Look, you aren't even using this well yourselves, clearly.

Meanwhile, the brothers are meeting a degree of resistance

As they attempt to negotiate usage rights for a well located in another clan's territory

We're not asking for you to surrender your land. Merely some trifling charity.

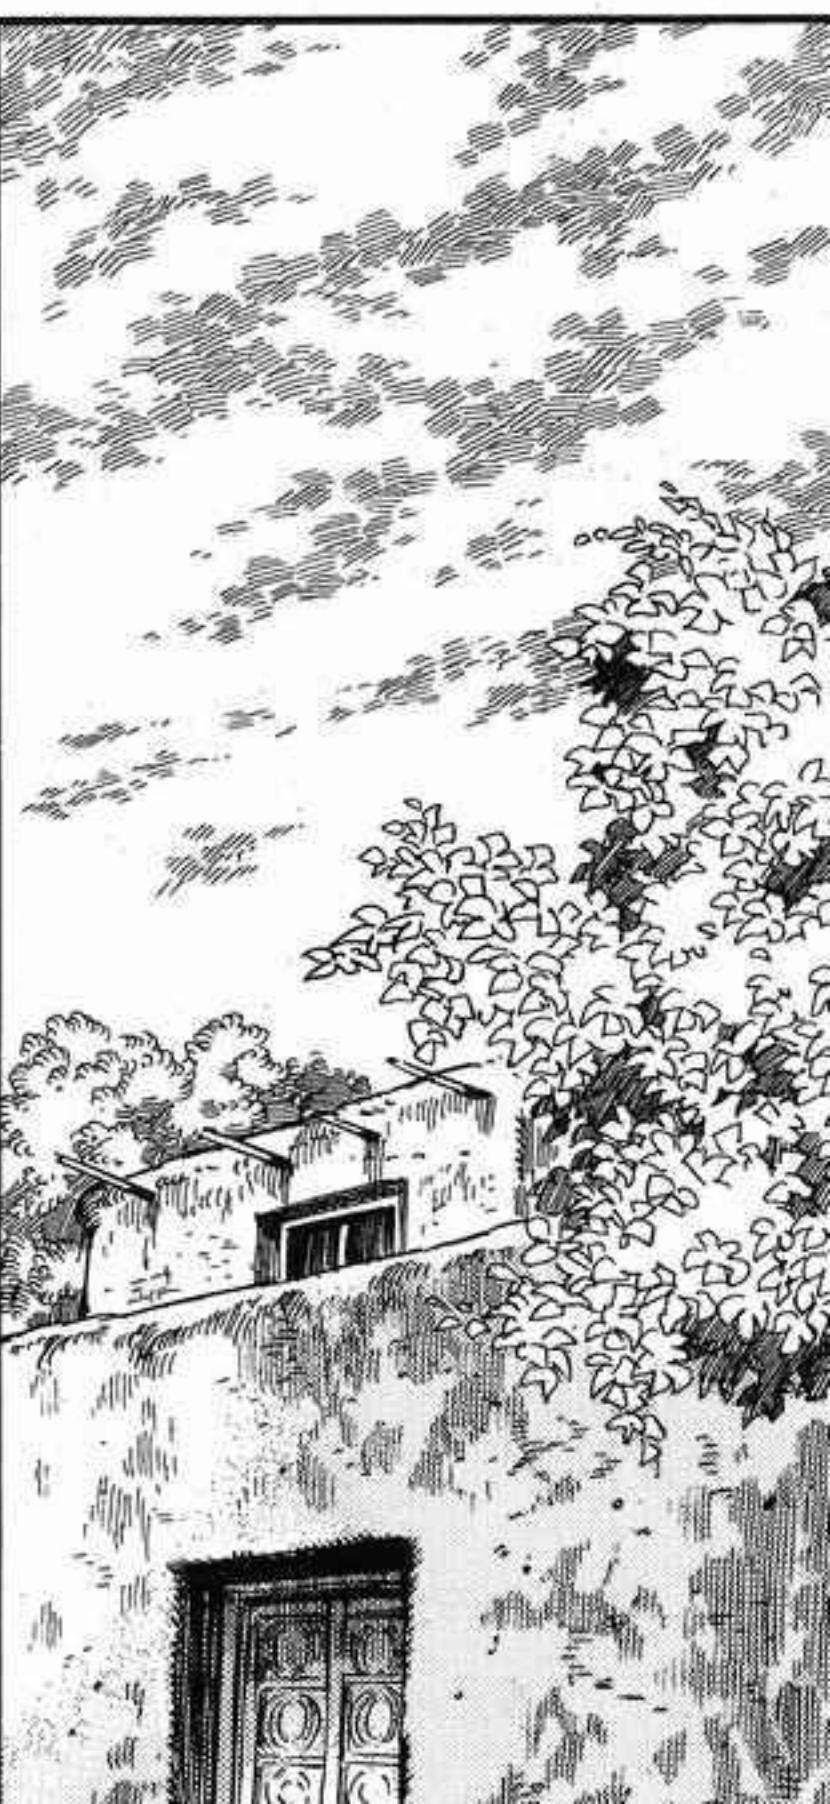

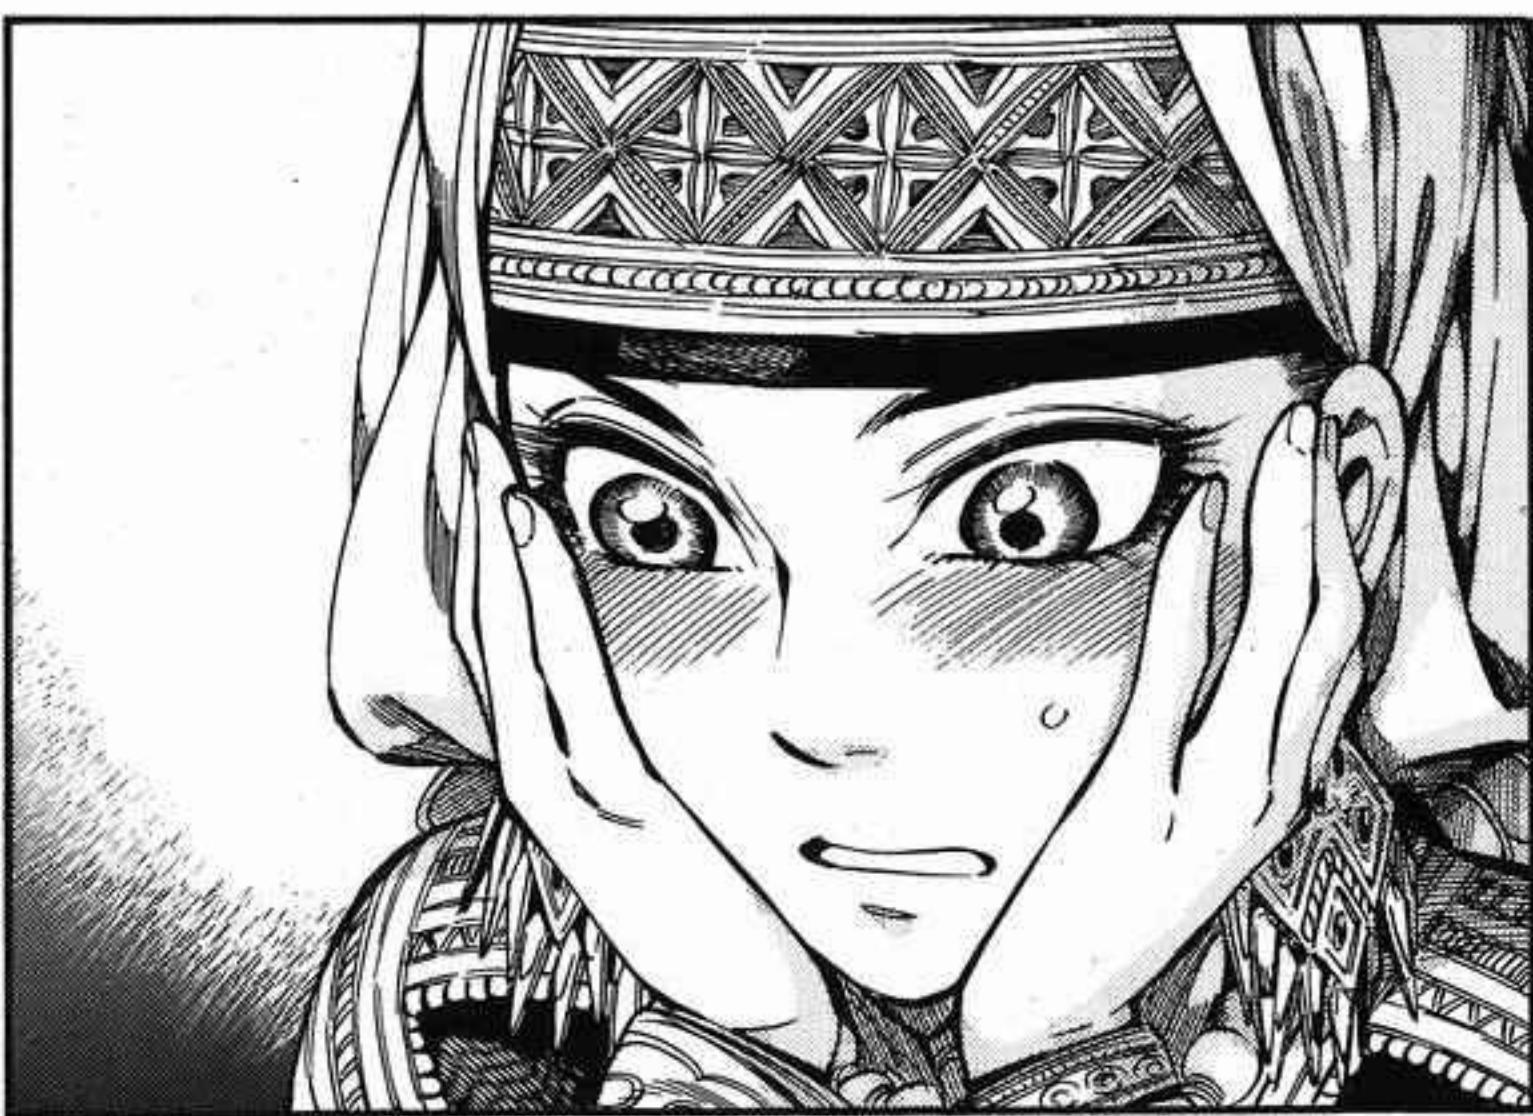

