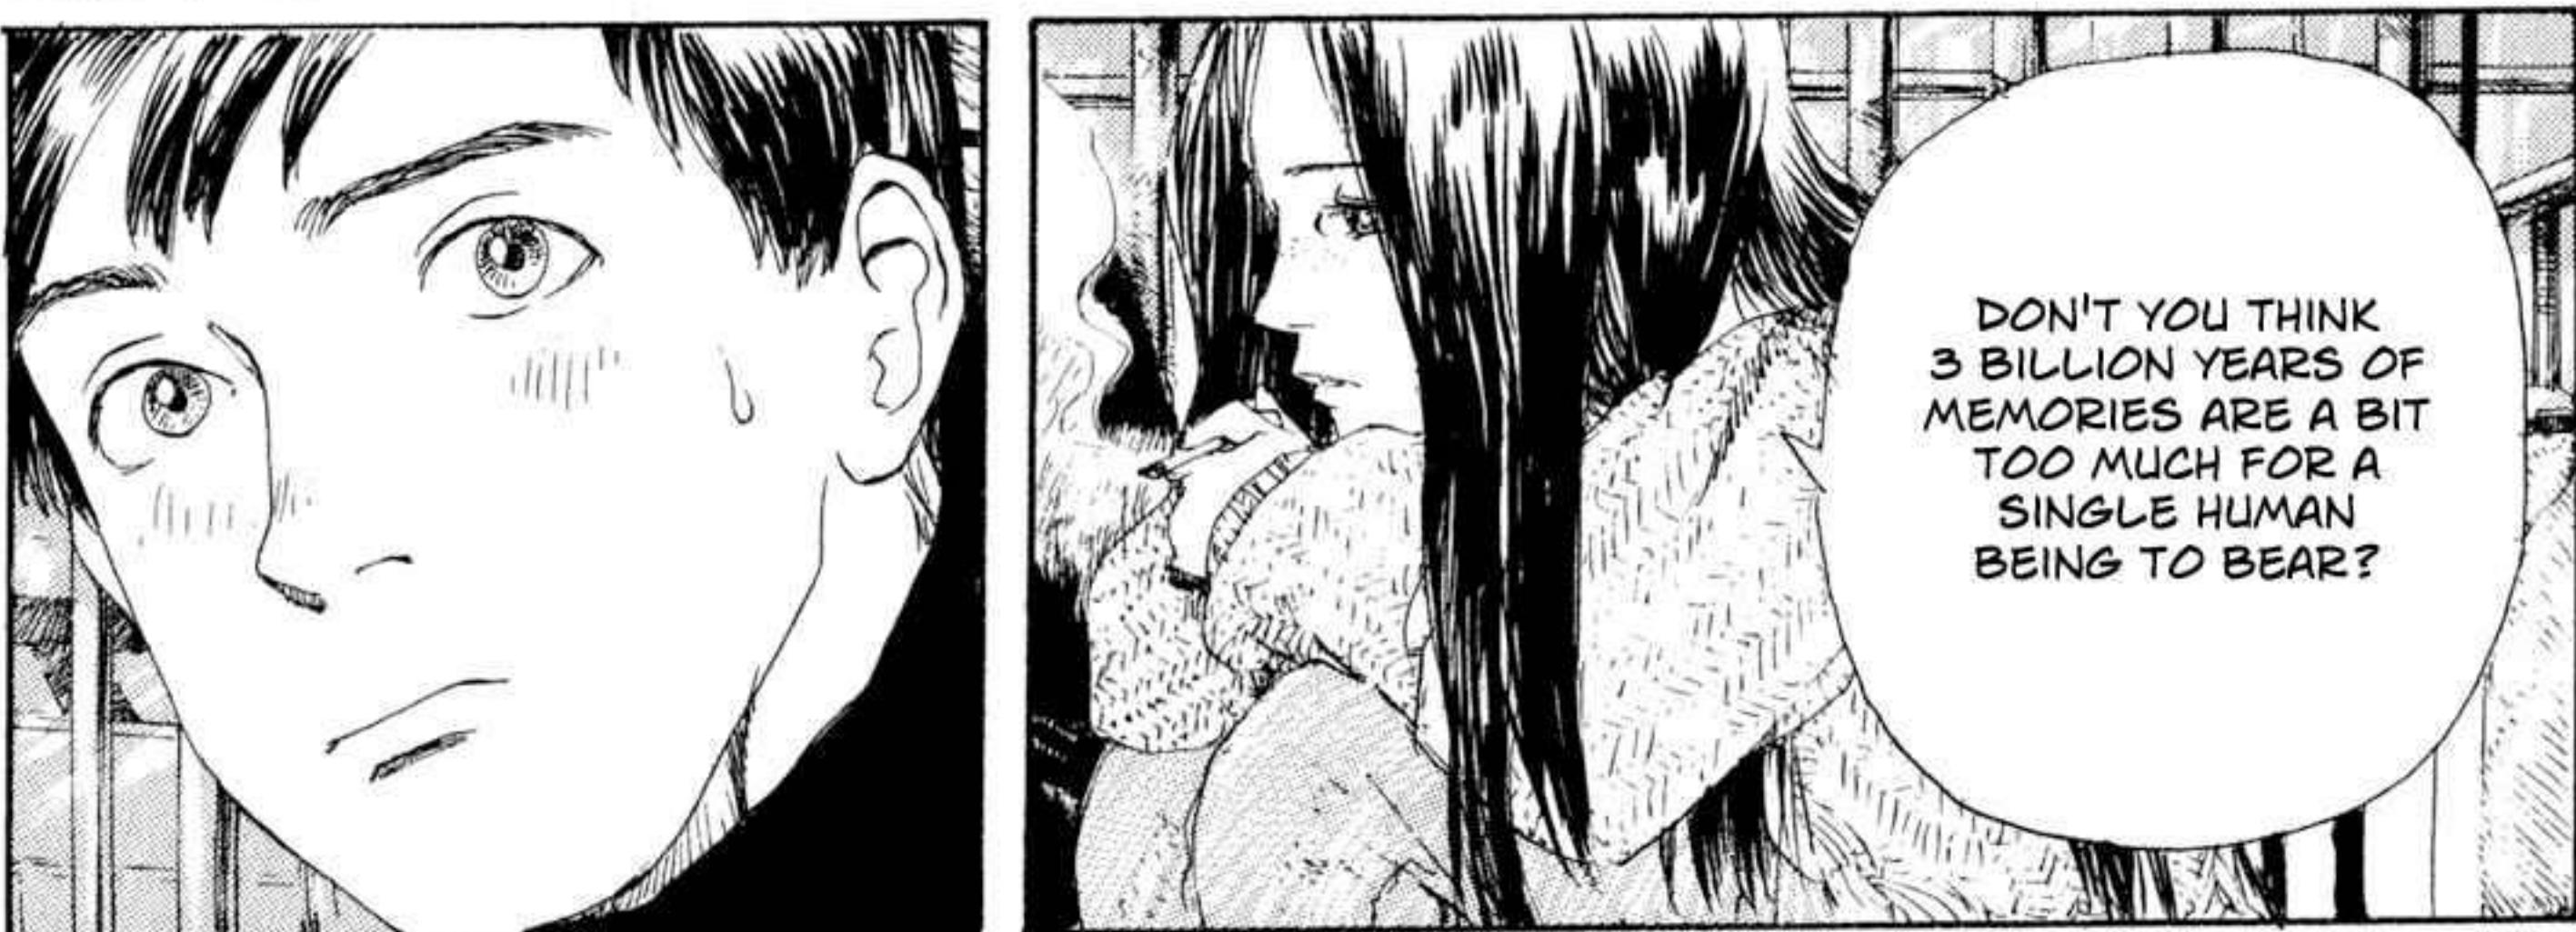

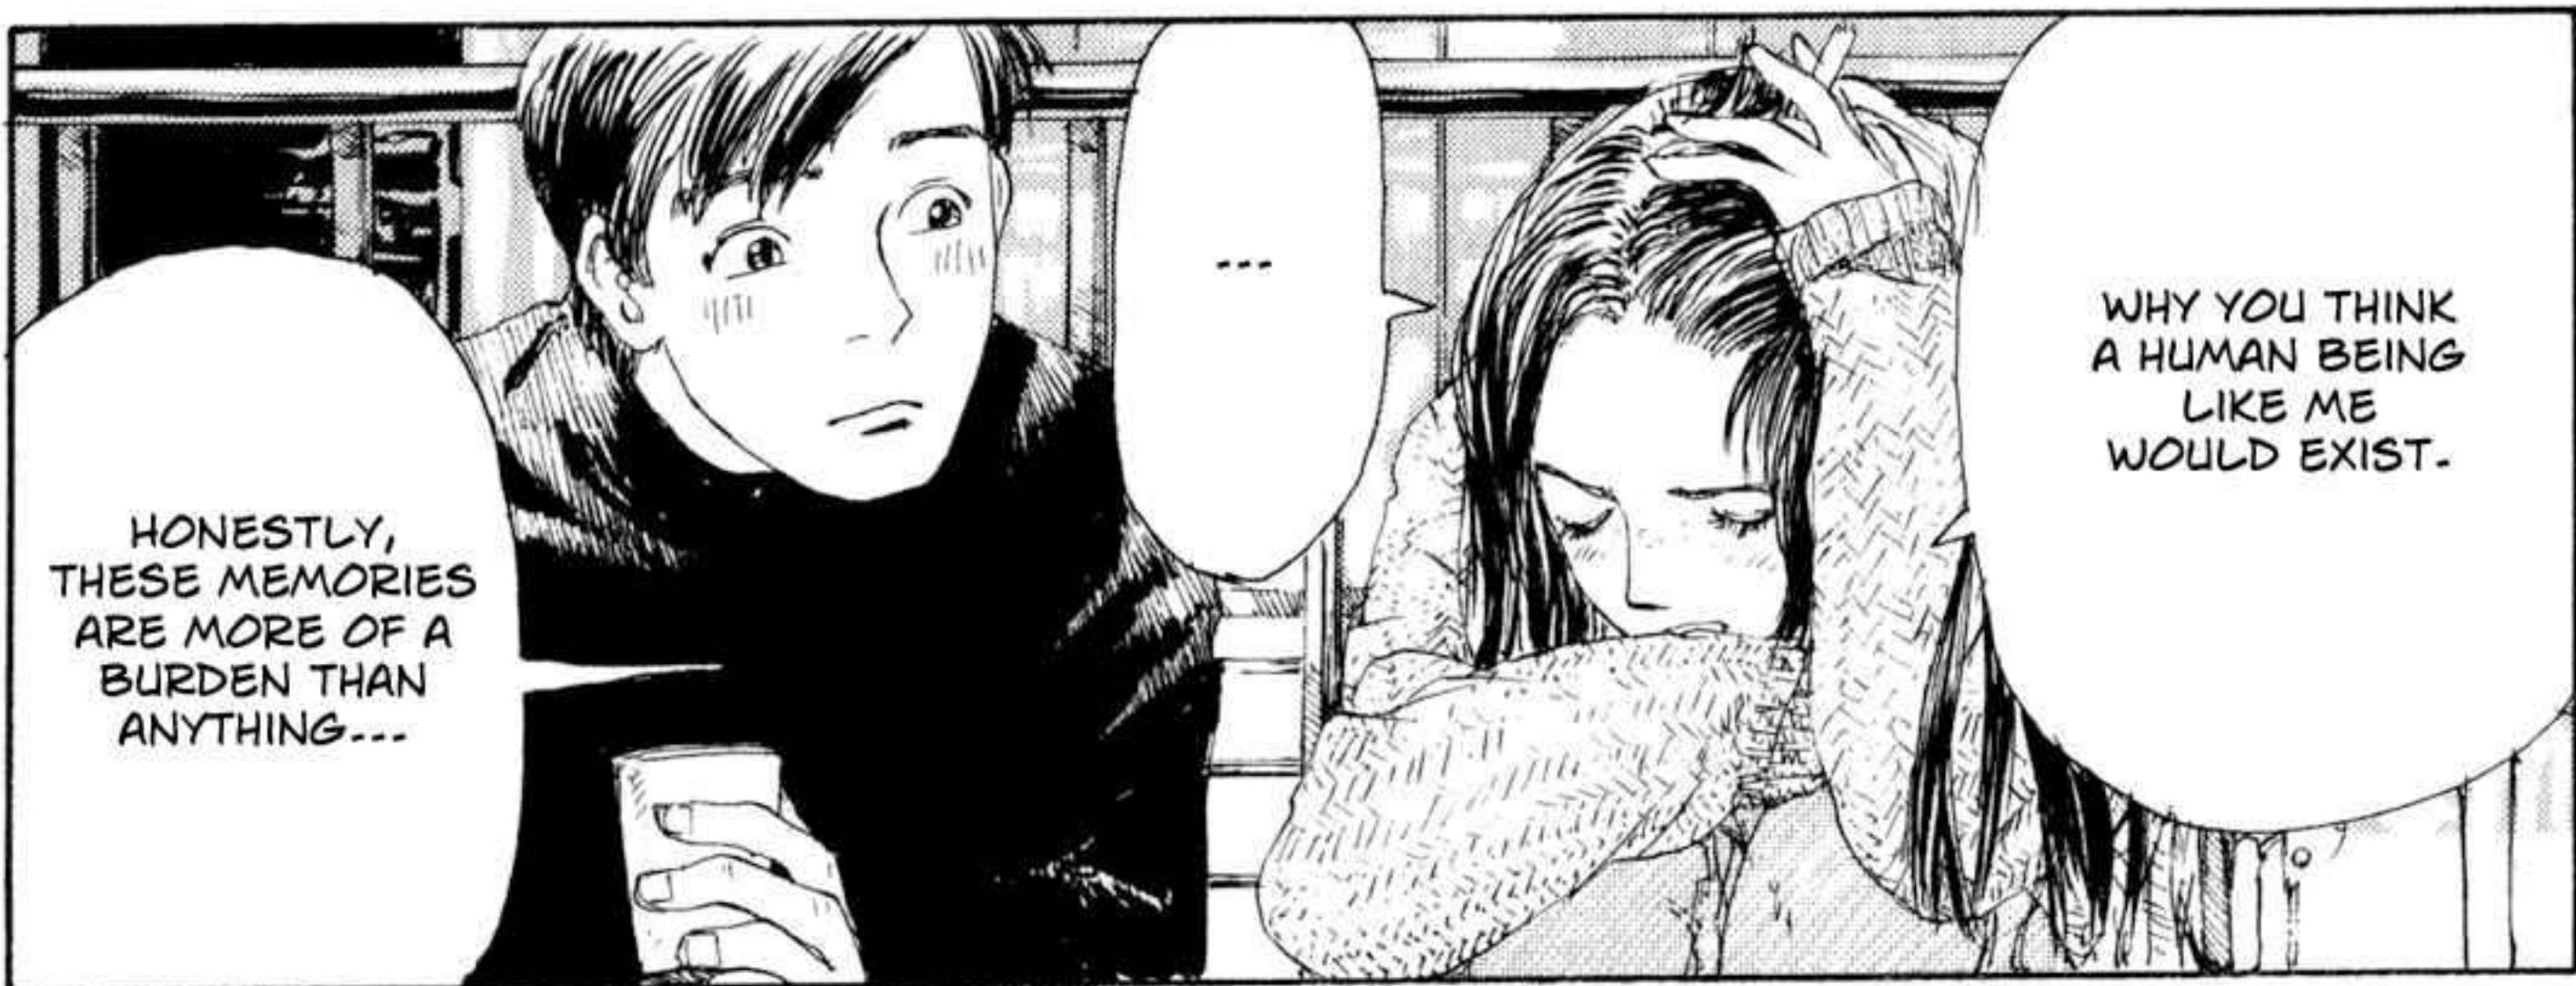

Around 8 PM

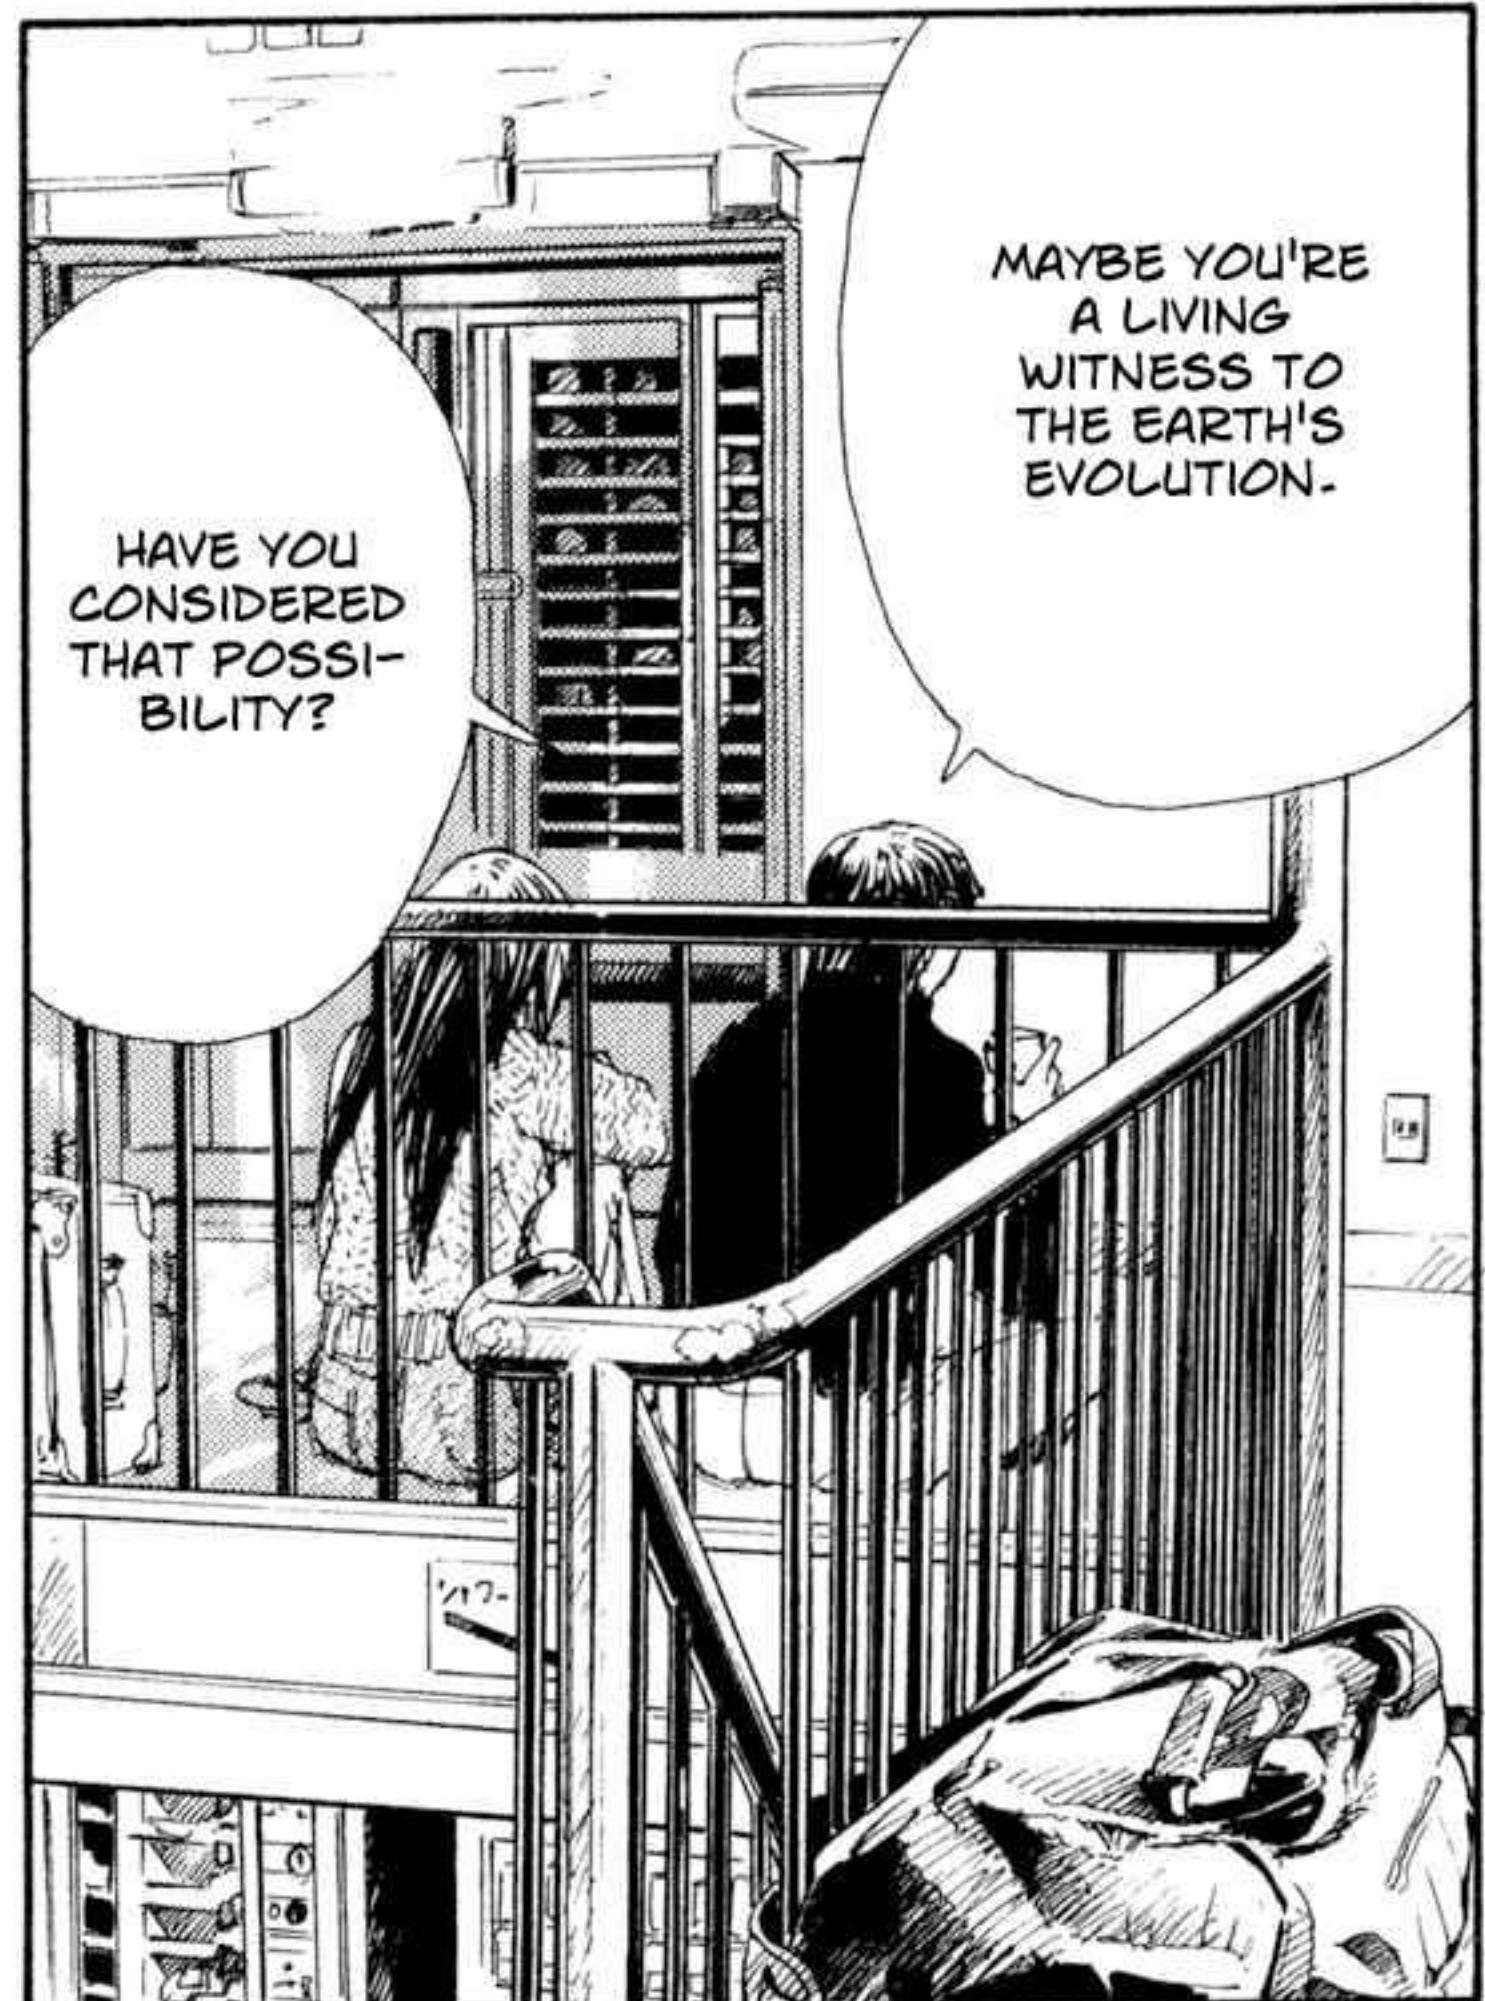

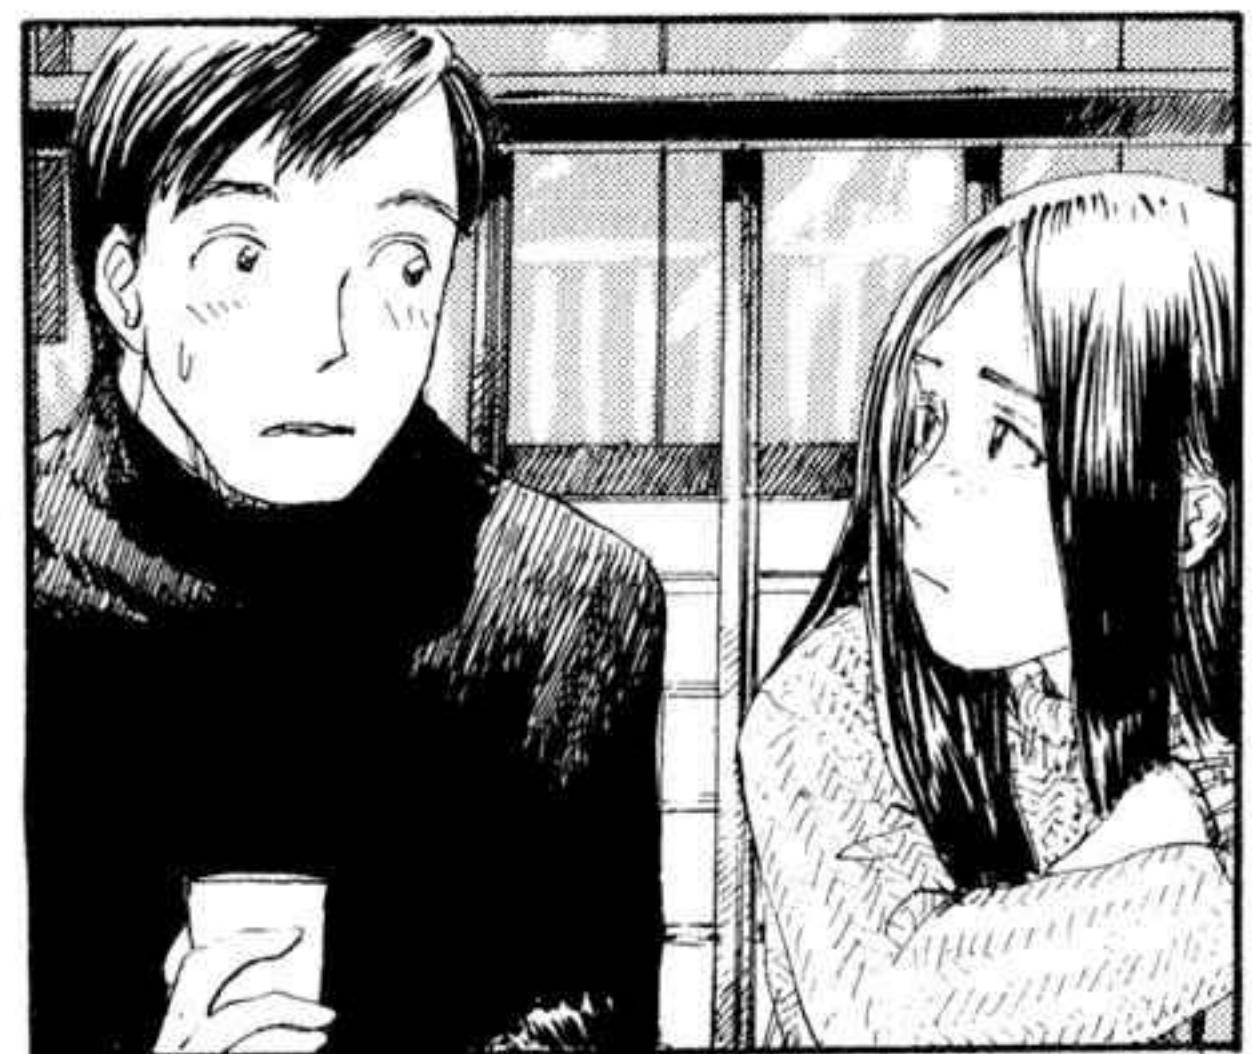