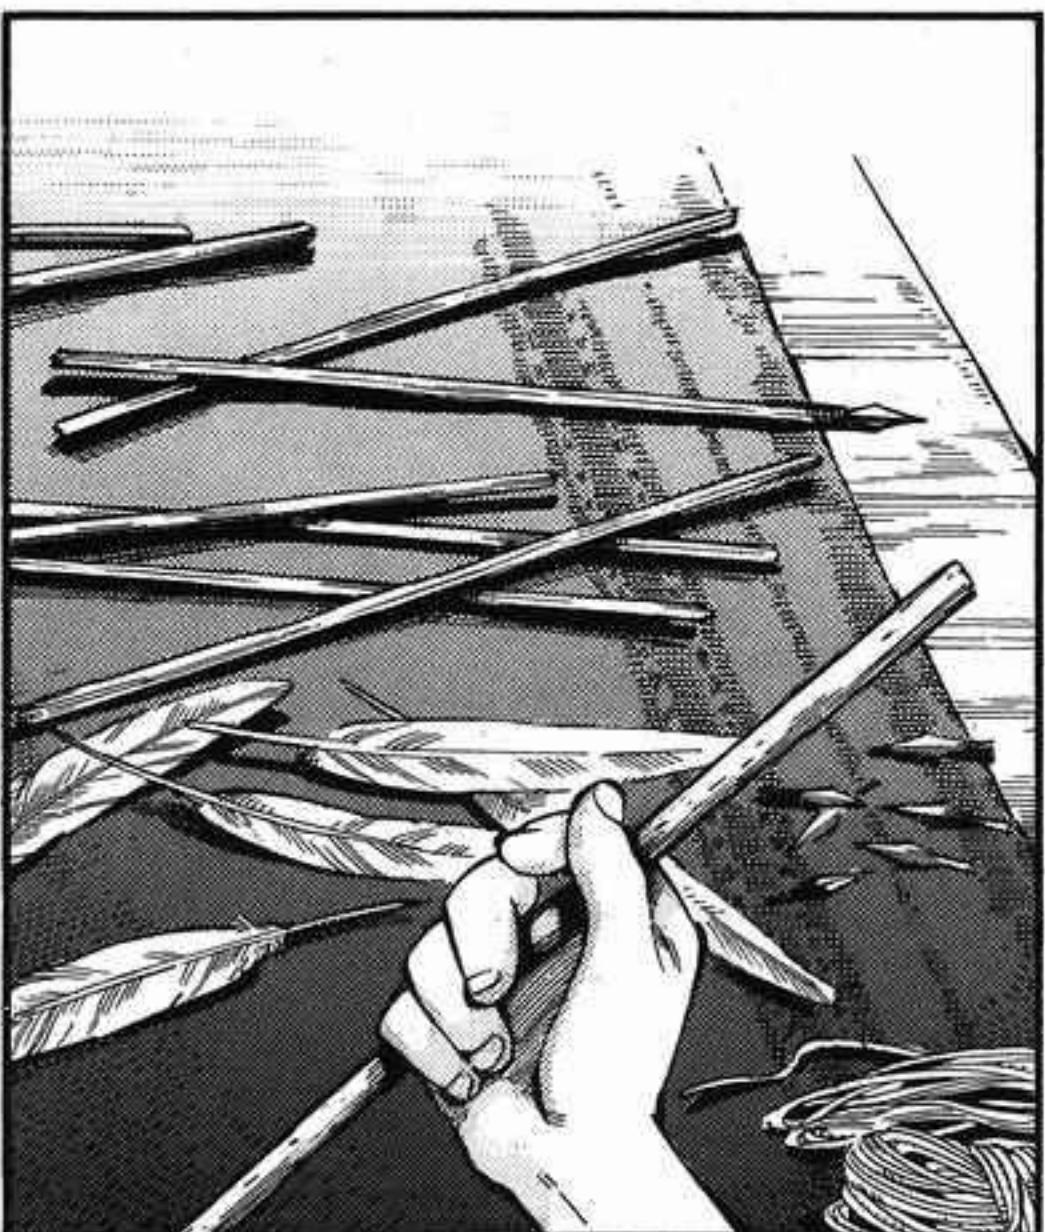

But seriously, I thought you were about to feed that geezer his teeth!

And so,  
they laid  
their  
worries to  
rest.