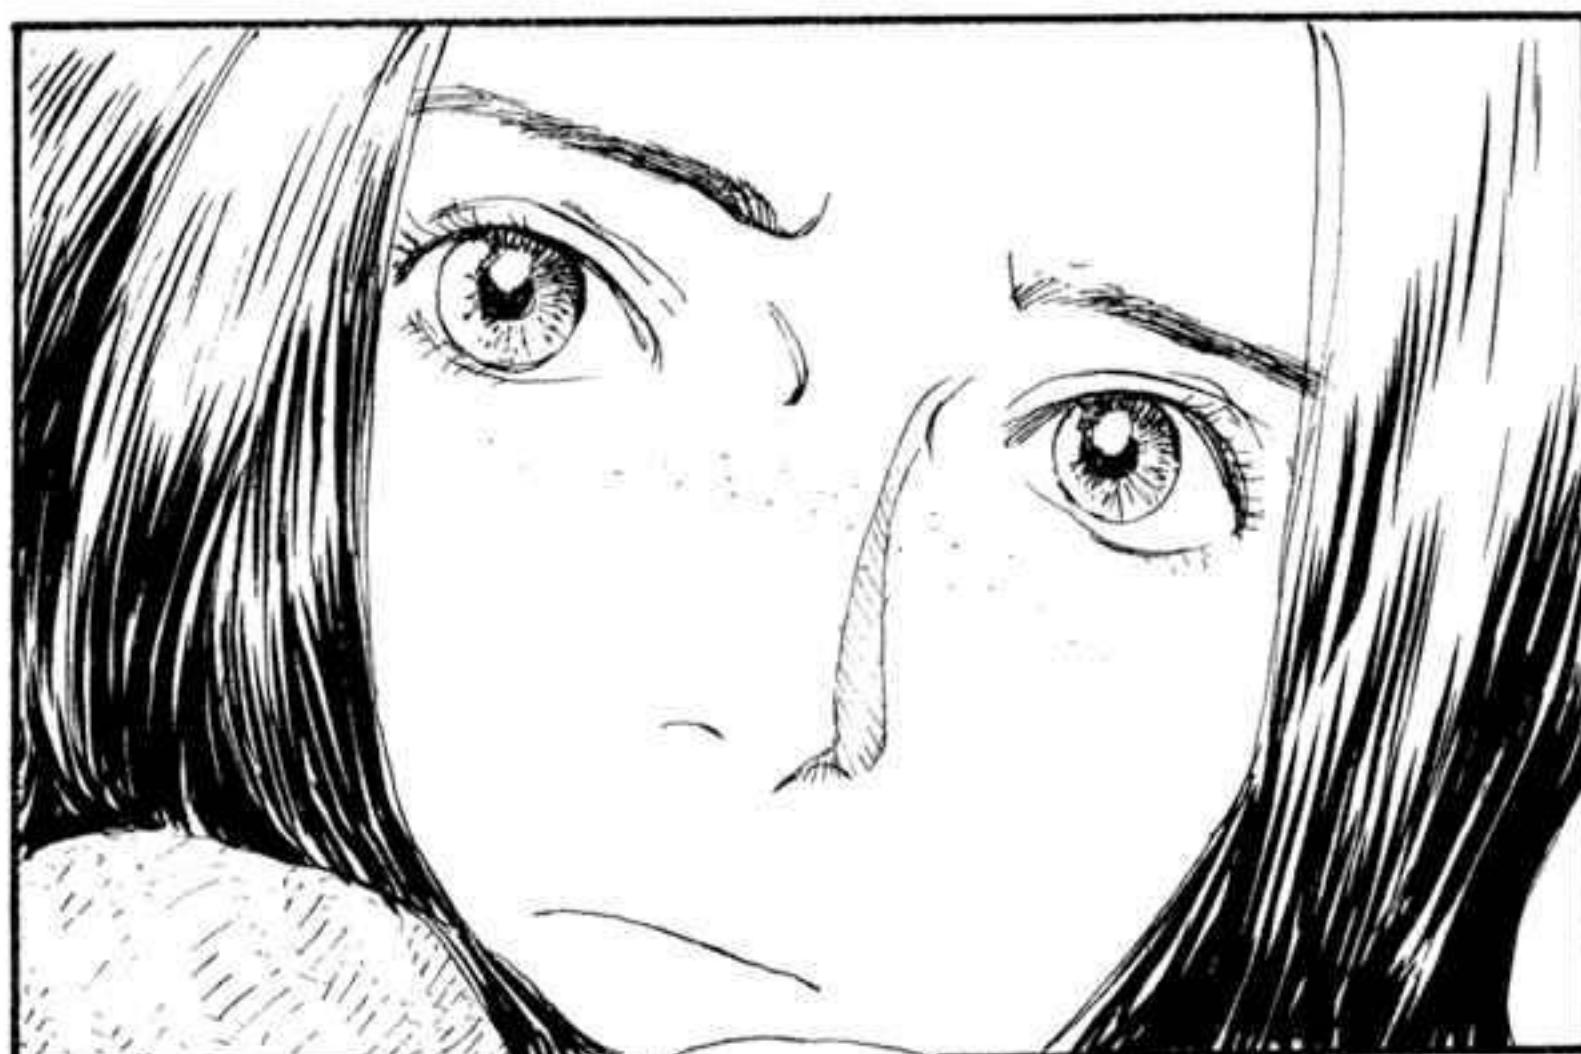

MAYBE YOUR DUTY IS TO KEEP PASSING DOWN THOSE MEMORIES FOR ALL OF ETERNITY.

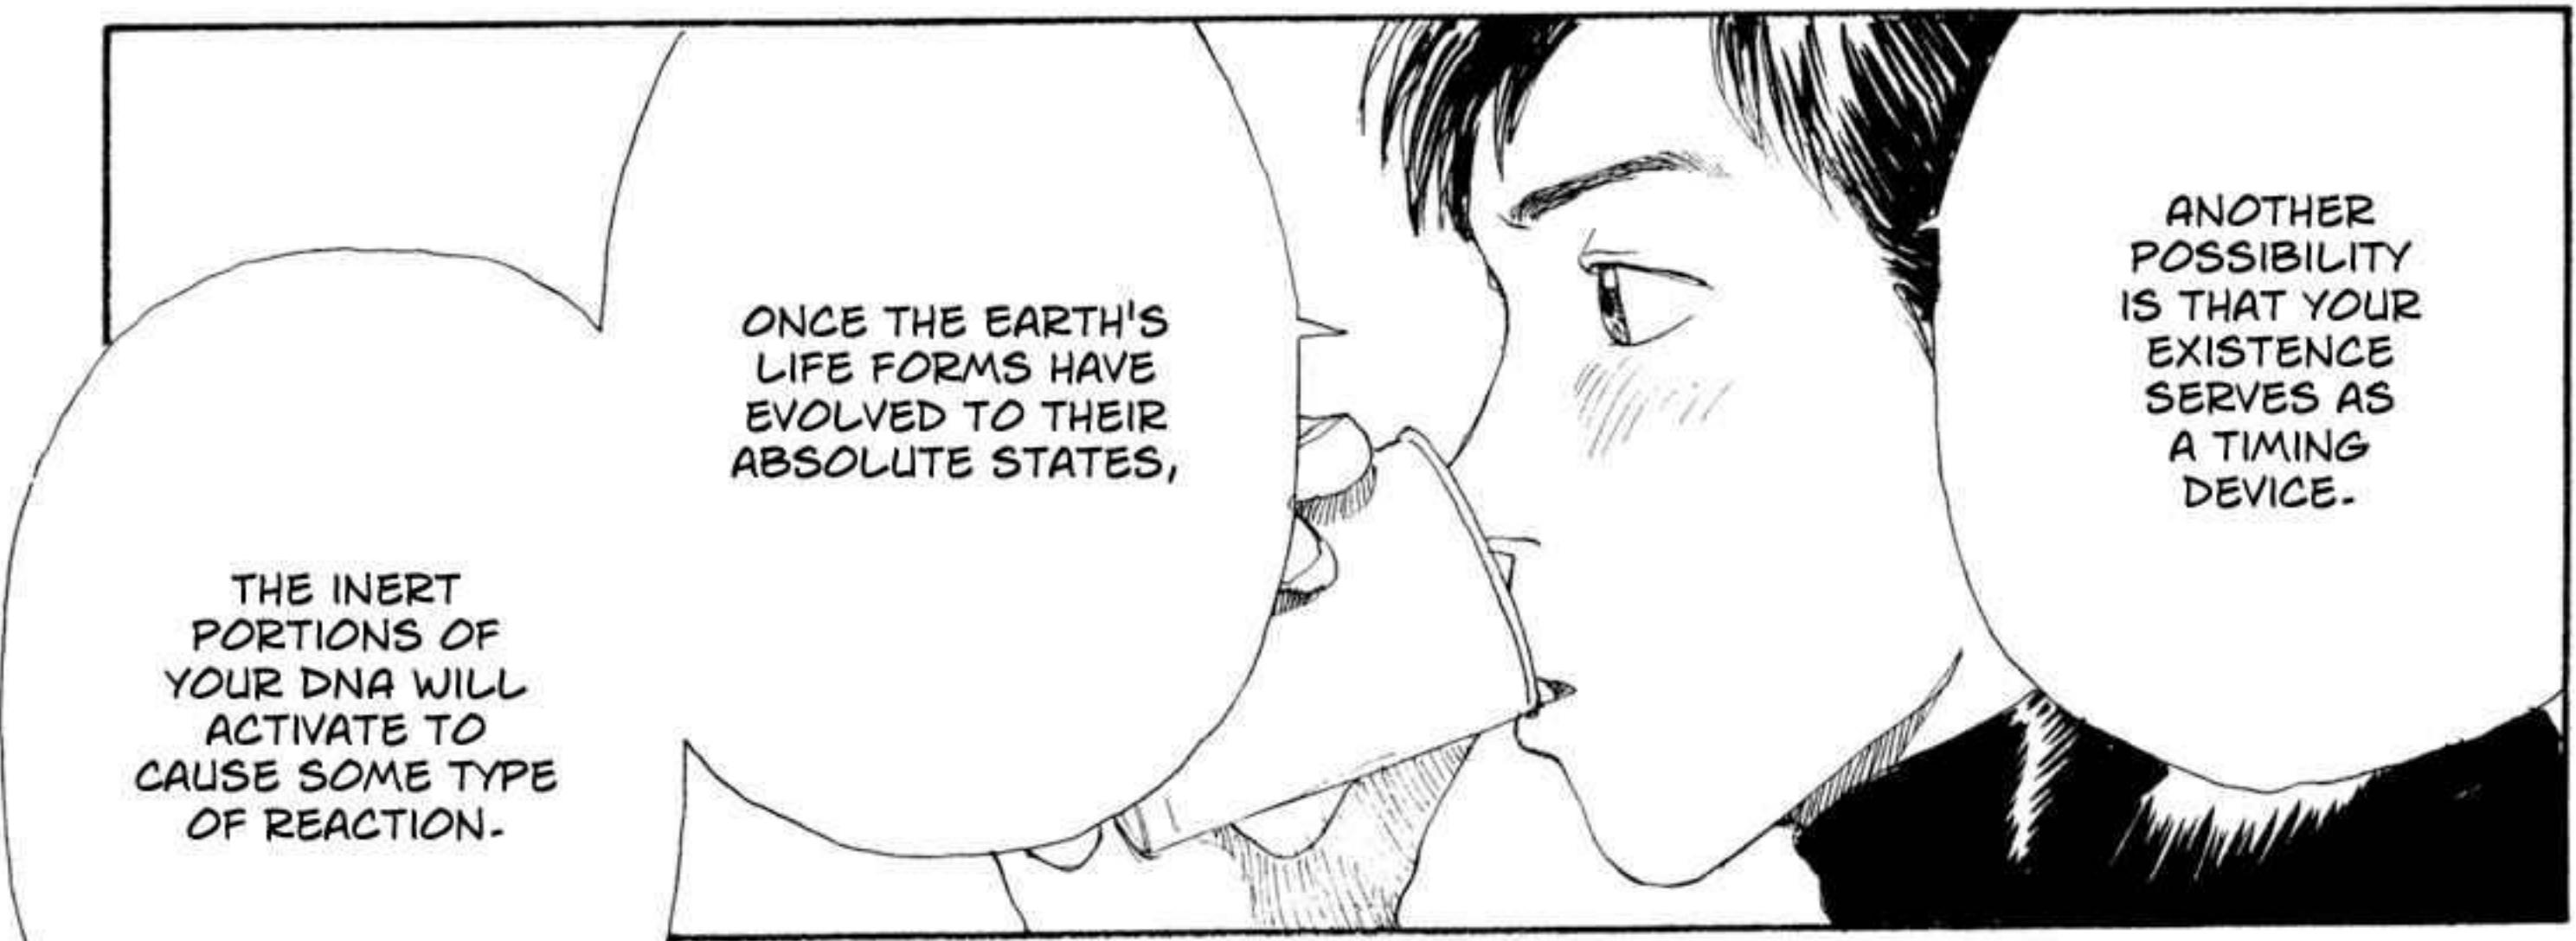

...AND PASSED ON.

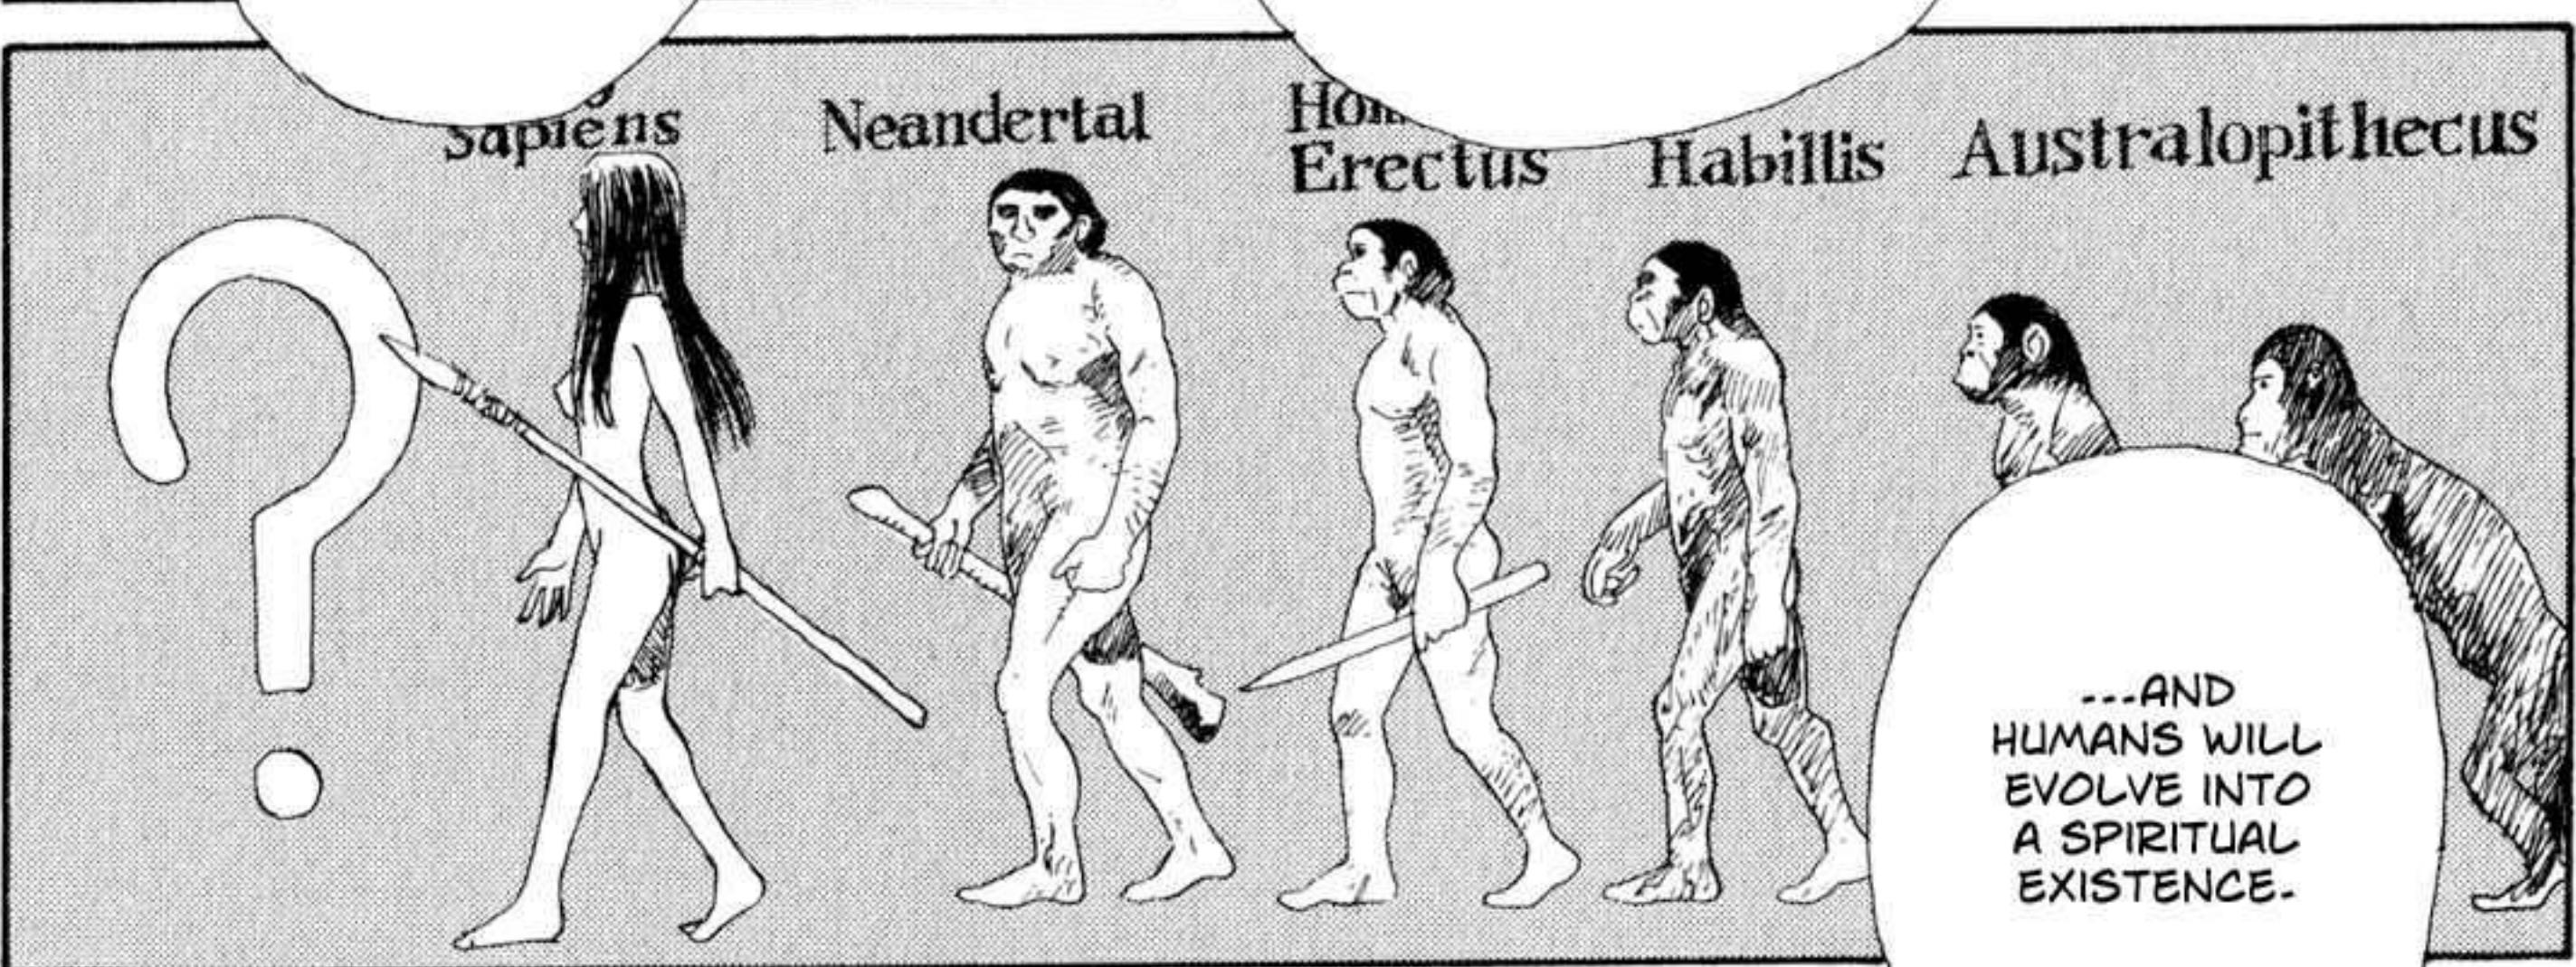

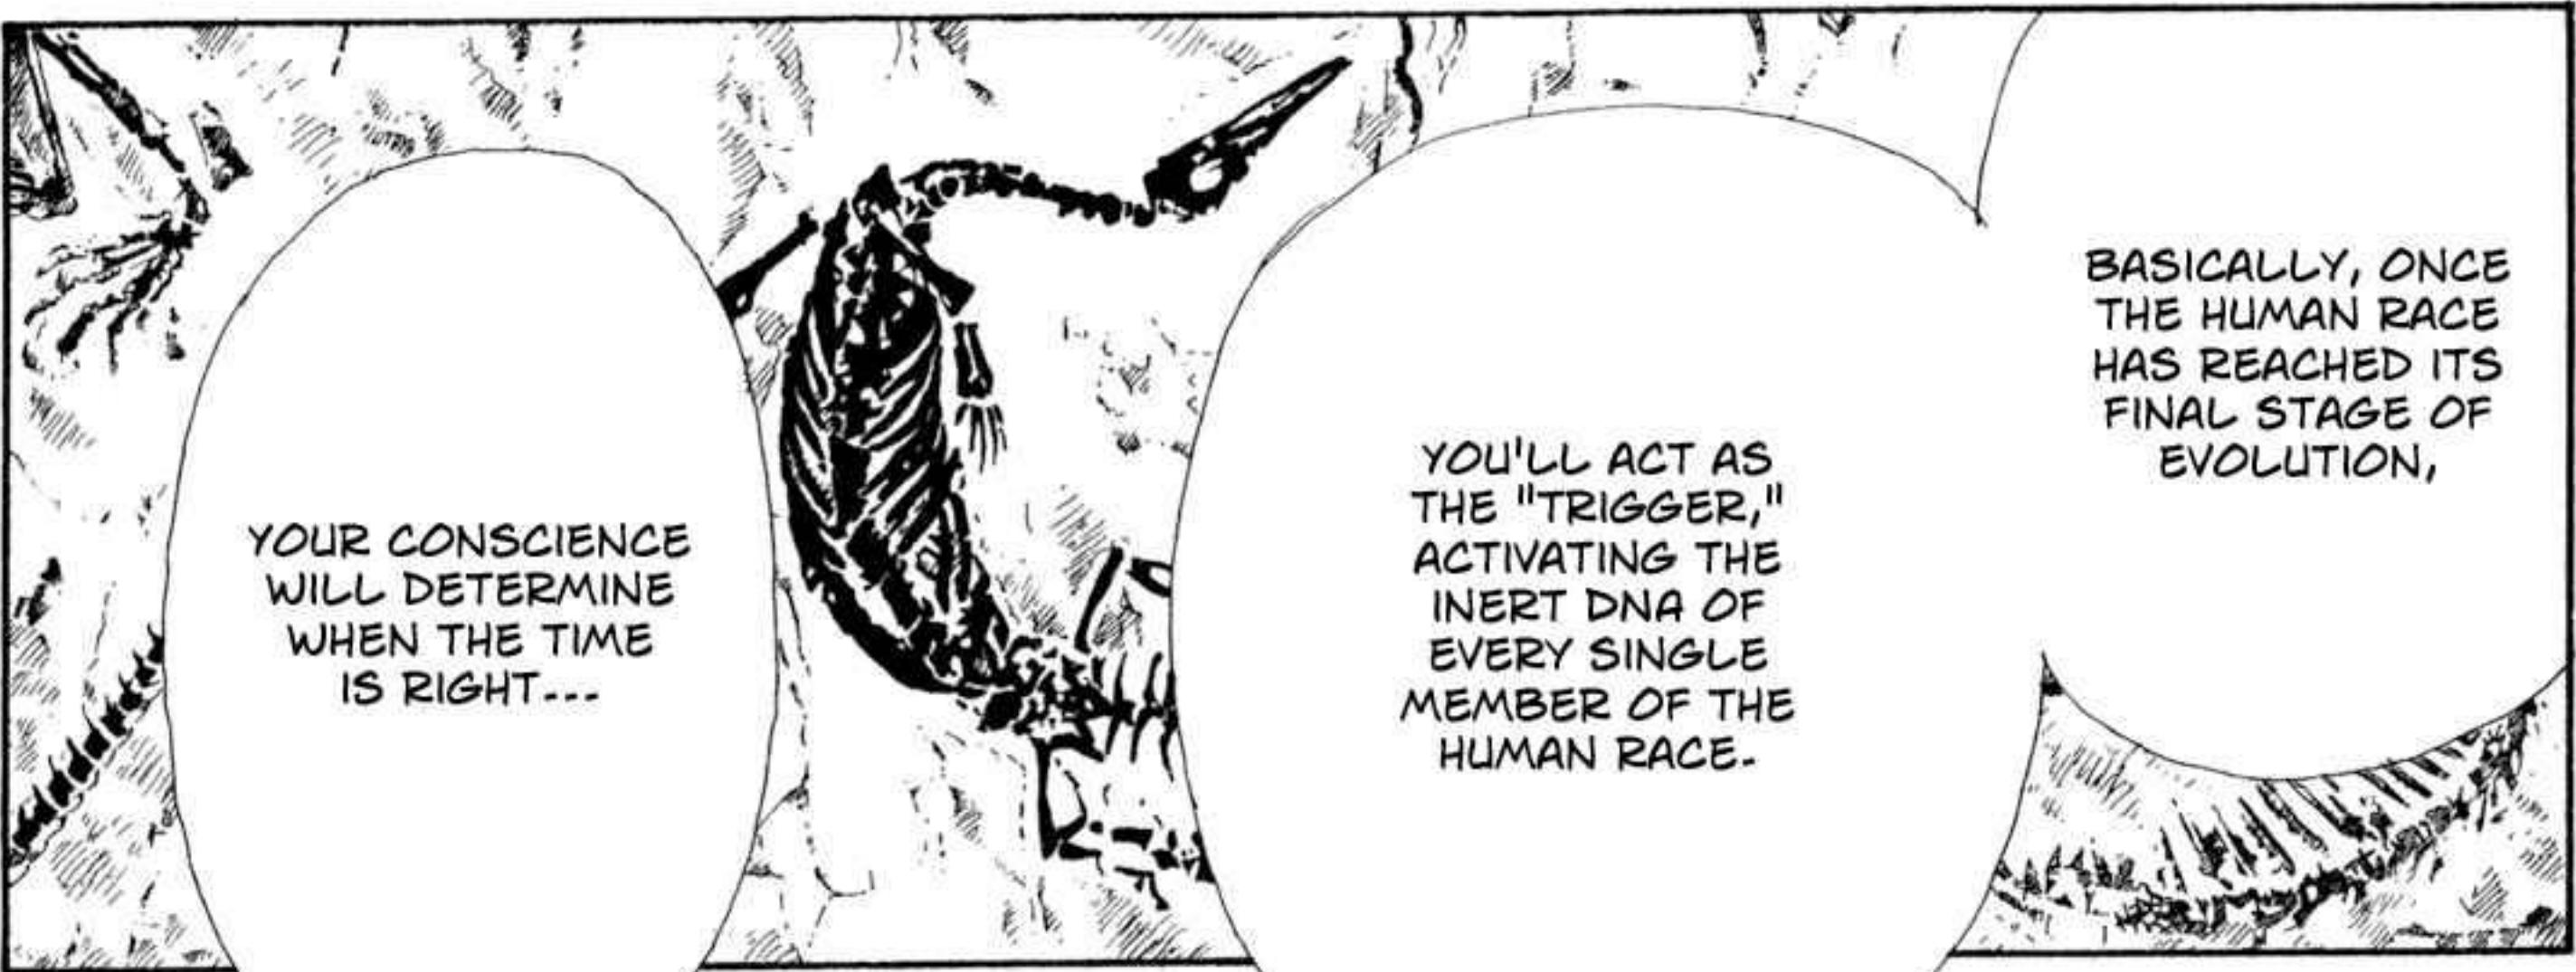

THE MEMORIES FROM EACH GENERATION WERE EMBEDDED INTO THE CHROMOSOMES OF THE DNA...

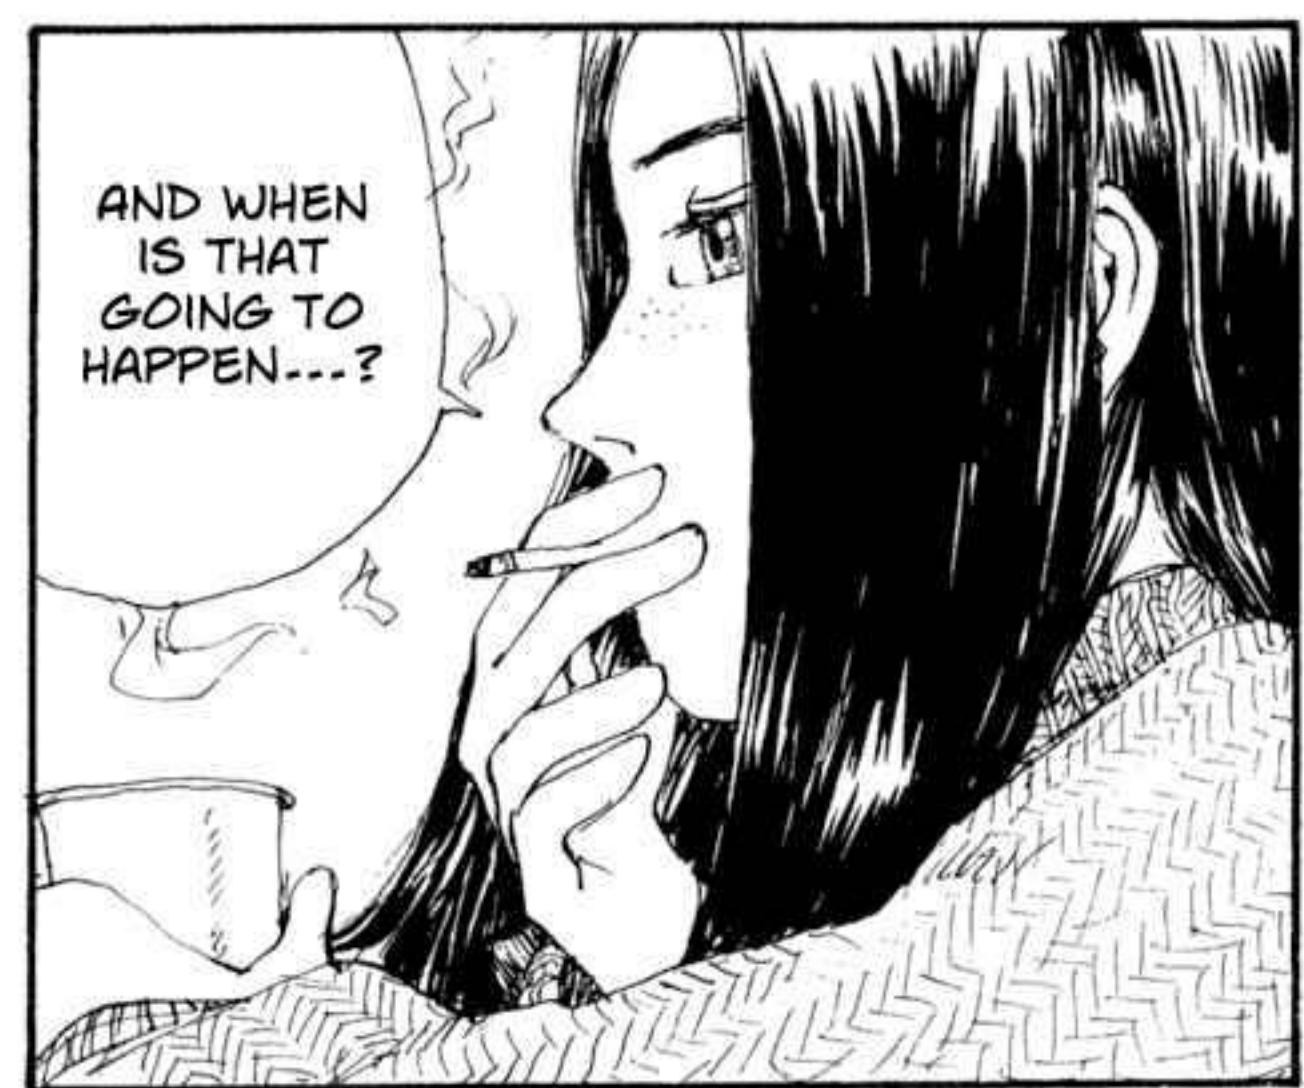

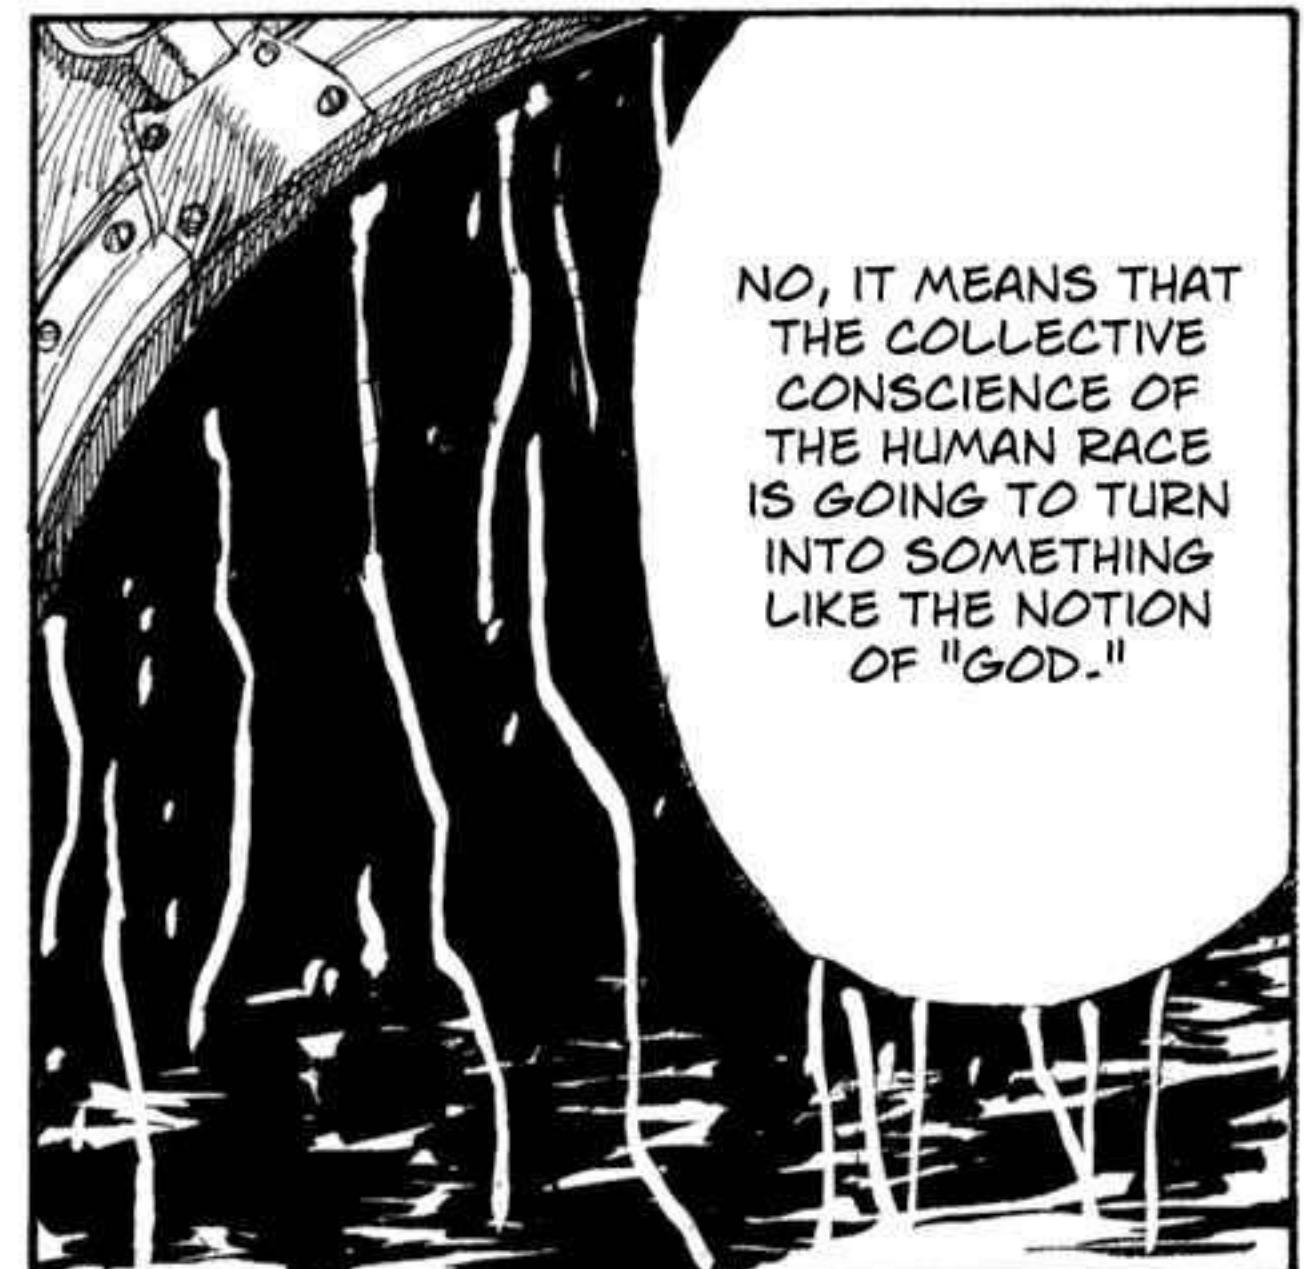

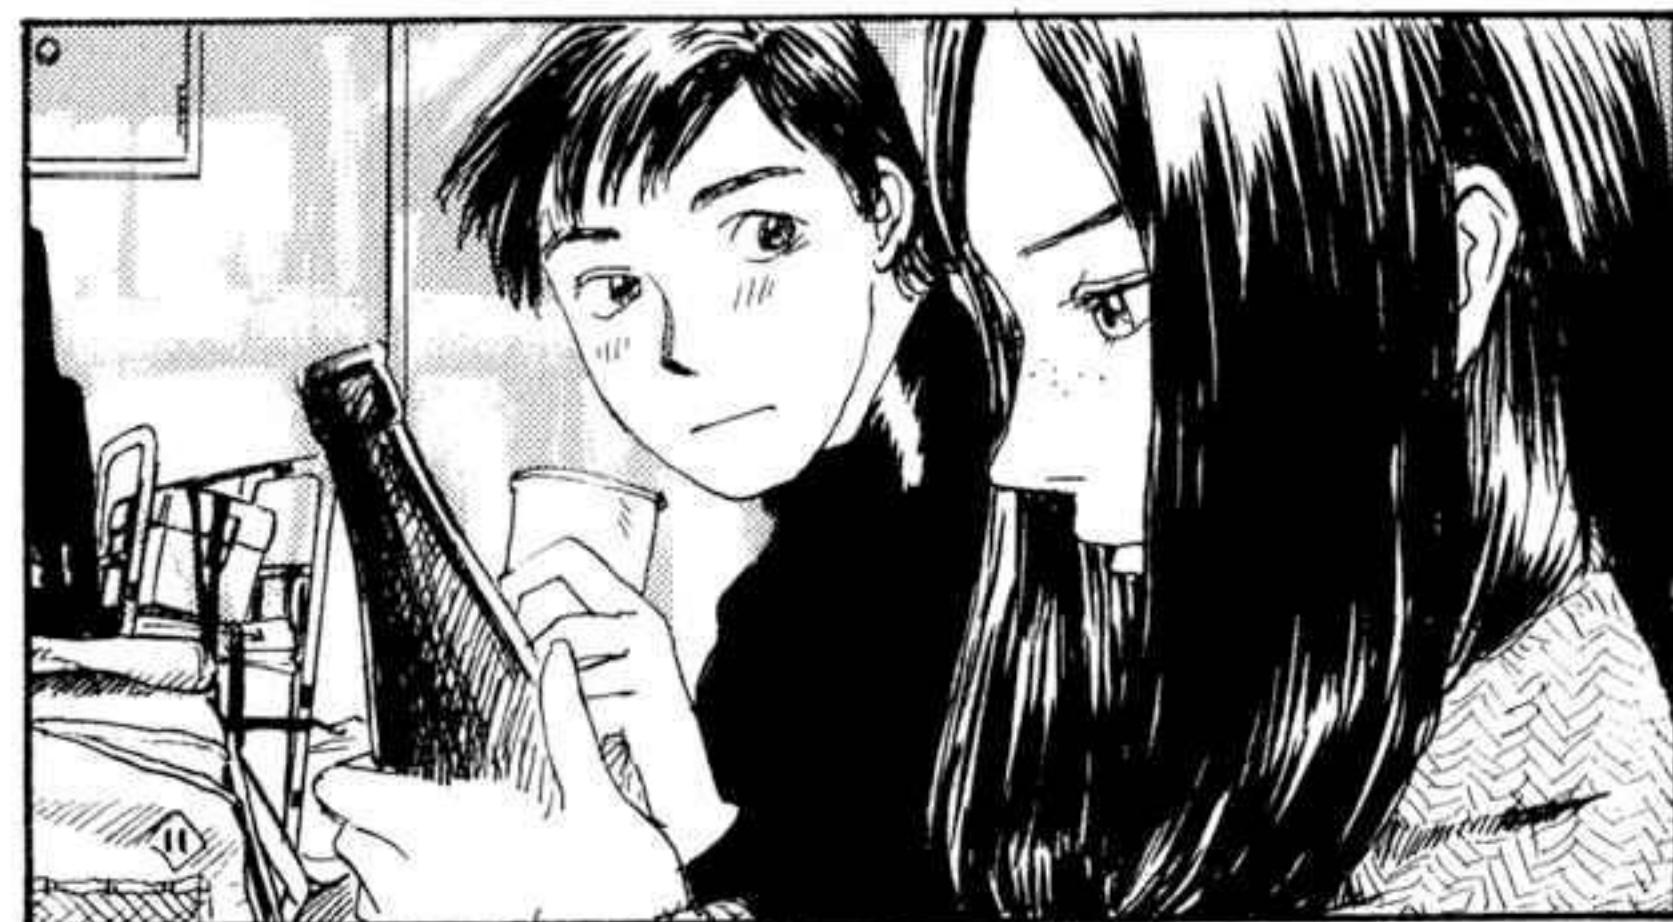

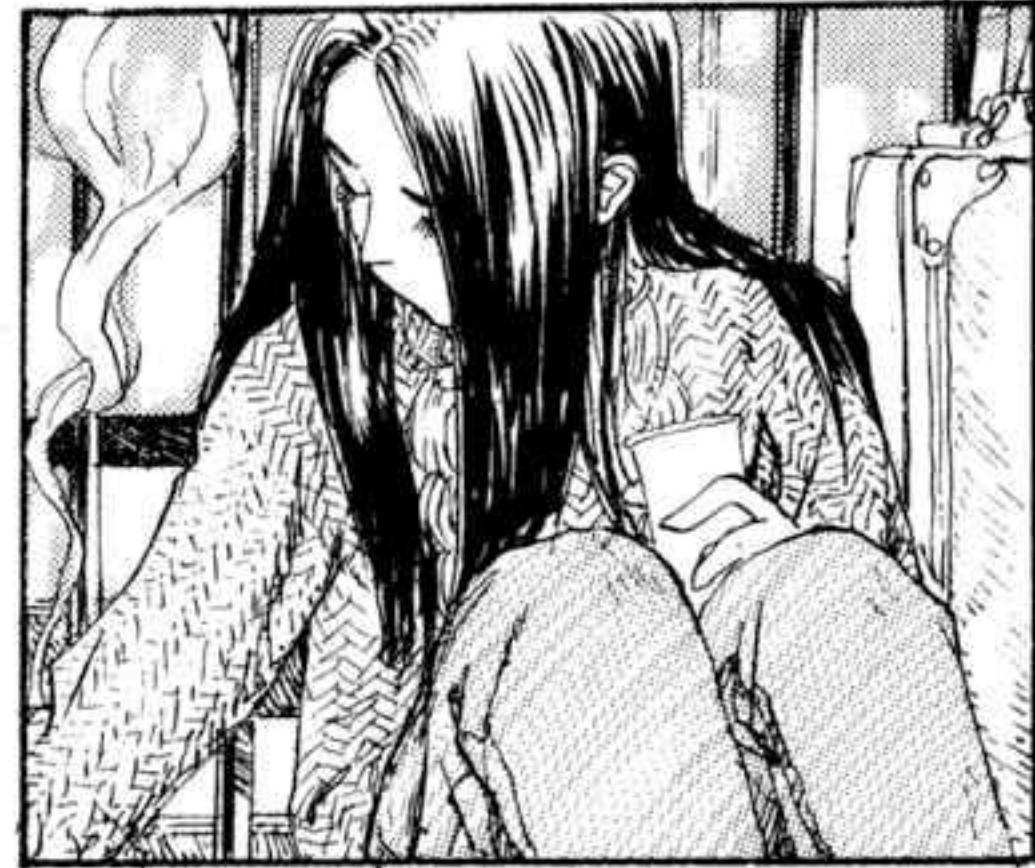

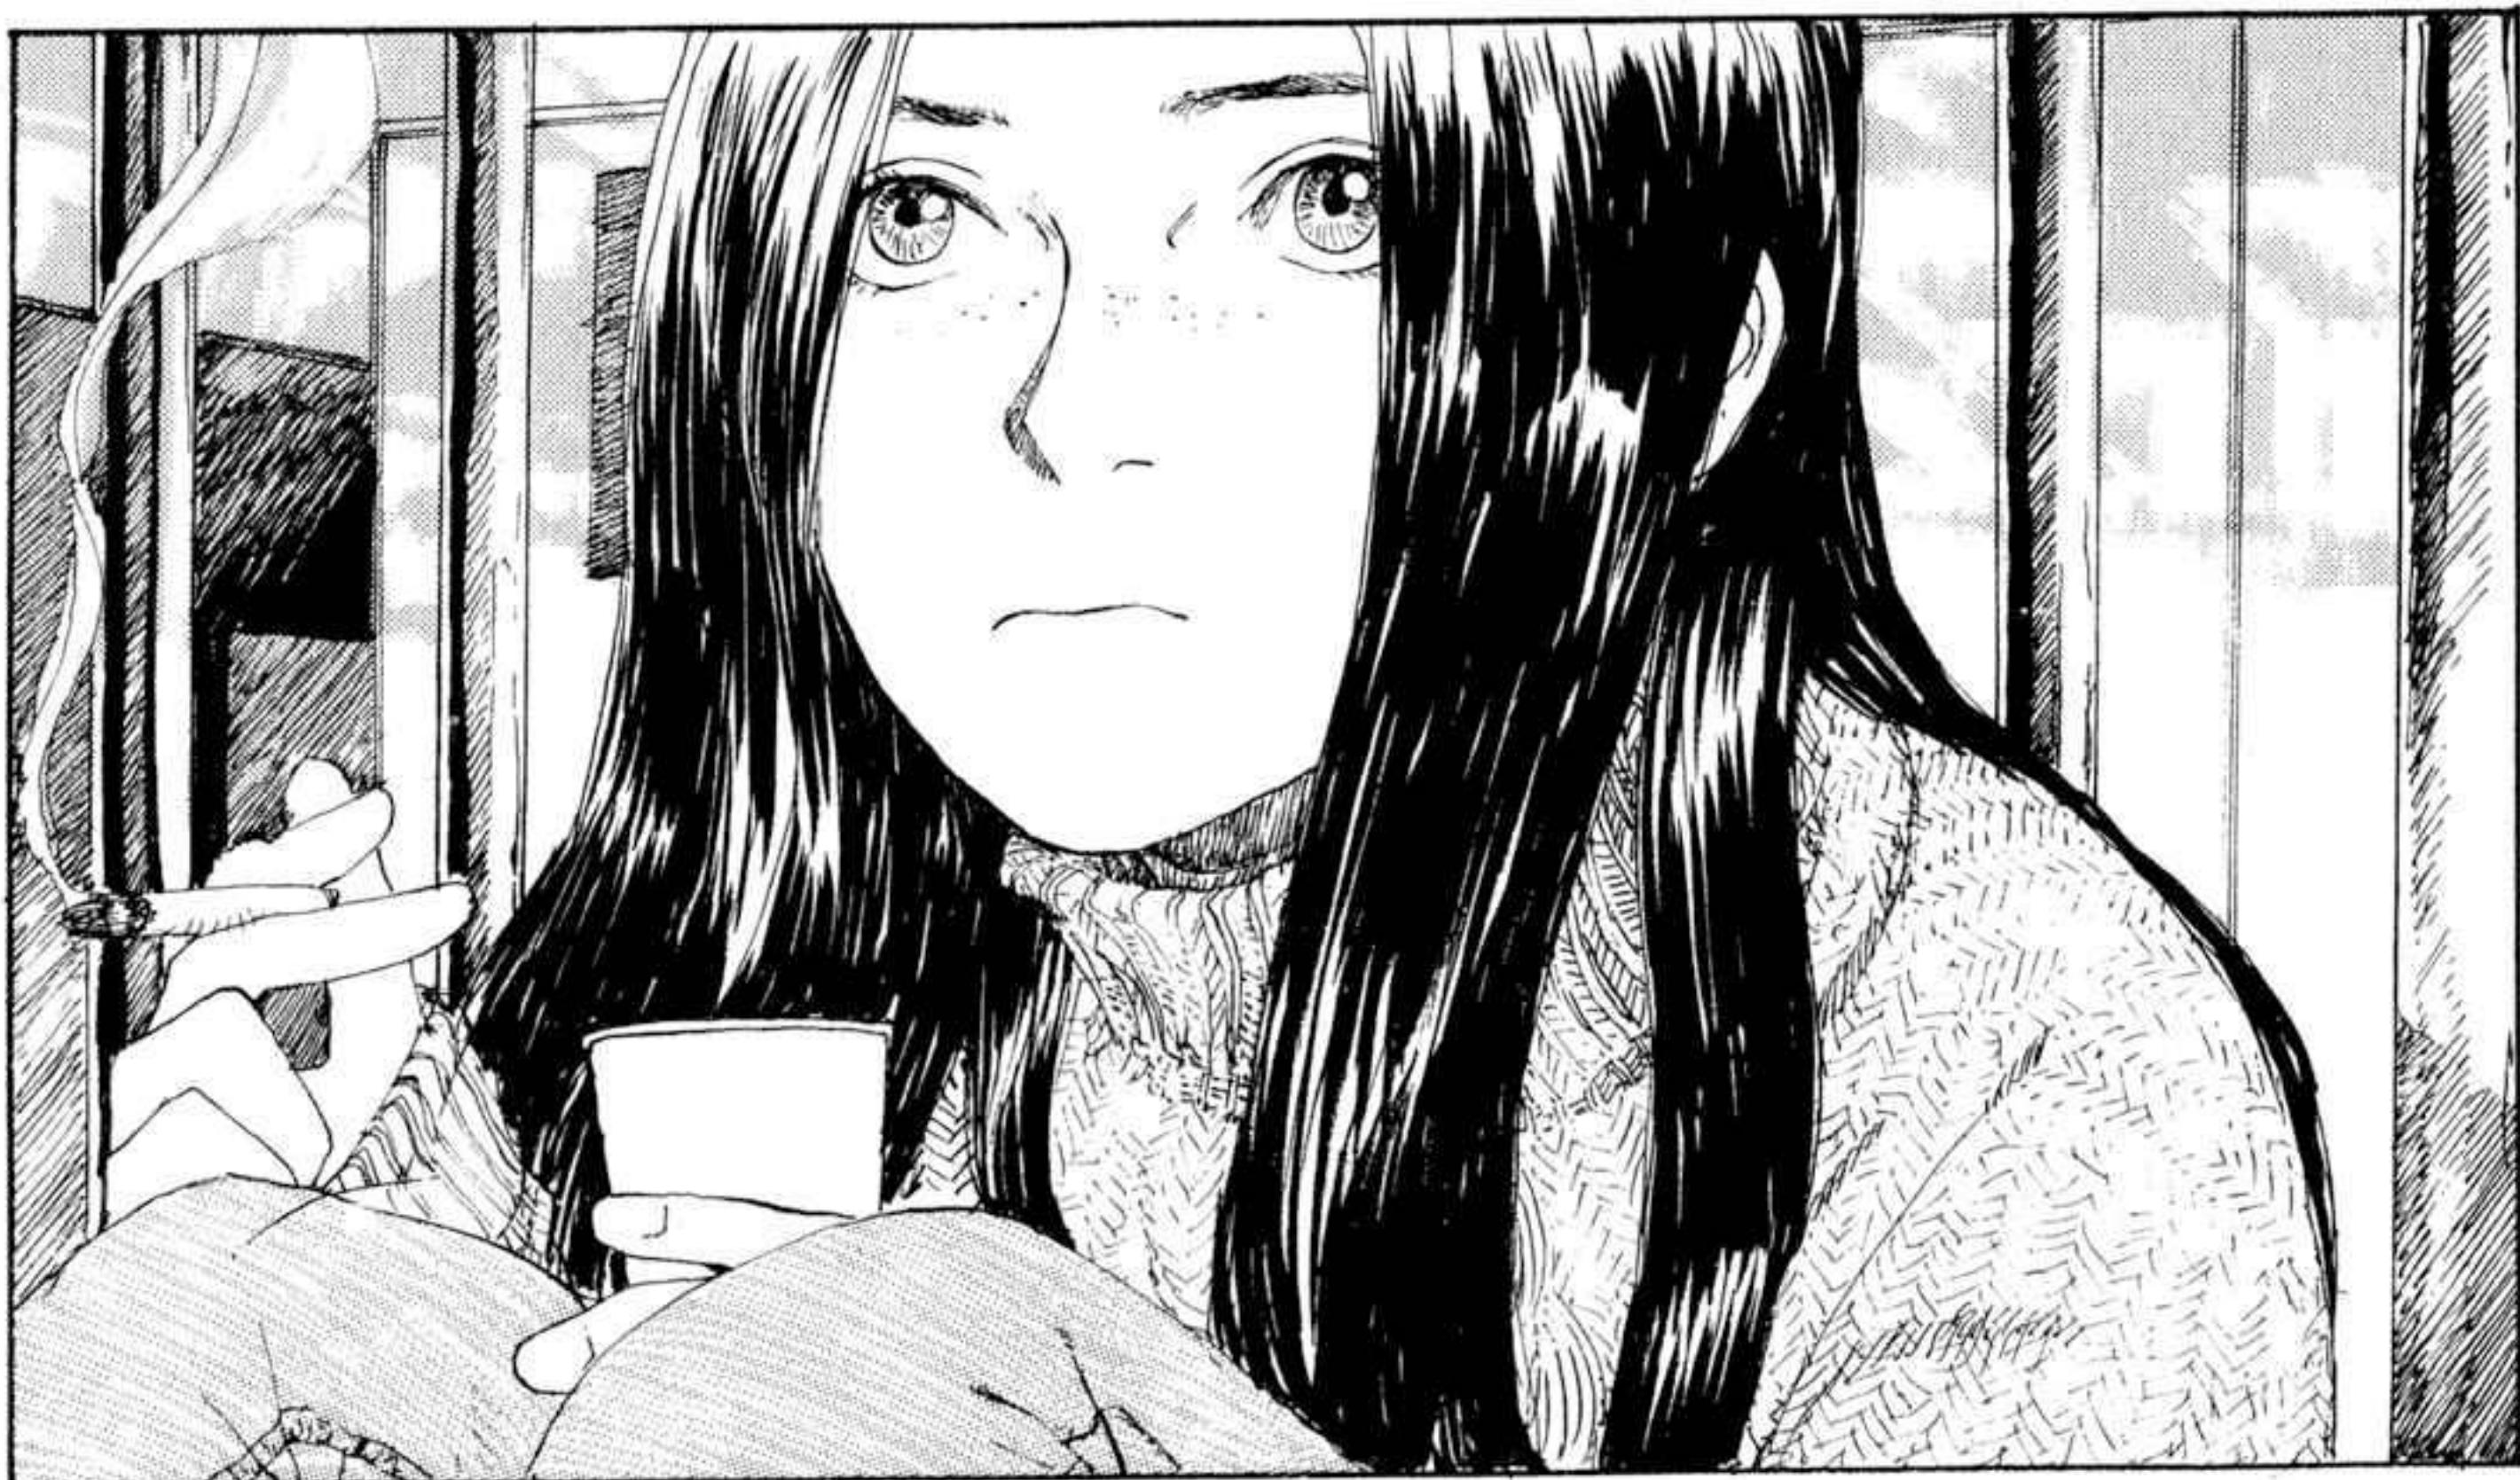

YOUR CONSCIENCE AWOKE THE INSTANT LIFE ORIGINATED IN THIS UNIVERSE.

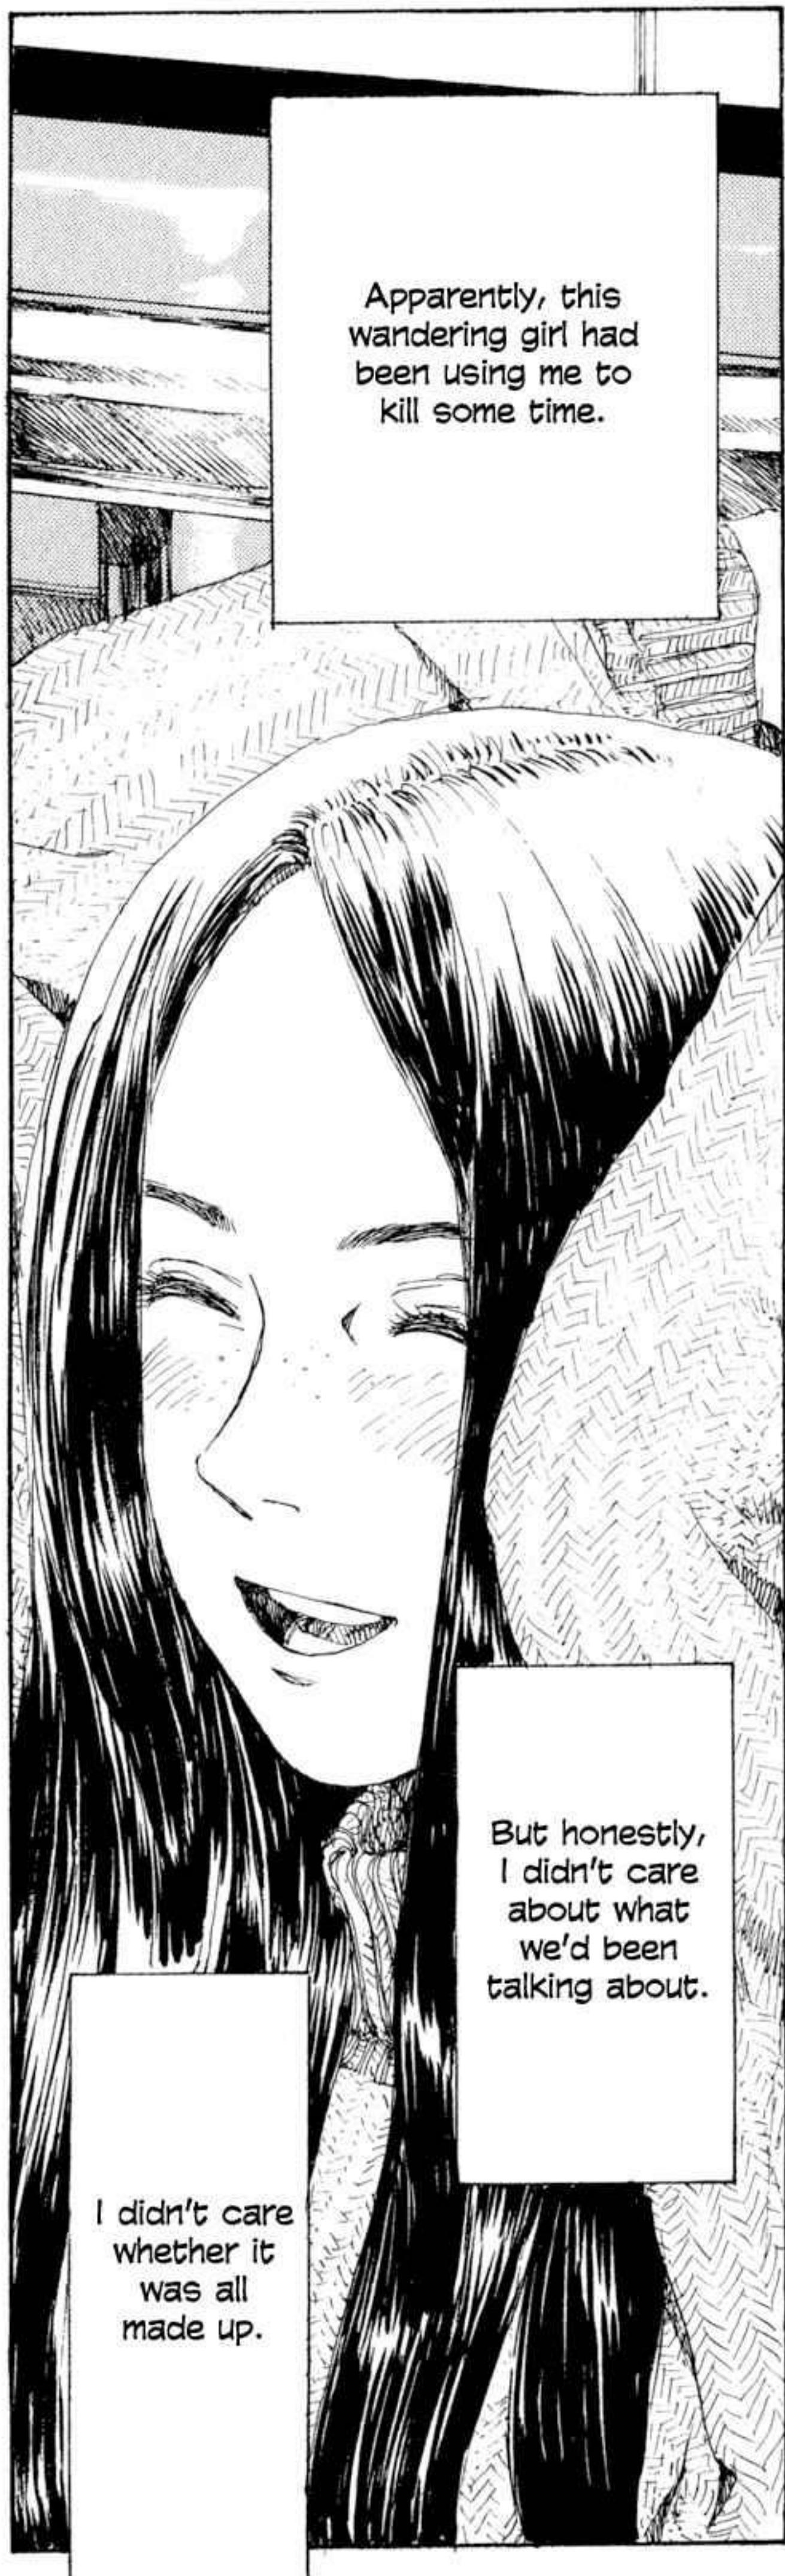

Pop music,
modern jazz,
movies,
literature...

I CAN'T BELIEVE
THEY'RE GOING
TO CALL IT THE
TOKYO TOWER.

THE STOCKS
ARE ALL
GOING TO
BE DONE IN
TOKYO FROM
NOW ON.

THAT
50-MINUTE
DIFFERENCE
IS PRETTY
BIG.

Emanon suddenly
became talkative
after that, and
we conversed
over a wide
range of topics.

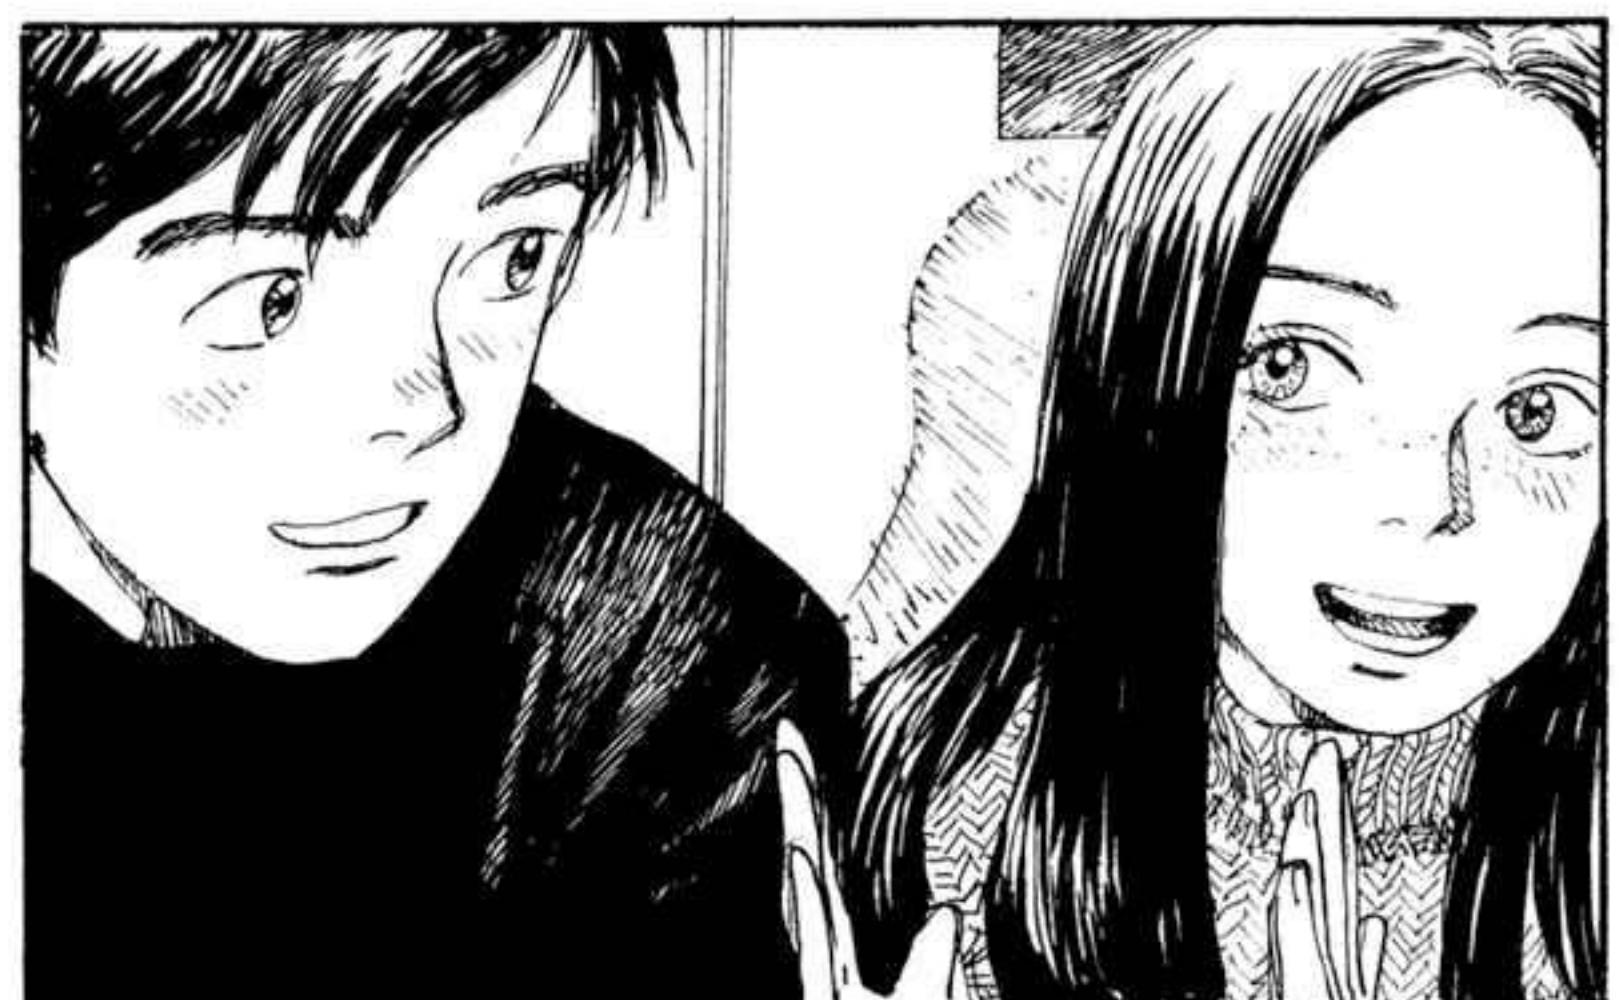

YOU KNOW HOW THE
TOKYO-OOSAKA
EXPRESS TRAIN TOOK
FOUR HOURS, BUT
NOW IT ONLY TAKES
THREE HOURS AND
TEN MINUTES?

From free
traveling, to
professional
baseball.

I THINK TOKYO
STADIUM AND
THE PALM
BALL MAKE A
BEAUTIFUL
COMBINATION.

Our conversations leapt from topic to topic...

*In the movie *Mothra vs. Godzilla* (1964), Happy Enterprises is a company run by the greedy and unscrupulous businessman Kumayama who wants to exploit Mothra's egg as a tourist attraction.

**From *King Kong vs. Godzilla* (1962). Mr. Tako is the head of Pacific Pharmaceuticals. He hopes that catching King Kong would generate an advertising campaign to boost the ratings for a TV program he sponsors.
